Q1. Proposal Submissions, #21 D. All signed amendments"- points to #9 which says "Any Offeror with active exclusion records will not be evaluated and will not be considered for contract award." Are there any amendments we need to sign and include in our proposal please? I do not see any on SAM.gov, but wanted to confirm.

A1. "#21 – D All Signed Amendments" is corrected to reference #12 via Amendment 0001. #12 states "Any amendments issued to this solicitation will be synopsized in the same manner as this solicitation. All offerors are advised to acknowledge all amendments issued to the solicitation with their proposal by signing and including one copy of the amendment with their proposal." Amendment 0001 should be signed and submitted with proposal.

Q2. DCAA FAO & DoDAAC- #19 - I just want to confirm all we need to include is the DCAA Field Audit Office address and the DOD Activity Address Code that correlate to our company? Does this information need to be on a specific form?

A2. Correct and no specific form required.
