

## Questions and Answers for the FA449723Q0012 C-46 Artifact Transport

Where is the aircraft located at the Aviation Museum in Florida? Is it inside, outside, on the pavement, on the grass, on a pedestal, suspended from the ceiling, etc...?

**Outside on pavement.**

Where will the aircraft be located at the Aviation Museum in Delaware? Inside, outside, on the pavement, on the grass, on a pedestal, suspended from the ceiling, etc...?

**Outside on pavement.**

Can you provide pics (without disclosing anything classified) for the Florida facility and the final resting place in Delaware?

**No pics of the Florida facility.**

**AMC Museum**

Weight and dimensions of the aircraft?

**Approximate Specifications:**

- **Length: 76 ft 4 in (23.27 m)**
- **Wingspan: 108 ft 0 in (32.92 m)**
- **Height: 21 ft 9 in (6.63 m)**
- **Wing area: 1,360 sq ft (126 m<sup>2</sup>)**
- **Empty weight: 30,669 lb (13,911 kg)**

Is the aircraft flightworthy? **No.**

Can we assume that attaching hardware, which is too corroded to remove, may be cut off?

**Yes, if the integrity of the aircraft is maintained for transport and re-assembly.**

Who will be responsible for corrosion repair? If repairs are needed, this will delay reassembly.

**AMC Museum.**

Who will be responsible for repairing existing hurricane damage, i.e. reattaching parts removed by the storm?

**AMC Museum, however, the contractor is responsible for re-assembly of the entire aircraft.**

If rivets are removed during disassembly, will there be a specification for replacement hardware (like Byler Magna Bulbs blind rivets)?

**Yes, structural equivalent hardware is required.**

Will a permit be required for operating a crane near a runway? This could take 4-6 weeks to approve.

**No.**

Will the contractors have access to the aircraft seven days a week?

**Yes, minus federal holidays.**

Year, make, model

**1945, Curtiss, C-46A**

Zip codes for both Florida and Delaware locations

**Florida: 32508 Delaware: 19902**

Value of aircraft

**Customer has no idea of the aircraft value.**

Do I need a bond or broker Mc to do this job are just my sub contractor?

**Not a question our customer can answer.**

Would you consider transportation via barge fully assembled as a transport option?

**Sure, as long as the aircraft is delivered to the museum.**
