

**Contracting Officer (KO) Brand-Name Justification in accordance  
with FAR Part 13.106-1**

**1. Contracting Agency:**

The U.S. Army Corps of Engineers, Vicksburg District Contracting Office, 4155 Clay Street, Vicksburg, MS 39183-3435.

**2. Description of Action:**

This requirement is being procured as a Small Business Set-Aside. The period of performance is for all work to be completed April 30, 2024, after contract award depending on Dredge Jadwin's Vicksburg, MS port schedule. The estimated value is \$47,295.32.

**3. Description of Supplies/Services:**

The Dredge Jadwin vessel of the U.S. Army Corps of Engineers Vicksburg District has a requirement to replace four HVAC units in the pilot house. The contractor will be responsible for removal, disposal, and installation of all HVAC systems. Items to be replaced are two Fujitsu AUU36RCLXX indoor units and two Fujitsu AOU36RLX outdoor units.

**4. Justification for Brand-name Purchase:**

The Dredge Jadwin is an 80-year-old vessel. Space limitations for HVAC units determine the size and scope of units. The systems currently installed fit the spaces adequately. New systems would require a large amount of framing and changes to the current structure which is not feasible at this time.

**5. Technical Certification:** I certify that the supporting data under my cognizance, which are included in the justification, are complete and accurate to the best of my knowledge and belief.

[REDACTED]

**APPROVAL**

Based on the foregoing justification, I hereby approve the Brand-name justification in accordance with FAR 13.106-1. Funds are available under PR&C W807PM30458820.
