---

**Rating Scale:**

***EXCELLENT:*** Superior performance. Objectives/requirements essentially always achieved or exceeded, with inconsequential exceptions.

***GOOD:*** Highly satisfactory performance. Objectives/requirements achieved with only rare exceptions, and the exceptions had minor consequences.

***ADEQUATE:*** Generally satisfactory performance. Objectives/requirements generally achieved with occasional exceptions, and, in most cases, the exceptions had minor consequences.

***MARGINAL:*** Occasionally unsatisfactory performance of significance. Objectives/requirements were not fully achieved, with significant consequences in some cases.

***POOR:*** Frequently unsatisfactory performance of significance. Objectives/requirements frequently not achieved, with significant consequences.

***UNKNOWN:*** Unable to rate, not observed, or not a significant aspect of performance.

---

9. **Questionnaire:** Please indicate the rating that best reflects your experience with this contractor and provide a short narrative addressing the basis for the ratings assigned. Address compliance with requirements, actual performance, problems encountered and problem resolution. Use additional sheets if necessary. **Excellent contract management, attention to Detail and Quality Assurance.**

A. Customer Satisfaction – Assess the contractor’s business-like concern for its customers, including such factors as dependability, flexibility, early problem identification, communication, and responsiveness.

Excellent	Good	Adequate	Marginal	Poor	Unknown

B. Schedule – Assess the contractor’s adherence to delivery commitments; responsiveness to requests for accelerations; and early identification and mitigation of schedule slippages.

Excellent	Good	Adequate	Marginal	Poor	Unknown

C. Technical Requirements – Assess the contractor’s performance in conforming to contract specifications:

Excellent	Good	Adequate	Marginal	Poor	Unknown

D. Technical Responsiveness – Assess the contractor’s ability to identify and resolve technical problems effectively and in a timely manner, including correction of faulty work and warranty claims:

Excellent	Good	Adequate	Marginal	Poor	Unknown

E. Overall Assessment: Provide your overall assessment.

Excellent	Good	Adequate	Marginal	Poor	Unknown
