FAR 52.212-2 Addenda:

A. The Government seeks to award to the responsible offeror with whom provides a complete quote and conforms to the requirements of the solicitations herein. Unacceptable, unsatisfactory rated offerors will be ineligible for award. Offerors are cautioned to provide all information requested under the Addenda to FAR 52.212-1. Failure to provide a complete quote may result in an unacceptable determination and therefore ineligible for award.

B. Evaluation shall be conducted as follows:

**1. Completeness** – does the offer conform and provide all requirements outlined within the solicitation. This includes but is not limited to completing FAR 52.212-3 Representations and Certifications within the System for Award Management (SAM). Failure to provide and/or complete all requirements, may be grounds for an incomplete determination and render the offer ineligible for further consideration/evaluation.

**2. Factor 1: Price** – Offerors shall be sorted by price in ascending order from lowest priced to highest priced by the Total Evaluated Price (TEP).

2a. The TEP will be calculated based upon the responses within Attachment 1 Bid Schedule. The quantities will be multiplied by the unit price to confirm extended total amounts. The sum of all extended amounts will equate to the offeror's proposed price.

2b. In order to meet the requirements of FAR Parts 6 and 17, the Government will evaluate the option to extend services under FAR Clause 52.217-8 by adding one-half of the offeror's final option period prices to the offeror's total proposed price. Offerors are required only to price the base and option CLINs. Offerors shall NOT submit a price for the potential six-month extension of services period.

2c. The offeror's Total Evaluated Price (TEP) will include the base period, all option periods, and the potential six-month extension of the service period.

2d. The techniques and procedures described under FAR 13.106-3 will be the primary means of assessing offers' reasonableness.

**3. Factor 2: Past Performance** – The Government will evaluate past performance starting with the lowest priced offeror. The Government will review Attachment 3 Past Performance Worksheet in accordance with FAR 13.106-2(b)(3). In the event complete, acceptable offerors are unable to provide three (3) references, the missing references will be rated neutral as neither favorable nor unfavorable. For evaluation purposes, recent is defined as within three years from issuance of the solicitation. For evaluation purposes, relevant is defined as within the scope of work identified within Attachment 2.

Below is the scale for evaluation:

Rating	Factor
-	Neutral
3	Exceptional
2	Very Good
1	Satisfactory
0	Unsatisfactory

**4. Best Value Determination** – The Government will conduct an integrated assessment of the complete, acceptable offers to determine best value on a minimum of three (3) offerors from lowest to highest priced, unless fewer are received. As such, this may result in award to a higher priced, greater past performance rated offeror.

(b) Maximum order. The Contractor is not obligated to honor –

- (1) Any order for a single item in excess of **\$80,000.00**;
- (2) Any order for a combination of items in excess of **\$100,000.00**; or
