

Statement of Work	
Contract Number: TBD	SOW 22-MOD4-0001-1
Title: Mk 38 MOD4 Cable Procurement (Bronze Parts)	
Page 1 of 3	

## 1. DESCRIPTION

The Contractor shall provide all necessary material and services required to manufacture, assemble, inspect, preserve, package, and ship the deliverables listed below. Final quantities will be agreed to as part of the award process.

- a. Deliverable number 1 is for MK38 MOD4 Cable Procurement (Bronze Parts). See Table 1 at the end of this document for items and quantities of this deliverable.

## 2. INSPECTION AND ACCEPTANCE

- a. Inspection and acceptance of all deliveries shall be made at destination by designated ISEA G32 Representative for kind, count and condition.  
POC Kouji Hamanaka 973-724-9667 email:  
kouji.m.hamanaka.civ@us.navy.mil.

## 3. DELIVERY OR PERFORMANCE

- a. All deliveries shall be in accordance with Section F of the contract.
- b. Early delivery is authorized.
- c. Partial deliveries are authorized.

## 4. PACKAGING, MARKING AND SHIPPING

- a. Preservation & Packaging of all deliverables.
  - i. Preservation & packaging of the items shall be in compliance with Best Commercial Practice.
  - ii. Size of labels is to be approximately 1" x 2 5/8" or equivalent marking/labeling method (contractor to determine). For items that do not have an NSN assigned, the NSN shall be left blank.

LABEL EXAMPLE  
P/N: XXXXXXXX  
S/N: XXXXXXXX  
NSN: XXXX-XX-XXX-XXXX  
Nomenclature: XXXXXXXXXXXXX  
QTY: X EA

## 5. Shipping and Storage:

After preservation and packaging, all deliverables will be shipped to the following address:
