

PERFORMANCE WORK STATEMENT
SLD 45 Patrick Space Force Base
Electrical Connections for Systems Furniture

1. **OBJECTIVE.** The contractor shall furnish all equipment, materials and labor related to the disconnection of existing systems furniture whips, reconnection of whips to new furniture, changing of unused whip connections to outlets and the installation of new whip connections in buildings located on Patrick Space Force Base (PSFB) and Cape Canaveral Space Force Station (CCSFS).

2. **LOCATION OF WORK.** All work is to be performed at PSFB or CCSFS. The contractor is responsible for completing all tasks required for base access and shall maintain access to PSFB and CCSFS, as appropriate, for the duration of any work ordered under this agreement. Travel to and from PSFB and CCSFS are not billable.

2.1 Badges The contractor is required to provide identification badges for their employees. All contractor personnel shall wear these badges while on duty on the government site. All badges need to be clearly identifiable and worn above the waist. Badges are required to identify the individual, company name, and be clearly and distinctly marked as contractor. Size, color, style, etc. are to be mutually agreed to by contractor and government. The contractor's identification badge will not be used as an entry requirement for installation entry or into any government designated controlled or restricted area.

3. **PERSONNEL**

3.1 KEY PERSONNEL The contractor shall provide a manager for each order who shall be responsible for the performance of the work. The name of this person and an alternate who shall act for the contractor when the manager is absent shall be designated in writing to the contracting officer. The contract manager or alternate shall have full authority to act for the contractor on all contract matters relating to daily operation of this contract.

3.2 PERSONNEL RESTRICTIONS The contractor shall not employ persons to work on this contract if such person is identified to the contractor by the government as a potential threat to the health, safety, security, general well-being or operational mission of the installation and its population. The contractor shall not employ any person who is an employee of the U.S. government, if employing such person would create a conflict of interest as determined by the Contracting Officer. Additionally, the contractor shall not employ any person who is an employee of the Department of Defense, either military or civilian, unless such person seeks and received approval according to DoD 5500.7 –R Joint Ethics Regulation. The contractor shall not employ any person who is an employee of the Department of Defense if such employment would be contrary to the policies in AFI 64-106 AF Industrial Labor Relations Activities.

3.3 HOURS OF WORK Work will be performed between the hours of 0730 and 1630

4. **INSPECTION AND ACCEPTANCE OF WORK** All work is subject to inspection by 45 CES.

5. **ENVIRONMENTAL, HEALTH, AND SAFETY** Environmental, Health, And Safety. The contractor shall ensure all employees receive the necessary environmental, health, and safety training to ensure compliance with all Occupational Safety and Health Acts (OSHA), and local laws. The contractor shall protect the health and safety of employees and the community, minimizing the risk of environmental pollution.
