SECTION B – SUPPLIES OR SERVICES AND PRICES/COSTS

B.1. PRICE SCHEDULE

CLINs	Item/Task Description	Lump Sum Price
0001	Contractor shall provide a firm-fixed-price for all labor, personnel, equipment, materials, tools, permits, insurance, supervision, transportation, and associated necessary and incidentals in order to perform Project PH23WR02H8, Whiteriver Administration Office Building (WRAOB) , in accordance with the attached specifications, drawings and other attachments.	\$ _____

NOTES:

As a reminder, all offerors are responsible for allowing for all applicable state, local and tribal (where applicable) taxes and fees within their bids and to perform their own due diligence in ascertaining them. The Contractor is responsible to pay all applicable taxes, or applicable requirements that may be incurred as a result of this project. Failure on the part of the successful Offeror not to include these fees or the appropriate impacts will not constitute a request for an equitable adjustment to the contract price.

B.2. Incidental Payment Items: The intent of the contract is to provide for the complete work of the project described in the contract. Unless otherwise provided, the contractor shall furnish all labor, materials, equipment, tools, transportation, and supplies, taxes and fees required to complete the project in accordance with the attached drawings, specifications, and provisions of the contract. Payment for contract work will be made for and under those pay items included in the Schedule of Items (which is one lump sum price for the contract). All other work and materials will be considered as incidental to and included in the payment for items shown.

B.3. SF1442, Block 24: Submit invoices in accordance with Section I, HHSAR 352.232-71, Electronic Submission of Payment Requests (Mar 2022) and Section G, G.4 through G.6.

B.4. Pricing Data Submission: In accordance with FAR 15.403-3(a)(ii), Requiring Data Other Than Certified Cost or Pricing Data, it may be requested that pricing data be submitted to show the breakdown of costs for the above CLIN. This may be requested so that the determination of a fair and reasonable price can be made by the Contracting Officer. For example, the price breakdown shall have the direct labor cost and the direct material cost broken out.

B.5. Wage Determination: Construction wages shall be paid for all applicable labor categories for each price schedule line item and shall be included in all pricing in accordance with FAR 52.222-6, Construction Wage Rate Requirements. The applicable Wage Determination is included in Section J, **Attachment J02**.

B.6. Taxes: Under Arizona State Legislature Title 42 Taxation Code, Chapter 5, Transaction Privilege And Affiliated Excise Taxes, Articles 2 “Transaction Privilege Classifications” and 4 “Use Tax,” The Department of Health and Human Services, Phoenix Area Indian Health Services is tax exempt under A.R.S. 42-5063(C)(3)(a), 42-5061(A)(25)(a), and 42-5159(A)(13)(a), (b), (c), State of Arizona Department of Revenue. (Reference **Attachment J04 - 2023 Exemption Letter for a Qualifying Hospital and J04a AZ Form 5000HC-TPT Healthcare Exemption Certificate**)

IMPORTANT INFORMATION:

Under no circumstances will any oral statements made be binding upon the Government unless such statements or agreements are issued in writing by the Contracting Officer.

Only a warranted Contracting Officer acting within their delegated limits has the authority to issue modifications or otherwise change the terms and conditions of this contract. If an individual other than the Contracting Officer attempts to make changes to the terms and conditions of this contract, you shall not proceed within the change and shall immediately notify the Contracting Officer.

SECTION C – DESCRIPTION/SPECIFICATIONS/STATEMENT OF WORK

Introduction/Background: The Whiteriver Indian Hospital (WIH) needs additional office space for its administrative and patient care support services staff. The Human Resources, Purchased/Referred Care, Diabetes Management, and Quality Management departments have increased in size over the years and have outgrown their current workplace. These departments were housed in five (5) existing modular office buildings are located on the proposed project site location, but the staff had to be relocated due to unsafe working conditions.

Purpose: This project is for the Contractor to construct a new single story, 14,557 square feet (sq. ft.) wood framed administration office building on the Whiteriver Indian Hospital campus in Whiteriver AZ. The scope of work encompasses structure demolition, earthwork, exterior improvements, site utilities, structural, architectural, interiors, furnishings, fire protection, plumbing, mechanical, electrical and telecommunication.

The WRAOB site is located east of the existing Dental Clinic building and southwest of the Main Hospital Facility building. The planned WRAOB is replacing five existing office trailers; four of which will be demolished, with the remaining trailer to be relocated south of the Dental Clinic.

LOCATION OF PROJECT: Whiteriver Indian Hospital
 200 West Hospital Drive
 Whiteriver, Arizona, 85941
 Refer to **Attachment J.01a – Location Maps**.

The Technical Specifications and Drawings applicable to Project No. PH23WR02H8, Whiteriver Administration Office Building are provided as attachments, **Section J – Attachments J01a through J01d**.

If discrepancies are found between the attached plans/specifications and codes or standards as referenced, the codes or standards shall govern, unless noted otherwise.

END OF SECTION

SECTION D – PACKAGING AND MARKING

D.1. PACKAGING AND MARKING

- (a) All shipments of materials, equipment and/or supplies to the project site shall be addressed to the Contractor and not the Indian Health Service. Preservation, packaging and packing shall be in accordance with industry standard packaging appropriate for the item(s) involved. The Indian Health Service is not responsible in any manner for deliveries intended for the project that are not generated by the Indian Health Service.
- (b) Equipment and materials provided by the Contractor shall be new and, where appropriate, shall arrive on-site sealed in original manufacturer's containers. The Government reserves the right to refuse any items deemed to not meet this requirement.

- (c) Material shall be stored in an enclosed and dry area protected from damage and soiling. The contractor shall coordinate a suitable storage area with the Facility Manager.

SECTION E – INSPECTION AND ACCEPTANCE

E.1. FAR 52.252-2 CLAUSES INCORPORATED BY REFERENCE (FEB 1998)

This contract incorporates one or more clauses by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. Also, the full text of a clause may be accessed electronically at this/these address(s):

<https://www.acquisition.gov/far/>

(End of clause)

FEDERAL ACQUISITION REGULATION (48 CFR CHAPTER 1)

Number	Title	Date
52.246-12	Inspection of Construction	Aug 1996

E.2. INSPECTION OF SITE

- (a) The Contractor shall be responsible for the complete coordination and proper relation of the work of all trades.
- (b) No allowances or extra construction on behalf of any Contractor will be permitted subsequently by reason of error or oversight on the part of any sub-contractor at any tier, or on account of interferences by the activities of the owner or others unless permissible in accordance with FAR 52.246-12, Inspection of Construction.
- (c) All dimensions shown on government provided drawings are based on “as-built” record drawings and, to the extent possible, accurately represent existing conditions; however, there may be some variance between existing conditions and contract drawings. The Contractor is responsible for verifying all dimensions and for reporting to the CO any discrepancies that may affect performance of the work represented by contract drawings and specifications.

E.3. INSPECTION AND ACCEPTANCE

All work under this contract is subject to inspection and final acceptance by the Contracting Officer or the duly authorized representative of the government. The Government’s Contracting Officer’s Representative (COR) is a duly authorized representative of the government and is responsible for inspection and acceptance of all items to be delivered under this contract.

