

AGENDA
Site Visit – 02/13/2023@1330
Solicitation #FA6656-23-Q-0002
Ball Mat System

The contractor shall furnish all supervision, labor, materials, tools, equipment, apparatus, testing, and transportation required to supply and install the Ball Mat System at the 910th Airlift Wing. The contractor shall supply Ball Mat Systems for bays 1,2,3/4. (See Scope of Work and drawing)

This is 100 percent total small business set-aside: the North American Industrial Classification System (NAICS) code for this commercial item is 423830; the small business size standard is 700 employees. One (1) contractor will be the awardee.

This project has three (3) line items. The Request for Quotes are due on 1 March 2023 at 1:00pm EST.

Contractors are reminded that in order to receive an award as a prime contractor, they must be registered and active in the System for Award Management database at website <https://www.sam.gov> as well as have completed the representations and certifications within SAM.

The proposal is to be based on the specifications/drawings. General Contractors are urged to closely review the drawings. No changes are to be made unless received in writing from the Contracting in the form of an amendment. It is the contractors' responsibility to check the SAM website for updates and amendments. This agenda as well as attendees will be posted to the web site.

Contractors are to direct all post-site visit questions to the Contracting Office in writing no later than 17 February 2023 at COB. Responses will be posted by 24 February 2023. Questions can be e-mailed or faxed to the attention of Lori Jenkins at FAX: 330-609-1042, or Email lori.jenkins.1@us.af.mil. Emails are preferred. **It is imperative all communications are identified with the full solicitation number in the subject line.** Any/all questions received, along with the response, will be posted to the Sam website. Questions and answers that are not in writing are considered unofficial.
