**IR1052.209-9002 Notice and Consent to Disclose and Use of Taxpayer Return  
Information (May 2018)**

(a) Definitions. As used in this provision-

"Authorized representative(s) of the offeror" means the person(s) identified to the Internal Revenue Service (IRS) within the consent to disclose by the offeror as authorized to represent the offeror in disclosure matters pertaining to the offer.

"Delinquent Federal tax liability" means any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

"Tax check" means an IRS process that accesses and uses taxpayer return information to support the Government's determination of an offeror's eligibility to receive an award, including but not limited to implementation of the statutory prohibition of making an award to corporations that have an unpaid Federal tax liability (see FAR 9.104-5(b)).

(b) Notice. Pursuant to 26 U.S.C. 6103(a) taxpayer return information, with few exceptions, is confidential. Under the authority of 26 U.S.C. 6103(h)(1), officers and employees of the Department of the Treasury, including the IRS, may have access to taxpayer return information as necessary for purposes of tax administration. The Department of the Treasury has determined that an IRS contractor's compliance with the tax laws is a tax administration matter and that the access to and use of taxpayer return information is needed for determining an offeror's eligibility to receive an award, including but not limited to implementation of the statutory prohibition of making an award to corporations that have an unpaid Federal tax liability (see FAR 9.104-5).

(1) The performance of a tax check is one means that will be used for determining an offeror's eligibility to receive an award in response to this solicitation (see FAR 9.104). As a result, the offeror may want to take steps to confirm it does not have a delinquent Federal tax liability prior to submission of its response to this solicitation. If the offeror recently settled a delinquent Federal tax liability, the offeror may want to take steps to obtain information in order to demonstrate the offeror's responsibility to the contracting officer (see FAR 9.104-5).

(c) The offeror shall execute the consent to disclosure provided in paragraph (d) of this provision and include it with the submission of its offer. The consent to disclosure shall be signed by an authorized person as required and defined in 26 U.S.C. 6103(c) and 26 CFR 301.6103(c)-1(e)(4).

(d) Consent to disclosure. I hereby consent to the disclosure of taxpayer return information (as defined in 26 U.S.C. 6103(b)(2)) as follows:

The Department of the Treasury, Internal Revenue Service, may disclose the results of the tax check conducted in connection with the offeror's response to this solicitation, including taxpayer return information as necessary to resolve any matters pertaining to the results of the tax check, to the authorized representatives of \_\_\_\_\_ on this offer.

I am aware that in the absence of this authorization, the taxpayers return information of \_\_\_\_\_ is confidential and may not be disclosed, which subsequently may remove the offer from eligibility to receive an award under this solicitation.

**IR1052.232-9001 ELECTRONIC INVOICING AND PAYMENT REQUIREMENTS FOR THE INVOICE PROCESSING PLATFORM (IPP) (JUL 2019)**

(a) Definitions:

"Short payment" as used in this clause means the partial payment of an invoice for goods/services actually rendered at the time of payment when the invoice includes additional goods/services that have not yet been provided/rendered.

"Short payment" example: The contract requires the delivery of a set number of items, with the price, delivery location, and delivery due date also specified. The vendor delivers 50% of the items as specified but invoices for 100% of the items. Before implementation of the IPP, the IRS would have paid the vendor for the items delivered and instructed the vendor to re-invoice the IRS when the balances of the items were delivered. In other words, the IRS would "short pay" the invoice since the IRS did not remit payment for the full invoice amount. With implementation of the IPP, the IRS can no longer do this because the IRS cannot accept an electronic invoice that includes items not yet received. The IRS will reject the invoice. The vendor needs to submit an invoice for only the items received by the IRS (in this case, 50%), and, if these items meet all other contract terms and conditions, the IRS will pay the invoiced amount. The vendor submits subsequent invoice(s) for items as they are delivered and accepted.

(b) The Invoice Processing Platform (IPP) is a secure Web-based electronic invoicing and payment information service available to all Federal agencies and their suppliers. Effective October 1, 2012, invoicing for payment through the IPP will be mandatory for all new contract awards. Additional information regarding the IPP may be found at the IPP website address <https://www.ipp.gov>. Contractors must complete the contractor point of contact information below, and submit it with their proposal submissions. Contractors may contact the IPP Helpdesk for assistance via e-mail [ippgroup@stls.frb.org](mailto:ippgroup@stls.frb.org) or via phone at (866) 973-3131. Once a contract award has been made, the contractor will be contacted by the IPP via e-mail to set-up an account. It will be necessary for contractors to login to their IPP accounts every 90 days to keep their IPP accounts active.

**(c) Contractor Point of Contact Information**

**Contractor (Company) Name:** \_\_\_\_\_

**Contractor IPP Point of Contact Name:** \_\_\_\_\_

**Contractor Phone Number:** \_\_\_\_\_

**Contractor E-mail Address:** \_\_\_\_\_

(d) Electronic Invoicing and Payment Requirements

Vendor invoices submitted electronically through the IPP should be in the proper format and contain the information required for payment processing. To be approved for payment, a "proper invoice" must list the items specified in FAR 52.232-25 (a)(3)(i) through (a)(3)(x), or in the case of a Commercial Item Contract, the items included in 52.212-4(g)(1)(i) through (g)(1)(x). **If the vendor is offering a discount via the IPP, the discount must be reflected on the invoice. The vendor will select 'Create Invoice'. The IPP system will default to 'Net 30 Prompt Pay' under the Payment Terms dropdown box. The vendor will select from 54 different discount options for the invoice that is being created. If the vendor chooses to offer a discount on the invoice screen, the information will interface to the payment system for processing. Discounts that are offered on attachments rather than the invoice itself cannot be accepted.**

Under this contract, the following documents are required to be submitted as an attachment to the invoice (Contracting Officer fills in additional documentation that must be furnished by the contractor (e.g. timesheet)). **Please do not submit into IPP any documentation/attachments that conflict with what is stated on the invoice.**

#### Payment and Invoice Questions

For payment and invoice questions, contact the Beckley Finance Center at (304) 254-3372 or via e-mail at [cfo.fm.ipp.customer.support@irs.gov](mailto:cfo.fm.ipp.customer.support@irs.gov).