The Government reserves the right to inspect all aspects of work performed, including hiring a third party inspector to verify proper installation and operation. Contractor is required to demonstrate full and complete operation of all work performed. Final acceptance will be based on an acceptable final inspection.

- (a) Substantial Completion Inspection
- (1) Substantial completion is the date when the work is sufficiently complete, in accordance with the contract documents, ready for beneficial occupancy or the designated portion thereof, for the use for which it is intended.
 - (2) The Government at this point will conduct an inspection for the development of punch list items in preparation for final inspection.

- (3) The substantial completion inspection should be **at least 15 days prior to the contractual completion date and the date of final inspection**. The Contractor is to notify the CO at least 10 days in advance to schedule the substantial completion inspection.
- (4) If at the time of the substantial completion inspection the Government finds that the Contractor will not have the project complete at the contract completion date, the CO will withhold 10% of any progress payment due the Contractor. These funds will be used to off-set any liquidated or actual damages assessed against the Contractor. Remaining funds will be released upon final inspection, and completion of the contract.

(b) Final Inspection

- (1) Final Inspection completion date is the date established in the contract when the project is to be fully complete and is ready to turn over to the Government. When the Contractor is ready for final inspection, he shall request so in writing to the Contracting Officer and his duly authorized representative (COR) at least 5 days prior to the desired date.
- (2) This includes final clean-up of the site, removal of all trailers, construction signs and debris removed, all punch list items resolved, Government's manuals turned over, all as built drawings completed and turned over to the Government.
- (3) All contract items, including any punch-list items, and final clean-up of the project site shall be totally complete on the day and at the time the final inspection is scheduled. Any discrepancies noted at the final inspection shall be corrected by the Contractor within the time specified by the Contracting Officer.
- (4) Failure on the part of the Contractor to have the project ready for final inspection may result in assessment of damages as specified in the contract.
- (5) Final inspection and acceptance of the work will be by the CO or an authorized representative appointed in writing.

FEDERAL ACQUISITION REGULATION (48 CFR CHAPTER 1)

Number	Title	Date
52.236-15	Schedules For Construction Contracts	Apr 1984
52.242-14	Suspension of Work	Apr 1984

CLAUSES INCORPORATED IN FULL TEXT

F.2. FAR 52.211-10 COMMENCEMENT, PROSECUTION AND COMPLETION OF WORK (APR 1984)

The Contractor shall be required to (a) commence work under this contract within **10** calendar days after the date the Contractor receives the notice to proceed, (b) prosecute the work diligently, and (c) complete the entire work ready for use not later than **335 calendar days after the date the contractor receives the notice to proceed**. The time stated for completion shall include final cleanup of the premises.

(End of clause)

F.3. EVALUATION OF CONTRACTOR PERFORMANCE

In accordance with FAR 36.201 and FAR 42.1502 (e), the Contractor's performance will be evaluated upon completion of this contract. Interim evaluations may be prepared at any time during contract performance when determined to be in the best interest of the Government.

- (a) Contractors will be sent an email notice to review and comment on the performance evaluations. **Contractor MUST be registered at the website Contractor Performance Assessment Reporting System in order to receive these evaluations. Contractor must register at <https://www.cpars.gov/index.htm>.** A contractor point of contact (POC), to receive notification of performance evaluations, shall be identified at time of award. The POC must maintain a current email address on file with the Contracting Officer.
- (b) Timely performance by the contractor is very important. Failure to perform the work diligently on this contract could result in a negative past performance rating that could affect a Contractor's competitiveness for an award of future contracts.

END OF SECTION

SECTION G – CONTRACT ADMINISTRATION DATA

G.1. CONTRACTING OFFICER

The Contracting Officer (CO) is the individual appointed with the authority to enter into, obligate funds, administer and make related determinations pertaining to the contract on behalf of the federal Government. The Contracting Officer must sign all contractual documents, including contract modifications, and approve payment requests. The Contracting Officer is the only individual authorized to make changes to the contract.

G.2. CONTRACTING OFFICER'S REPRESENTATIVE (COR)

- (a) Contracting Officer's Representatives (COR), may be appointed for the purpose of representing the Contracting Officer and assuring compliance with the contract requirements.
- (b) The COR does NOT have the authority to alter the Contractor's obligations under the contract; direct changes that fall within the purview of the "Changes" clause of the contract; or modify any of the terms, conditions, specifications, or cost of the contract.
- (c) The COR may approve minor field changes which do not affect the scope, period of performance and/or price of the contract. The COR is authorized to issue notices regarding noncompliance of contract requirements, and to stop work on any portion of the job if the Contractor's methods cause unsafe conditions or will result in noncompliant work which would be impracticable to correct or to replace while permitting other (conforming) portions of the work to continue. Issuance of a Notice

of Noncompliance as described herein does not constitute a suspension of work as described in FAR Clause 52.242-14, Suspension of Work (April 1984).

- (d) The COR is appointed in writing and the contractor will receive a copy of the appointment letter.

G.3. ADDRESS FOR CORRESPONDENCE

- (a) It is the intent of the Government to use electronic means as much as possible while administering this contract.
- (b) **Most correspondence should be sent via e-mail** directly to the CO and COR. Include the Contract Number on all correspondence. If sending documents via postal mail, include the Contract Number on all correspondence. Overnight Mail and U.S. Mail shall be sent to the CO, unless otherwise specified, at the following address:

Indian Health Service (IHS)/Phoenix Area OEHE
Attn: Kelly Britton
40 N. Central Avenue, Suite 720
Phoenix, AZ 85004-4424

G.4. PAYMENT PROCESS

- (a) FAR 52.232-5, Payments Under Fixed -Price Construction Contracts, requires that before the first progress payment under the contract is submitted, the contractor shall prepare a Schedule of Values including each principal category of the work which when added together equal the total contract price. A sample format is available from the Contracting Officer. The following is the detail required by the Contracting Officer:

(1) The principle categories of work shall be broken into line items of sufficient detail to allow meaningful measurement of the work on a monthly basis as determined by the COR. Units of measure appropriate to the type of work shall be used. "Lump sum" pricing of line items shall be avoided except where payment for that line item is to be requested based on 100% completion of that line item or where there is no other practical unit of measure.

(2) The cost of preparatory work (e.g., shop drawings or product submittals), field and home office overhead, profit, insurance, taxes, warranties, as-built drawings, etc., shall be pro-rated into items of physical work and not listed as separate line items. Cost of Performance and Payment Bonds may be listed as a single line item and not pro-rated. Also, cost of mobilization and demobilization relating to transportation or installation costs associated with such items as site trailers, heavy equipment, temporary batch plants, temporary on-site manufacturing and assembly facilities, temporary on-site quarter's facilities, temporary sanitation facilities, temporary utility connections, and/or temporary secured storage facilities may be listed as line items and not pro-rated. If mobilization is listed separately, a line item for demobilization must be listed separately. A detailed listing of the items included and the individual cost for each item shall be provided in support of proposed amounts for mobilization and demobilization.

