### **Award Selection Process:**

The Government intends to award one firm-fixed price contract as a result of this solicitation in accordance with FAR Part 13. An award shall be made to the responsible Offeror whose quote, in conforming to this solicitation, provides the best value to the Government, technical and all other evaluation factors, and price considered. Since it may be in the best interest of the Government to consider an award to other than the lowest priced Offeror or other than the highest technically rated Offeror, the Government will use a tradeoff source selection approach to determine the quote that represents the best value to the Government.

While the Government will strive for maximum objectivity, the best value process, by its nature, is subjective; therefore, professional judgment is implicit throughout the award decision process. The award will be made to the responsible Offeror whose quotation conforms to all solicitation requirements, such as terms and conditions, representations and certifications, technical requirements, and provides the best value to the Government.

The evaluation factors are listed below. This solicitation is not stating nor required to state the relative importance assigned to each evaluation factor and/or sub factor (FAR 13.106-1(a)(2)).

1. Price.
2. Relevant Experience. Offerors are asked to submit list of previous projects similar in size, scope, and complexity completed within the past 5 years.
3. Contractor Past Performance. Offerors must submit customer references of the performing contractor to include:
  - Brief description of project/service dates/contract number/contract amount
  - POC name/phone number/email

### **Exchanges with Offerors and Revision of Quotations:**

If the Government requires revisions to quotes in order to determine best value, the Government may in its discretion choose to use the following procedure:

First, the Government will determine the order in which each offeror is the best value for award (i.e. order of likelihood of success). The Government reserves the right to remove any quote from competition that, in the Government's estimation is not the best value. Once the Government determines the contractor that is best-suited, the Government reserves the right to communicate with only that contractor to address any remaining issues, if necessary, and finalize an order with that contractor. These issues may include technical and price. If the parties cannot successfully address any remaining issues, as determined pertinent at the sole discretion of the Government, the Government reserves the right to communicate with the next best-suited contractor based on the original analysis and address any remaining issues. Once the Government has begun communications with the next best-suited contractor, no further communications with the previous contractor will be entertained until after the order has been awarded. This process shall continue until an agreement is successfully reached and an order is awarded.

## **INSTRUCTIONS TO OFFERORS:**

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals–

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).* [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at [22.1503\(b\)](#).]

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies–

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Labor Standards wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.
