

# **Bowling Lane Alley Machine**

## **Salient Characteristics**

### **KB175803 KEGEL FLEX WALKER**

#### **Conditioning System**

- DUO conditioning system
  - Two conditioner pumps
  - Two conditioner cartridges
- DUO transfer system
  - Enhances the smoothness of the pattern
  - Residual oil burns out quickly for easy pattern changes
- Two pre-filled or refillable conditioner cartridges allows for separate conditioner on forward and reverse pass
- Ability to alternate two compatible lane conditioners in one pass
- Per load adjustable micro-liter streams per for more control within each pattern

#### **Drive System**

- Dual Drive System for better tracking
- Patented six drive speeds for best taper control
- Independent adjustable cleaning speeds
- LED arrow for better operator positioning

#### **Touchscreen and PLC**

- Full color 5” touchscreen
- Three program choices for both AM and PM
- Stores 30 programs on board
- Test input/output menu option
- Detailed error messages with help screens

#### **Features**

- Zero Turn Radius lane-to-lane walking function
- Auto-aligning lane whiskers
- Smart processor auto-align memory
- Object detection
- Automatic burn pair

#### **Batteries**

- Single lightweight battery
- External battery charger
- Three battery options based on number of lanes conditioned per day

## **KB1648740 CLEANER MIXING UPGRADE**

- Quick change squeegee assembly allows you to easily change the blades in a fraction of the time
- Change the cleaning solution output percentage from inside the oil pattern to the back-ends for each pattern or for all
- Proven Sprayless Cleaning System
- Easily monitor and adjust cleaner output as desired

## **KB1548510 MACHINE POSITION ASSIST DEVICE**

- 50 pounds reduced lifting weight (each side)
  - Raise and lower the machine by yourself
  - Lifting weight of the machine is reduced by over 100 pounds
  - Minimal space required
- Technical specifications
  - Width 8"
  - Height 8" (Recommended)
  - Length 60"
  - Weight 62 pounds
- Auto-aligning lane whiskers
- Smart processor auto-align memory
- Object detection
- Automatic burn pair

### **Batteries**

- Single lightweight battery
- External battery charger
- Three battery options based on number of lanes conditioned per day