- (b) Material stored on site may be included in earned progress if the Contractor furnishes satisfactory evidence that it has acquired title to such material and that the material will be used to perform in contract.
- (c) The following are instructions for submitting pay requests:
- (1) Requests are to be submitted with signature for the Contractor certification statement (scanned signature okay) to the Contracting Officer. Use of a format that complies with all of the requirements of the "Payments" clause of the contract is mandatory. The "Contractor Payment

Application” form will be provided at the Pre-Construction meeting.

(2) The Contractor is responsible for delivery of each request for payment **electronically using the Department of Treasury Invoice Processing Platform (IPP)** www.ipp.gov or successor system.

(3) If the contractor wishes to inquire concerning the status of any pay request, the contractor should contact the Contracting Officer.

(4) A completed Release of Claims that complies with the requirements of the “Payments” clause must be submitted with the request for final payment. A sample format is available from the Contracting Officer.

(d) The final payment request will be rejected and returned to the contractor if all items required under the contract have not been completed, submitted, approved, and accepted prior to the receipt of the request; e.g., deficient work items, as-built, payrolls, reports, O&M manuals, warranties, delivery of extra stock material, etc.

G.5. PAYMENT FOR MATERIALS STORED ON SITE

(a) This clause supplements, but does not replace, FAR 52.232-5 Payments Under Fixed-Price Construction Contracts, with regard to material payments.

(b) Consideration for payment under this contract for materials stored on site is subject to the following conditions:

(1) The contractor shall furnish the contracting officer a list of the major high-cost items to be incorporated into the contract and for which payment, prior to installation, will be requested. Those items approved by the contracting officer will be entered on the Schedule of Values, as a percentage factor, or factors if items are listed individually.

(2) Payment is limited to major high-cost items. Payment of major high-cost items does not include contractor overhead and profit. Costs such as sales tax, freight, handling, pallets, etc., are excluded.

(3) Payment requests shall be consistent with approved material submittals and shall be supported by the following documents:

(i) Certified paid vendor invoices

(ii) Inventory checklists, jointly validated by the contractor, contracting personnel, and/or construction inspector.

(iii) Accepted delivery tickets, if applicable.

(4) All material for which payment is requested shall be delivered to an approved location on-site, and certified that none will be removed without written permission of the contracting officer. Materials may also be stored in a bonded warehouse offsite if no adequate storage space is available on base.

(5) Payments will be made monthly, or at more frequent intervals as determined by the contracting officer.

(6) The contractor shall remain responsible and retain title to the materials until incorporated into the work.

G.6. INVOICE REQUIREMENTS

- (a) Invoices shall be prepared, submitted and paid in accordance with the following FAR clauses specified in Section I:
- (1) 52.232-5, Payments Under Fixed -Price Construction Contracts (May 2014)
 - (2) 52.232-27, Prompt Payment for Construction Contracts (Jan 2017)
 - (3) 52.232-33, Payment by Electronic Funds Transfer-- System for Award Management (Oct 2018)
 - (4) 52.232-40, Providing Accelerated Payments to Small Business Subcontractors (Mar 2023)
 - (5) HHSAR 352.232-71, Electronic Submission of Payment Requests (Mar 2022)
- (b) The Designated Billing Office for this contract is the same as the address for correspondence, sent to the attention of the CO. Invoices that have been verified as correct by the COR and shall be emailed to the CO, unless otherwise instructed by the CO. The signed payment invoice shall be sent via e-mail to the IHS Contracting Officer for validity prior to any submission in the IPP system.
- (c) Progress payments **WILL** be authorized for this project.
- (d) **The final invoice must be marked "Final" and be accompanied by a Release of Claims form**, which lists the final payment as outstanding, in the Remarks field. The Release of Claims form is available from the CO. Final payment will be made within 30 calendar days upon receipt of a properly executed invoice.
- (e) The contractor will contact the Contracting Officer with any payment issues or concerns.

Note: In accordance with FAR 52.232-40, Providing Accelerated Payments to Small Business Subcontractors (Mar 2023) -- Upon receipt of accelerated payments from the Government, the Contractor shall make accelerated payments to its small business subcontractors under this contract, to the maximum extent practicable and prior to when such payment is otherwise required under the applicable contract or subcontract, after receipt of a proper invoice and all other required documentation from the small business subcontractor. This applies to all small business subcontractors at all tier levels.

G.7. CERTIFICATION OF PAYMENTS - RELEASE OF CLAIM

The Contractor, when submitting final payment under this contract, shall submit to the Contracting Officer:

- (a) A certification that the Contractor has made payment from proceeds of prior payments, or that he will make timely payment from the proceeds of the progress or final payment then due him, to any subcontractors and suppliers in accordance with established contractual arrangements; and
- (b) A properly executed Contractor's Release. The Release of Claims form is available from the Contracting Officer. **Failure to submit this completed release will result in a delay of final payment.**

G.8. TIME EXTENSION FOR UNUSUALLY SEVERE WEATHER

This paragraph specifies the procedure for the determination of time extensions for unusually severe weather. In order for the Contracting Officer to award a time extension under this clause, the following conditions must be satisfied:

- (a) The weather experienced at the project site during the contract period must be found to be unusually severe, that is, more severe than the adverse weather anticipated for the project location during any given month.
- (b) The unusually severe weather must actually cause a delay to the completion of the project. The

delay must be beyond the control and without the fault or negligence of the contractor.

- (c) Weather delays will be based on National Oceanic and Atmospheric Administration (NOAA) or similar data for the project location and will constitute the base line for monthly weather time evaluations. The contractor's progress schedule must reflect consideration of these anticipated adverse weather delays in all-weather dependent activities.
- (d) Upon acknowledgment of the notice to proceed (NTP) and continuing throughout the contract, the contractor will record on the Contractor's Daily Report, the occurrence of adverse weather and resultant impact to normally scheduled work. Actual adverse weather delays must prevent work on critical activities for 50 percent or more of the contractor's scheduled workday.
- (e) The number of actual adverse weather delay days shall include days impacted by actual adverse weather (even if adverse weather occurred in previous month), be calculated chronologically from the first to the last day of each month, and be recorded as full days. If the number of actual adverse weather delay days exceeds the number of days anticipated in accordance with the criteria previously described above, the Contracting Officer will convert any qualifying delays to calendar days, giving full consideration for equivalent fair-weather work days, and issue a bilateral modification.

SECTION H – SPECIAL CONTRACT REQUIREMENTS

H.1. TRIBE REQUIREMENTS - WHITE MOUNTAIN APACHE TRIBE

- (a) Contractors are notified that this project will be performed on the **Fort Apache Indian Reservation**, home to the **White Mountain Apache Tribe of the Fort Apache Reservation**. Contractors are required to contact the Tribal Employment Rights Ordinance (TERO) Office upon receipt of notification of award. Compliance with the tribal employment ordinance is required prior to starting work on any project performed on Tribal Land including payment of associated TERO fees/permits. Utilization of Tribal individuals will be a requirement of hiring goals for a set craft or skill level.
- (b) The Contractor is responsible to pay all applicable tribe fees and/or taxes, or applicable requirements that may be incurred as a result of this project and must be included in the firm fixed price offered on the SF1442. **Failure to include applicable tribe fees and/or taxes in the firm fixed price shall not constitute grounds for an equitable adjustment after award.**
- (c) Contractor shall obtain a business license, permits (if required by the tribe) and pay the required fees to the appropriate office of **White Mountain Apache Tribe**. The general contractor and each subcontractor are required to obtain the business license on each project prior to starting work.

