

NOTE: THIS IS A SYNOPSIS, NOT A SOLICITATION. SPECIFICATIONS ARE NOT AVAILABLE AT THIS TIME; THEREFORE, NO QUESTIONS OF A TECHNICAL OR CONTRACTUAL NATURE WILL BE ACCEPTED OR ANSWERED UNTIL THE SOLICITATION IS ISSUED. INFORMATION CONTAINED IN THIS SYNOPSIS IS SUBJECT TO CHANGE.

This is an UNRESTRICTED procurement. NAICS Code: 237990, Other Heavy and Civil Construction. Atchafalaya Basin, Gulf Intracoastal Waterway (GIWW) & Misc. Projects Cutterhead Dredge #1-2021. This solicitation, W912P821B0045, is anticipated to be issued as an Invitation for Bid (IFB). The resulting contract shall be a firm fixed price (FFP) Indefinite Delivery Indefinite Quantity. The solicitation will issue on or about 30 Jun 2021. The anticipated bid opening date will be established by amendment.

All qualified business concerns may submit offers. Offers from large business firms must comply with FAR 19.7 and FAR Clause 52.219-9 regarding the requirement for submission of a subcontracting plan.

The work consists of furnishing one fully crewed and equipped hydraulic pipeline cutterhead dredge for the removal and satisfactory disposal of shoal material within any combination of the following Dredging Regions: Berwick Bay Harbor, Berwick Lock Forebay, Tidewater Point, 20 Grand Point, GIWW vicinity of Mile 99, Wax Lake Outlet, GIWW vicinity of Bayou Shaffer, Port Allen Lock Forebay, Three Rivers, Baton Rouge Harbor (Devil's Swamp), Old River Lock Forebay, Old River Lock Tailbay, and Morgan City Docks East. Work may be required in other areas of the New Orleans District or the Red River in Vicksburg District.

The estimated value of this work is between \$10,000,000.00 and \$25,000,000.00.

The Government will not provide written paper copies of the solicitation. Telephone, written, facsimile, or e-mail requests for the solicitation package will not be honored. Potential contractors are responsible for monitoring this site for the release of the solicitation package and any amendments.

The solicitation documents for this procurement will be posted on beta.SAM.gov(<https://beta.SAM.gov>). . You will need Adobe Reader for .pdf files (www.adobe.com) in order to open most files posted by the New Orleans District. You are encouraged, for marketing purposes, to register as an Interested Vendor in beta.SAM.gov (<https://beta.SAM.gov>). This can be done by clicking on the solicitation title and clicking on the button that says Register as an Interested Vendor and entering your business information. Offerors are also encouraged to post notices of prospective subcontracting opportunities on the Small Business Administration Subnet, at <http://web.sba.gov/subnet> . Offerors must be registered with the System for Award Management (SAM) to receive a Government contract award. You may register online at <http://www.sam.gov> .
