

STATEMENT OF WORK
[Purchase Request Number]
Fuel Boom Deployment and Retrieval

Description

Provide all personnel and equipment required to deploy and retrieve a boom during a scheduled fueling event for NOAA Vessels located at NOAA's Gulf Marine Support Facility and Singing River Naval Complex during multiple events over the coming months. Ship schedules after September 30th are unknown, so option clauses will be added to allow for further events as schedules are clarified.

Requirement

- Provide and deploy up to fuel boom for partial enclosure of vessel fueling/oil transfer operations.
Nancy Foster – 500ft
Oregon II – 200ft
Pisces – 600ft
Other NOAA vessels can range from 200ft – 600ft.
- Recover fuel boom after event.
- Event dates may include holidays and weekends
- Be able to schedule boom delivery within one calendar week of receipt of request from Contracting Officer
- Additional full-enclosure or larger boom requirements met with longer lead times.