H.2. RESERVATION REGULATIONS

- (a) The Contractor, its employees and subcontractors shall become familiar with and obey the regulations of the applicable Indian Reservation including fire, traffic, safety and security regulations while on the Reservation or installation. Those individuals driving motor vehicles shall observe and obey all speed limits posted throughout the reservation. Personnel should not enter restricted areas

unless required to do so and only upon prior approval. All contractor employees and subcontractors shall carry proper personal identification with them at all times.

- (b) Contractor equipment shall be conspicuously marked for identification and parked or placed within approved areas only, out of the way of driveways, emergency access roads, and traffic.

H.3. WORK HOURS

The Whiteriver Indian Hospital's normal business hours are **7:00 AM – 5:00 PM**, Monday through Friday (excluding Federal holidays). Work at other times must be approved by the COR. Requests to work outside normal business hours shall be submitted in writing to the COR not less than **48 hours in advance** of the proposed modified schedule. This requirement is due to the need for security of patients, government personnel and property. There must be a 'responsible government agent' on site when any contractor is present on IHS property.

Note: Four (4) day work weeks will be considered upon written request and must be clearly identified in the project schedule.

H.4. FEDERAL HOLIDAYS

- (a) The Government only recognizes the following legal holidays established by federal statute:

New Year's Day	January 1
Birthday of Martin Luther King, Jr.	Third Monday in January
Washington's Birthday	Third Monday in February
Memorial Day	Last Monday in May
Juneteenth	June 19
Independence Day	July 4
Labor Day	First Monday in September
Columbus Day	Second Monday in October
Veteran's Day	November 11
Thanksgiving Day	Fourth Thursday in November
Christmas Day	December 25

- (b) Any of the legal holidays falling on Saturday will be observed on the preceding Friday; legal holidays falling on Sunday will be observed on the following Monday.
- (c) The contractor should not perform work on observed legal holidays unless authorized by the Contracting Officer. In the event work is authorized on observed legal holidays, the contractor shall pay all applicable overtime and/or holiday pay rates required by law.

H.5. SUBCONTRACTS

- (c) Nothing contained in the contract shall be construed as creating any contractual relationship between any subcontractor and the Government. The divisions or sections of the specifications are not intended to control the contractor in dividing the work among subcontractors, or to limit the work performed by any trade.
- (d) The contractor shall be responsible to the Government for acts and omissions of his own employees, and of subcontractors and their employees. He shall also be responsible for the coordination of the work of the trades, subcontractors, and suppliers.
- (e) The Government will not undertake to settle any differences between or among the contractor and his subcontractors or suppliers.

- (f) The contractor shall, without additional expense to the Government employ specialty subcontractors where required by the specifications. "Specialty Subcontractors," when specified as a requirement, means a subcontractor regularly engaged in the manufacture or installation of the contract items. The specialty subcontractor shall select and combine the materials involved, maintain and have available for the purpose, workmen skilled in the specified work. The specialty subcontractor shall be the manufacturer, be licensed by the manufacturer as an installer, or work under direct supervision of the manufacturer.
- (g) In accordance with FAR 52.222-11 Subcontracts (Labor Standards) within 14 days after award of the contract, the Contractor shall deliver to the Contracting Officer a completed Standard Form (SF) 1413, Statement and Acknowledgment, for each subcontract for construction within the United States, including the subcontractor's signed and dated acknowledgment that the clauses set forth in paragraph (b) of this clause have been included in the subcontract.
- (h) Within 14 days after the award of any subsequently awarded subcontract the Contractor shall deliver to the Contracting Officer an updated completed SF 1413 for such additional subcontract.

H.6. SUBCONTRACTING

- (a) The contractor shall be responsible for the management and performance of all subcontracts. The contractor shall ensure subcontractors are competent and capable of handling all assigned work. The contractor shall ensure contract is completed within the stated requirements.
- (b) In connection with the performance of work under this contract, the contractor shall not subcontract with any subcontractor who, at the time of subcontract award, is listed on the current GSA's Lists of Parties Excluded from Procurement and Non-procurement Programs, unless otherwise authorized by the Government in accordance with Subpart 9.4 of the Federal Acquisition Regulations. Reference FAR 52.209-6, Protecting the Government's Interest When Subcontracting with Contractors Debarred, Suspended, or Proposed for Debarment
- (c) The List of Parties Excluded from Procurement and Non-procurement Programs is available at <https://www.sam.gov>.
- (d) In the event of the contractor's noncompliance with the foregoing requirements, the Government may terminate this contract for default or take other appropriate action, including, but not limited to, requiring the contractor to terminate any such subcontract and substitute an eligible subcontractor in lieu thereof, at no increase in the contract price or time for performance.
- (e) The term "subcontractor," as used in this clause, shall mean the individual or firm with whom the contractor proposes to enter into a subcontract for manufacturing, fabricating, installing, or otherwise performing work under this contract.
- (f) The contractor shall include the provisions of paragraphs a., b., and d. of this clause in every subcontract hereunder.

H.7. INSURANCE

FAR 52.228-5, Insurance Work on a Government Installation, states that "The contractor shall, at its own expense, provide and maintain during the entire performance period of this contract, at least the kinds and minimum amounts of insurance required in the schedule or elsewhere in the contract." The following is the minimum insurance required by the Contracting Officer:

- (a) Workers' Compensation and Employer's Liability: Contractors are required to comply with applicable Federal and State workers' compensation and occupational disease statutes. If

occupational diseases are not compensable under those statutes, they shall be covered under the employer's liability section of the insurance policy, except when contract operations are so comingled with a contractor's commercial operations that it would not be practical to require this coverage. Employer's liability coverage of at least \$100,000 shall be required, except in states with exclusive or monopolistic funds that do not permit workers' compensation to be written by private carriers.

- (b) General Liability: Bodily injury liability insurance coverage written on the comprehensive form of a policy of at least \$500,000 per occurrence.
- (c) Automobile Liability: Automobile liability insurance written on the comprehensive form of policy. The policy shall provide for bodily injury and property damage liability covering the operation of all automobiles used in connection with performing the contract. Policies covering automobiles operated in the United States shall provide coverage of at least \$200,000 per person and \$500,000 per occurrence for bodily injury and \$20,000 per occurrence for property damage. The amount of liability coverage on other policies shall be commensurate with any legal requirements of the locality and sufficient to meet normal and customary claims.