#### (e) Waiver

If the Contractor is unable to use the IPP for submitting payment requests starting on October 1, 2012, then a waiver form must be completed and submitted with the contractor's proposal submission for review and approval by the Contracting Officer based on one of the conditions listed in the waiver. The vendor will be notified prior to award as to whether their request for waiver has been approved or denied. If the waiver is granted, then a copy of the waiver must be submitted with each paper invoice that the vendor submits to the payment office or the invoice will be returned.

#### (f) Short Payment

Short payment on vendor submitted invoices will no longer be processed or paid. If any portion of the invoice does not meet the requirements for a proper invoice, the entire invoice shall be rejected and returned to the vendor unpaid.

### **IRS Invoice Processing Platform (IPP) Waiver Form**

The IRS invoicing and payment requirements clause (IR1052.232-9001) requires that all invoices under awards made (or effective) on or after October 1, 2012, be submitted electronically via the IPP unless a waiver is requested and granted. If the Contractor is unable to submit its invoice through the IPP, the Contractor shall complete this waiver form indicating the reason for the waiver request by selecting the appropriate box below and providing a narrative summarizing in detail the circumstances requiring a waiver.

For a solicitation, submit the waiver form with the proposal submission. For a modification that incorporates the IPP clause into an existing contract, submit the waiver form with the modification. The CO will notify the vendor via e-mail or another appropriate means of communication prior to award as to whether their waiver has been approved or denied. If the waiver is granted, then a copy of the approved waiver must be submitted with each invoice that the vendor submits to the payment office or the invoice will be returned.

Reason for requesting a waiver of the requirement to submit an electronic invoice via the IPP:

- a. Submission of invoices through IPP would impose a hardship on an individual (includes employees and sole proprietors) due to: either a physical or mental disability; a geographic, language, or literacy barrier; or an undue financial burden. The requirement to submit invoices through the IPP is automatically waived for all individuals who do not have payment capability using ACH with a U.S. financial institution.
- b. The political, financial or communications infrastructure where the place of business is located does not support access to the IPP for submitting invoices electronically.
- c. The contractor is located within an area designated by the President of the United States or an authorized agency administration as a disaster area. (Please identify area/location.)
- d. The submission of invoices electronically may pose a threat to national security, the life or physical safety of an individual may be endangered, or a law enforcement action may be compromised.
- e. The agency does not expect to receive more than one invoice from the same contractor within a one- year period. i.e., the invoice submission is non-recurring.
- f. The contractor customarily submits a high volume of invoices on a regular basis via file format, not currently supported by the IPP (i.e., uses a file format other than XML or CSV) and the high volume of invoices would cause a significant burden to the contractor if submitted through the IPP individually. If utilizing this exception, please identify the file formats supported by your invoicing system so that the IPP may consider implementing the requested file format at a later date. File format(s) used: \_\_\_\_\_.
- g. Other - Please explain \_\_\_\_\_  
\_\_\_\_\_

Attach a separate sheet of paper with a summary narrative substantiating the circumstances for the waiver exception selected from above (1 through 7).

“Federal contract information” means information, not intended for public release, that is provided by or generated for the Government under a contract to develop or deliver a product or service to the Government, but not including information provided by the Government to the public (such as on public websites) or simple transactional information, such as necessary to process payments.

(ix) Escort visitors and monitor visitor activity; maintain audit logs of physical access; and control and manage physical access devices.

(x) Monitor, control, and protect organizational communications (i.e., information transmitted or received by organizational information systems) at the external boundaries and key internal boundaries of the information systems.

(xi) Implement subnetworks for publicly accessible system components that are physically or logically separated from internal networks.

(xii) Identify, report, and correct information and information system flaws in a timely manner.

(xiii) Provide protection from malicious code at appropriate locations within organizational information systems.

(xiv) Update malicious code protection mechanisms when new releases are available.

(xv) Perform periodic scans of the information system and real-time scans of files from external sources as files are downloaded, opened, or executed.

(2) Other requirements. This clause does not relieve the Contractor of any other specific safeguarding requirements specified by Federal agencies and departments relating to covered contractor information systems generally or other Federal safeguarding requirements for controlled unclassified information (CUI) as established by Executive Order 13556.

(c) Subcontracts. The Contractor shall include the substance of this clause, including this paragraph (c), in subcontracts under this contract (including subcontracts for the acquisition of commercial items, other than commercially available off-the-shelf items), in which the subcontractor may have Federal contract information residing in or transiting through its information system.

#### PROHIBITION ON A BYTEDANCE COVERED APPLICATION (JUN 2023)

(a) *Definitions.* As used in this clause—

*Covered application* means the social networking service TikTok or any successor application or service developed or provided by ByteDance Limited or an entity owned by ByteDance Limited.

(i) Of that equipment; or

(ii) Of that equipment to a significant extent in the performance of a service or the furnishing of a product;

(2) Includes computers, ancillary equipment (including imaging peripherals, input, output, and storage devices necessary for security and surveillance), peripheral equipment designed to be controlled by the central processing unit of a computer, software, firmware and similar procedures, services (including support services), and related resources; but
