

**RIVERSIDE DINING FACILITY BLDG. # 350 FLIGHT DISHWASHER  
REPLACEMENT**

**Abstract**

**Salient Characteristics for the purchase of Flight Dishwasher Unit**

**15 August 2023**

## **Building 350 Flight Dishwasher Replacement**

Flight Dishwasher replacement for Riverside Dining Facility building 350.

This requirement is for a unit that rinses, and sanitizes plates, silverware, trays, and other food utensils used daily at the dining facility. The current dishwasher (Hobart Model # FT1000SER) has reached the end of its life expectancy.

### **SALIENT CHARACTERISTIC**

Request to replace the current dishwasher (Fig 1.) with comparable one