H.8. KEY PERSONNEL

- (a) Certain experienced professional and/or technical personnel are essential for successful accomplishment of the work to be performed under this contract. Such personnel are defined as "Key Personnel" and are those persons whose resumes were submitted for evaluation of the proposal. The contractor agrees that such personnel shall not be removed from the contract work or replaced without compliance with the following:
 - (1) If one or more of the key personnel, for any reason, becomes or is expected to become unavailable for work under this contract for a continuous period exceeding 30 calendar days, or is expected to devote substantially less effort to the work than indicated in the proposal or initially anticipated, the contractor shall, subject to the concurrence of the Contracting Officer promptly replace personnel with personnel of equal or greater ability and qualifications.
 - (2) All requests for approval of substitutions hereunder must be in writing at least 15 calendar days prior to the substitution, circumstances permitting, and provide a detailed explanation of the circumstances necessitating the proposed substitutions. The request must contain a resume for the proposed substitute with equal to or greater qualifications, and any other information requested by the Contracting Officer. The Contracting Officer shall promptly notify the contractor of approval or disapproval in writing.
- (b) The following positions are identified as Key Personnel: (1) Project Manager, (2) Superintendent and the (3) Safety Officer.

H.9. PROJECT MANAGEMENT

- (a) Contractor shall meet with the COR and Facility Manager prior to beginning on-site work to discuss general security and operations requirements. Construction activities shall be coordinated with COR to ensure that there are no detrimental impacts on the day to day operations of the hospital or on patient safety.
- (b) The project shall be completed while Whiteriver Indian Hospital remains operational. Scheduling of work shall be in close cooperation with the COR. The Whiteriver Indian Hospital campus shall have

no unplanned functional disruptions resulting from the Contractor's planning and execution of project work and requirements.

- (c) The Main Hospital Building at Whiteriver Indian Hospital is open 24 hours a day, 7 days a week. The surrounding clinic buildings may have differing hours, and will be noted where applicable.
- (d) The Contractor shall work closely with COR and Facility Manager to schedule work, but any variances from the approved Project Schedule must be coordinated with the COR first and approved by the CO before becoming effective.

H.10. SUPERINTENDENT ON SITE

- (a) Reference FAR 52.236-6 Superintendence by the Contractor. The contractor will ensure that the Project Superintendent is on site at all times work is being performed by the contractor or subcontractor(s). They shall directly oversee all apprentice and subcontractor work. The Project Superintendent is also responsible to ensure all labor and safety requirements are complied with; and ensure that the worksite is cleaned up at the end of each work day.
- (b) All communications between the IHS and contractor concerning the day-to-day workmanship on the project will be handled through the Project Superintendent and they MUST have the authority to act on behalf of the Contractor in all contractual matters.

H.11. IDENTIFICATION OF CONTRACTOR EMPLOYEES

- (a) Identification (ID) Badges. The Contractor shall provide each employee that will be onsite with an ID badge on contract start date or on employment start date. The ID badge shall be made of non-metallic material. The badge shall be easily readable and include the employee's name, the Contractor's name, functional area of assignment, and a color photograph. The Contracting Officer or their designee shall approve the ID badge template before the contract start date.
- (b) Display of ID Badges. Contractor personnel shall wear the ID badge at all times when performing work under this contract onsite or to attend Government meetings and conferences related to the contract. Unless otherwise specified in the contract, each Contractor employee shall wear the ID badge in a conspicuous place on the front of exterior clothing and above the waist except when safety or health reasons prohibit such placement. Contractor visitor badges may be issued by the facility in addition to Contractor badges.
- (c) Utilizing Electronic Mail (e-mail). When prime Contractor or Subcontractor personnel send e-mail messages as part of contract performance or otherwise relating to contract matters, each sender shall include his/her name (both first and last names), e-mail address and the name of the individual's employer.

H.12 EMPLOYEE APPEARANCE

The Contractor shall ensure that all employees present a professional appearance that is appropriate for their position. The Contracting Officer reserves the right to determine the acceptability of any clothing worn.

H.13. REMOVAL OF PERSONNEL

The Contracting Officer may require the Contractor to remove from the job any employee who endanger persons or property; those who manufacture, distribute, dispense, possess or use controlled substances at the worksite (FAR 52.223-6, Drug-Free Workplace); and those whose continued employment under this contract is inconsistent with the interest of security or for any and all other reasons as determined by the Contracting Officer as objectionable.

H.14. PROJECT SCHEDULE

- (a) The Contractor shall develop a detailed project schedule in Microsoft Project or approved equal. The first draft of the schedule must be delivered to the CO and COR for review **no later than seven (7) calendar days prior to schedule pre-construction meeting**. A completed schedule must be submitted **within five (5) calendar days after work commences**, or agreed to date determined during the pre-construction meeting. Refer to FAR 52.236-15, Schedules for Construction Contracts.
- (b) The project schedule shall include key milestones of the project, including mobilization and demobilization dates, start and finish dates, phasing, tasks required per phase, planned outages, progress meetings, sequencing and demolition, tasks that include after-hours work, inspections, as well as proposed substantial completion inspection and final inspection dates, and closeout dates.
- (c) Phasing: To ensure such executions, Contractor shall submit to the COR and CO, for approval, a schedule of approximate phasing dates on which the Contractor intends to accomplish work in each specific area of site, building or portion thereof. In addition, Contractor shall notify the COR 7 days in advance of the proposed date of starting each phase (including any tie-ins). Arrange such phasing dates to ensure accomplishment of this work in successive phases is mutually agreeable between the Contractor, COR and Service Unit, as follows:
 - (1) Phase 1 Existing Modular Demolition and Removal – 30 calendar days
 - i. **Phase 1 shall commence immediately upon issuance of the Notice to Proceed.**
 - ii. Demolition and removal of existing HR, Training Center, PRC, and the Abandoned Units.
 - iii. Relocate existing QM building to permanent and final location.
 - (2) Phase 2 – New Administration Building - 305 calendar days.
- (d) Contractor shall provide a **3-week look ahead schedule each week**, once mobilized. The look ahead shall be sent to the CO and COR by noon each Monday (Tuesday if Monday is a Federal Holiday).
- (e) The Contractor shall actively maintain and update the schedule to be submitted with monthly pay requests, or as requested by the COR. The Contractor is responsible for ensuring that the schedule is current.
- (f) Progress payments will not be made without a current progress schedule. A copy of the most current project schedule shall be submitted with each progress payment/invoice request.
- (g) All work shall be completed within the period of performance identified in Section F. The period of performance includes time for submittal review period, long lead orders, demolition, construction, commissioning, substantial and final inspections, final acceptance, clean-up completion of close-out documents.
- (h) Reference **Attachment J01d – Specification Manual WRAOB, Section 013200 Construction Progress Documentation** for additional direction.

H.15. SCHEDULE OF VALUES (SOV)

Before any payment is made to the Contractor, including progress payments, the Contractor shall prepare and submit a SOV to the Contracting Officer for review and approval. The SOV shall include values of each principal category of the work, when added together, equal the total contract price. **Refer to G.4 Payment Process** for information required on the SOV.

H.16. SUBMITTALS

Reference Attachment J01b – Specification Manual WRAOB, Section 013300 - Submittal Procedures.

