#### **FAR 52.212-2, Evaluation – Commercial Items (Oct 2014)**

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer is the **lowest-priced, technically acceptable**. This is an “all or none” requirement and will be awarded on one contract. Multiple contracts will not be issued. Vendors who do not quote the entire package requested will be considered non-responsive and their quote will not be evaluated.

#### **Technical Acceptable/Unacceptable Ratings---**

Acceptable: Offeror has provided all items listed in 52.212-1. Offeror’s quote clearly meets the requirement as stated in the solicitation and all attachments.

Unacceptable: Offeror has not provided all items listed in 52.212-1. Offeror’s quote does not meet the requirement as stated in the solicitation and all attachments.

(b) *Options*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer’s specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
