Pavement Preservation Colorado

Check General or Technical

#	General	Technical	Question	Answer	Date
1	X		A Subcontracting Plan is listed on the Offer Submittal Checklist. Please clarify a Subcontracting Plan (starting on Page A-6a) will need to be completed at time of bid, or will it still be post bid?	See last paragraph on Page A-6.	11/8/2022
2		X	Please confirm coordinates for CURE staging area.	will be addressed under Amendment A002	12/1/2022
3		X	Please list route number to be used for staging equipment and material as listed in section 105.04(a)(2).	will be addressed under Amendment A002	12/1/2022
4		X	All potential staging areas in the Elk Creek area do not look large enough for equipment and material.	will be addressed under Amendment A002	12/1/2022
5		X	Prosecution and Progress 108.01 (f) Limit surface treatment work to two parks at any one time. What is the definition of surface treatment, micro surfacing and chip seal or is crack sealing and asphalt patching type I and II considered surface treatment?	will be addressed under Amendment A002	12/5/2022
6		X	Existing rumble strips in Mesa Verde: Is the intent of the contract to cut the rumble strips before or after the chip seal? Plans do not specify. FP-14 does not have a rumble strip section that I can locate, no special provision for rumble strips.	will be addressed under Amendment A002	12/5/2022
7	X		Is amendment A002 going to postpone the bid opening date?	The Government will not be extending the Bid Opening Date.	12/5/2022
8		X	Per 156.09 – Traffic Control Supervisor, will this item be paid for by each supervisor/day? For example if we are working in 2 separate parks on the same day will the contractor be paid for item A0620 for a quantity of 2 or 1 for that day?	will be addressed under Amendment A004	12/7/2022