- (a) The Contractor shall be required to set up an account with an established company such as Submittal Exchange, ProCore or another similar cloud-based website service designed specifically for transmitting submittals between construction team members and overall management of documentation during the construction process. Specific category submittal requirements shall be as described in the project technical specification.
- (b) **Within 30 calendar days** after commencement of work or as otherwise established by the contracting officer, all materials and articles requiring approval, IAW 52.236-5, Material and Workmanship, shall be submitted by the Contractor using a transmittal sheet as approved by the COR. Government review comments will be returned within 14 calendar days after receipt of submittals. Contractor shall provide the following submittals AFTER AWARD:
- (1) Construction Project Schedule (FAR 52.236-15)
 - (2) Phasing Plans
 - (3) Schedule of Values
 - (4) List of Subcontractors/SF 1413
 - (5) Submittal Register/Log
 - (6) Contractor Key Personnel Contact Information
 - (7) Site Specific Safety and Accident Prevention Plan (FAR 52-236-13)
 - (8) Safety Data Sheets (SDS) for all products
 - (9) Shop drawings / product data / samples, highlighting specific part/model numbers proposed, along with all selected options (as applicable)
 - (10) Descriptive literature/catalogue cuts shall be annotated/highlighted with sufficient clarity so as to identify the products proposed for this project and show its conformance with contract requirements
 - (11) Results of all third-party testing - Within 7 days after testing performed
- (c) Contractor shall provide the following within seven (7) calendar days of project completion and prior to final walkthrough. Submit draft versions of these items electronically (PDF). Once reviewed and approved, provide deliverables in two (2) 3-ring binders with section dividers for each deliverable. Final deliverables shall be provided electronically via email, electronic drop box, or other approved means, in PDF form. Contractor shall provide the following PRIOR TO FINAL PAYMENT.
- (1) Operation and Maintenance (O&M) Manual - 2 hard copies and 1 digital (PDF)
 - (2) Warranty Certificates - 2 hard copies and 1 digital (PDF)

H.17. PRODUCT APPROVAL

FAR 52.236-5, Material and Workmanship, states "[w]hen required by this contract or by the Contracting Officer, the contractor shall also obtain the Contracting Officer's approval of the materials or articles which the contractor contemplates incorporating into the work. When requesting approval, the contractor shall provide full information concerning the material or articles. When directed to do so, the contractor shall submit samples for approval at the contractor's expense, with all shipping charges prepaid. Machinery, equipment, material, and articles that do not have the required approval shall be installed or used at the risk of subsequent rejection."

- (a) Approval of proposed materials or articles shall be only for the characteristics or use named in such approval and shall not be construed to change or modify any contract requirements, or relieve the Contractor from any contract requirement. Before submitting requests for product approval, the

Contractor shall assure himself that the materials or equipment will be available in the quantities required. No change or substitution of approved materials or articles will be permitted after a request has been approved.

- (b) Materials and equipment incorporated in the work shall match the approved materials or articles. If requested, approved samples, including those that may be damaged in testing, will be returned to the contractor, at his expense, upon completion of the contract. Samples not approved will also be returned at Contractor expense, if so requested.
- (c) Failure of any material to pass the specified tests will be sufficient cause for refusal to consider, under this contract, any further requests for approval of the same brand or make of that material. The Government reserves the right to disapprove any material or equipment that previously has proved unsatisfactory in service.
- (d) Deviations from the contract requirements shall be specifically pointed out in transmittal letters. Failure to point out deviations may result in subsequent rejection and removal of such work at no additional cost to the Government.
- (e) Samples of various materials or equipment delivered on the site or in place may be taken by the Contracting Officer for testing. Samples failing to meet contract requirements will automatically void previous approvals. The contractor shall replace such materials or equipment to meet contract requirements, or there shall be an adjustment of the contract price as determined by the Contracting Officer.
- (f) When tests are required, only one test of each sample proposed for use will be made at the expense of the Government. Samples which do not meet specification requirements will be rejected. Testing additional samples will be done by the Government at the expense of the contractor.
- (g) The contractor shall furnish additional certification on conformance to the specification requirements as may be requested by the Contracting Officer.

H.18. APPROVED EQUIVALENTS (OR EQUALS)

Contractor proposed equivalents shall be submitted for review after award as a Request for Information (RFI). Proposed equivalents will not be reviewed during the solicitation period.

H.19. PRECONSTRUCTION CONFERENCE

Reference FAR 52.236-26 Preconstruction Conference. The Contracting Officer (CO) will schedule and facilitate a Pre-Construction Meeting to be held after Notice of Award. This meeting will be held at the **Whiteriver Indian Hospital in Whiteriver, Arizona**. Maximum participation of the prime contractor and all subcontractors is expected. The CO may designate required attendance for sub-contractors.

H.20. PROGRESS MEETINGS

- (a) The Contractor shall schedule and administer monthly construction progress meetings throughout the contract performance period. Additional meetings may be held as required. The location of progress meetings will normally be on site; however, other locations may be approved by CO.
 - (1) The Contractor shall make arrangements for meetings, prepare agenda, and distribute notice of meetings to participants three (3) business days in advance of each progress meeting. Meeting agenda shall cover topics pertinent to continued progress and successful completion of the contract.
 - (2) The CO, or if not attending, the appointed COR will preside over progress meetings. The Contractor shall record meeting minutes and distribute copies within five (5)

calendar days after each meeting to participants, entities affected by meeting decisions, and the CO.

- (3) Attendance: Contractor, project superintendent, and subcontractors and suppliers as appropriate to agenda; the CO, COR, and other Government representatives may attend as appropriate.

Suggested topics include:

- (i) Review previous meeting minutes
- (ii) Review schedule and progress
Contractor shall be prepared to (1) discuss the work and any causes of work delay(s); (2) present a plan to bring the work back into conformance with the schedule; or, if necessary (3) to propose a revised work schedule.
- (iii) Review field observations, problems, and decisions
- (iv) Status of submittals / RFIs
- (v) Off-site fabrication and delivery schedules, if applicable
- (vi) Quality control
- (vii) Progress payments

H.21. CONTRACTOR DAILY REPORT

- (a) The Contractor shall prepare and file a "Contractor's Daily Report", for each scheduled work day of contract performance for this contract. The daily report should cover all work completed on the previous day.
- (b) The daily reports shall be delivered not later than **12:00 PM (noon) the following business day** via E-Mail **for all work completed on the previous day** to the Contracting Officer and the COR or other designated individuals identified by the Contracting Officer.
- (c) Each daily report shall include prime Contractor and sub-contractor, at any tier, personnel on the project site, all work performed, equipment used on site, tests performed, weather conditions and all general activities for each day of scheduled work.
- (d) Reports shall be chronologically numbered, dated and signed by the Contractor or the Project Manager. If no work was performed it must be noted on the daily report.
- (e) Failure to submit the daily reports could result in payments being withheld until such time as all daily reports are current. The daily report form may be provided to the contractor at the preconstruction conference. Alternatively, the Contracting Officer may approve use of the Contractor's Daily Report form.

H.22. INSTRUCTIONS FOR SUBMISSION OF PAYROLLS

- (a) One copy of all payrolls pertaining to the work (including payrolls of all subcontractors performing work on the job) shall be submitted weekly to the Contracting Officer through the Project Manager/COR by the prime contractor. Each such payroll must be accompanied by a fully executed Contractor's Weekly Payroll Statement, indicating that no deductions have been made from weekly wages of employees other than those authorized. The statements must be signed by person supervising payment. Contractor's Weekly Payroll Statement can be found on the U.S. Department of Labor Payroll Form WH 347).

- (b) The contract number and project number must be shown on each payroll.
- (c) Complete address, classification, straight time hours worked each day, total straight time hours worked in week, rate of pay, overtime hours worked each day, total overtime hours worked in week, overtime rate of pay, gross earnings, each deduction and net pay must be shown for each employee.
- (d) Employees must be classified within one of the classifications as shown on the Wage Rate Schedule of the contract. The exact classification, as shown on the Schedule which conforms to the work performed, must be shown on the payroll; that is, when a truck driver is shown, indicate type of vehicle listed in the Schedule under these headings; when a laborer is shown, indicate whether air tool operator, building, etc.; when a welder is shown, list the craft to which the welding is incidental; when an electrician is shown, list the type and zone. Whenever a foreman or superintendent is listed, show the class of workers he is supervising, such as electricians, plumbers, carpenters, etc., as his pay should be as much or more than those he supervises. Classifications not shown on Wage Rate Schedule contained in the contract will not be accepted. In those cases in which the contractor feels that the work performed by his employees will not conform to a craft shown in the Schedule, the problem shall be presented to the Contracting Officer.
- (e) All employees must be paid time and one-half their basic rate of pay for all hours worked in excess of 40 hours in any one week.
- (f) The prime contractor is responsible for the correct submission of his and subcontractor payrolls. The prime contractor must submit payrolls and/or statements for each week during the life of the contract. These weeks will begin with the weeks as listed on contract progress schedule. For any week in which no work is performed by the prime contractor, only the "CONTRACTOR'S WEEKLY PAYROLL STATEMENT" need be submitted. These payrolls and/or statements will be numbered consecutively. The prime contractor will list, on the face of his form, the names of all approved subcontractors and whether or not they worked during this period (week). If any of the subcontractors did work during the period, their payrolls and statements should accompany the prime contractor's payroll and/or statements. Each subcontractor needs to submit payrolls and statements only for those weeks in which he works, but these must be numbered consecutively.
- (g) All apprentices must be registered in a bona fide apprenticeship program, registered with a State Apprentice Agency recognized by the Federal Committee on Apprenticeship, U.S. Department of Labor. Evidence of such registration must be furnished the procurement office prior to or together with submission of payroll on which apprentice's name first appears. If an apprentice is employed on such contract, and is not a registered apprentice, the contractor will be required to pay journeyman rates of the craft for which the employee was shown as apprentice. Also, period of apprenticeship under which the employee is serving must be indicated on the payroll.

H.23. INSPECTIONS, TESTS, REPORTS AND TEST RESULTS

The required inspections, tests and reports made by the Contractor, subcontractors, specially trained technicians, equipment manufacturers and other as required, shall be at the Contractor's expense. Contractor shall submit all results of test required by the contract to the COR for review.

H.24. PERMITS AND CERTIFICATES

- (a) Contractor shall be responsible for obtaining all required construction permits and licensing, and paying all applicable fees as required, in accordance with FAR 52.236-7, Permits and Responsibilities.
- (b) Contractor shall submit a copy of all permits and certificates as required by the contract to the COR.

H.25. HOT WORK PERMIT

- (a) Hot work is defined as operations including, but not limited to, cutting, welding, thermal welding, brazing, soldering, grinding, thermal spraying, thawing pipes, or any similar situation. If such work is required, whenever possible, the contractor must notify the COR no less than fourteen day in advance of such work. The Whiteriver Indian Hospital Safety Officer will inspect the work area and issue a Hot Work Permit, authorizing the performance of such work.
- (b) All hot work will be performed in compliance with the medical center's policy regarding Hot Work Permits and NFPA 241 and NFPA 51B; and applicable OSHA Standards. A Hot Work Permit will only be issued to individuals familiar with these regulations.
- (c) A Hot Work Permit will be issued only for the period necessary to perform such work. A Hot Work Permit will apply only to the location identified on the permit. If additional areas involve hot work, then additional permits must be requested. All fire protection, detection and monitoring systems are to be returned to active status at the end of each work day. If this is not possible, the contractor will provide a continuous fire watch until the system(s) are reactivated.
- (d) Contractors will not be allowed to perform hot work processes without the appropriate permit.
- (e) Any work involving the medical center's fire protection system will require reasonable advance notification. Under no circumstance will the contractor or employee attempt to alter or tamper with the existing fire protection system.
- (f) The Whiteriver Indian Hospital Safety Officer shall be notified within 30 minutes of the completion of all hot work to perform an inspection of the area to confirm that sparks or drops of hot metal are not present.

H.26. DEMOLITION

- (a) Demolition or removal of project components shall not occur until replacement components are on site unless approved by the COR. All demolition shall be coordinated with the COR and Facility Manager to minimize the impact on the ongoing building operations.
- (b) Disposal of demo waste materials will become the property of the Contractor; transport, disposal of or recycle waste materials off-site and off Government property.
- (c) The water tight integrity of the building shall be preserved at all times. If the primary barrier is required to be broken to support construction, a temporary barrier shall be put in place until the primary barrier can be re-established.

H.27. WASTE

Contractor shall remove and dispose of excess materials, debris, or waste generated by this project at an approved off-site location in accordance with applicable Local, Tribal, State and Federal laws and regulations, and pay any related fees. Burning or burial of materials is not permitted. Contractor shall provide all required waste storage containers and coordinate their location on site with the COR or Facility Manager.

H.28. COORDINATION OF TRADES

- (a) The Contractor shall coordinate with all other trades, as well as with existing conditions, in advance of the work, including requirements for openings, recesses and chases in the walls, partitions, framing or openings and routing of piping, ductwork, conduit, etc. relative to each trade to alleviate conflicts.

- (b) The drawings are in part diagrammatic and show the general arrangement of ducts, piping, conduits, etc., of mechanical and electrical work. The contractor shall have the Project Superintendent coordinate all fieldwork and shop drawings of the various trades prior to installation and for submission of coordinated shop drawings for approval. Spaces shall be allotted to the various trades prior to the installation of the work. In spaces where all the various installations cannot be accommodated, the contractor shall, prior to fabrication or installation of work, notify the Contracting Officer and submit suggestions as to the solution. The contractor shall be responsible for the coordination of the various trades involving location and size of all sleeves, electric outlets, inserts, piping, shafts, conduits, hangers, ducts, and similar installations.

H.29. STANDARD REFERENCES

- (a) Any materials, equipment, or workmanship specified by reference to the number, symbol, or title of any specific standard shall comply with the latest edition or revision thereof, and any amendment or supplement thereto, in effect on the date of the solicitation, except as limited to type, class or grade, or modified in the specifications.
- (b) Standards referred to in the plans and specifications, except as modified, shall have full force and effect as though printed in the plans and specifications.
- (c) The contractor shall maintain on the site, a complete current set of manufacturers' and standards referenced from work under the contract.

H.30. PROTECTION OF WORK AND PROPERTY/SAFETY REQUIREMENTS

- (a) The Contractor shall have the ultimate responsibility for safety on the project site at all times until final completion and acceptance of the project.
- (b) The Contractor shall comply with all Occupational Safety and Health Administration (OSHA) regulations, as found in 29 CFR 1910 and 1926, which are applicable to the construction project, including requirements set forth within solicitation provisions and contract clauses. In addition to OSHA safety standards, the Contractor shall also adhere to all current local, federal, and state safety requirements. In the event where any safety standard referenced herein conflicts with another, the more stringent shall govern.
- (c) Contractor shall be responsible for complete and strict compliance with the Whiteriver Indian Hospital policies and permitting requirements including the safety, interim life safety, and infection control policies. These policies shall be made available to the Contractor at their request.
- (d) Contractor shall submit Safety Data Sheets (SDS) for all applicable products used on the project. Contractor shall maintain SDS binders on site at all times which shall include approved submittal prior to bringing material/product on-site.
- (e) Contractor shall maintain access to and from the building, allowing required egress and ingress by patients, visitors, and staff.

H.31. SAFETY AND ACCIDENT PREVENTION PLAN

Reference Attachment J01b – Specification Manual WRAOB, Section 013526 – Government Safety Requirements.

- (a) Contractor shall submit for approval a written site specific Safety and Accident Prevention Plan, prior to any site work commencing, explaining how they will comply with FAR 52-236-13. The plan shall include an analysis of the significant hazards to life, limb, and property inherent in contract work performance and a plan for controlling these hazards. Contractor shall designate in writing the

individual who is responsible for identifying and correcting safety hazards or violations on the job site. The plan shall also identify the 1) Superintendent contact information, 2) Emergency services contact information and 3) Location of emergency services.

- (b) One copy of the approved plan shall be provided to the CO and COR and one copy shall be maintained at the job site. In the event of changing site conditions or hazards, the plan shall be appended in writing and a copy of the change provided to the CO and COR.

H.32. ACCIDENT NOTIFICATION/REPORT

In the event of a job-related accident, the Contractor shall **immediately notify the CO and COR**, and shall prepare a detailed Report of Accident as prescribed by OSHA Regulations and forward the original and two copies to the Contracting Officer. The Contractor shall maintain an accident file for the life of the contract to include all accident reports. Any technical advice and assistance necessary in accident investigation and reporting may be requested from the respective Safety Office. Lost time injury is defined as "An injury resulting in a lost workday, not including the day of injury."

H.33. DEBRIS CONTROL AND PREVENTION/CONSTRUCTION

- (a) Contractor shall install protective measures to contain dust and debris during construction to assure a safe and irritant free environment for building occupants or as required by relevant policies and/or the COR. Contractor shall provide protection from dirt and dust, returning all areas to the original condition after work is complete. Damages caused by the Contractor, and/or Sub-Contractors are the responsibility of the Contractor.
- (b) Contractor shall provide temporary safety barriers, as necessary or required by relevant policies and/or the COR, to provide safety for workers, hospital staff and patients during construction.
 - (1) Contractor shall be responsible for ensuring safety of the public and their employees at all times during this contract in accordance with all applicable OSHA regulations.
 - (2) Contractor shall protect the work, the site, and all existing property and structures within the limit of construction activities or that may be affected thereby until acceptance of the work. Any damage to property shall be repaired at the Contractor's expense, to pre-damaged condition to the satisfaction of the COR.

H.34. MATERIALS AND EQUIPMENT

- (a) The material and equipment to be furnished under these contract documents shall be the standard products of manufacturers regularly engaged in the production of such materials and equipment and shall be the manufacturer's latest standard design.
- (b) All materials and equipment to be incorporated in the work shall be handled and stored by the manufacturer, fabricator, supplier and Contractor before, during and after shipment in a manner to prevent warping, twisting, breaking, chipping, rusting and any injury, theft or damage of any kind whatsoever to the materials and equipment. All materials and equipment furnished by Contractor shall be subject to inspection and approval by the CO or COR.
- (c) All materials shall be installed per manufacturer's instructions and all applicable codes, and good work practices.

H.35. MATERIALS ON SITE

Unless otherwise provided in the specifications or drawings, materials removed and not reused under the contract shall become the property of the contractor. The contractor shall remove the materials from the work site. Storage or sale of the materials on the site will not be permitted.

H.36. OPERATIONS AND STORAGE AREAS

- (a) Reference FAR 52.236-10 Operations and Storage Areas. Contractor staging and storage area location shall be coordinated with the Facility Manager. Construction materials shall be secured and stored in an enclosed and dry area protected from damage and soiling. Staging is limited in or near the construction area for a construction office or trailer. Construction equipment and material storage shall be located in the approved staging area.
- (b) Ground disturbance and site management will be carefully controlled to prevent undue damage to vegetation, soils, and resources and to minimize air, water, soil, and noise pollution. Contractor staging and storage area **shall be returned to pre-construction conditions prior to final inspection.**

H.37 AVAILABILITY AND USE OF UTILITY SERVICES

Reference FAR 52.236-14 Availability and Use of Utility Services. The Government anticipates that the proposed work will place a small demand on available utility services and therefore will not charge the Contractor for their use.

H.38. GENERAL PROVISIONS

- (a) TEMPORARY MATERIALS: Temporary materials may be new or used, but must be adequate in capacity for the required usage, must not create unsafe conditions, and must not violate requirements of applicable codes and standards.
- (b) SANITARY FACILITIES: Contractor shall provide and maintain temporary toilet facilities in accordance with State Health Department and IHS regulations. Enclosures shall be weatherproof, sight proof and of sturdy construction. Completely remove sanitary facilities on completion of work.
- (c) FIRE PROTECTION EQUIPMENT: Observe and enforce standards of fire prevention. No open fires shall be allowed.
- (d) VEHICLES AND EQUIPMENT: Contractor shall provide one fire extinguisher on each vehicle or piece of equipment. Extinguishers shall have a minimum UL rating of 2-A: 10-B: C. A capable and qualified person shall be placed in charge of fire protection. The responsibilities shall include locating and maintaining fire protective equipment and establishing and maintaining safe torch cutting and welding procedures.
- (e) HAZARD CONTROL: Contractor shall take all necessary precautions to prevent fire during construction. Do not store flammable or combustible liquids in existing structures. Provide adequate ventilation during use of volatile or noxious substances.
- (f) SIGNAGE: Contractor shall include all signage necessary to redirect patients, staff, and visitors. Interior signage shall include any signage necessary to ensure safety of staff and patients and to meet Interim Life Safety Measures. Exterior signage shall be included as necessary to redirect vehicles and pedestrians.
- (g) SMOKING: Smoking within Service Unit campus grounds, buildings or temporary storage sheds is prohibited. The use of tobacco is prohibited on all IHS operated properties, all interior and exterior spaces of IHS operated properties. Security personnel shall ask patients or visitors who refuse to comply with the policy to leave the property and shall document the incident.
- (h) WELDING: Cutting by torch or welding shall be performed only when adequate fire protection is provided and the welding quality and hot work plans have been approved by the Whiteriver Indian Hospital Safety Officer.

- (i) **WEATHER PROTECTION:** Inclement weather is expected, Contractor shall provide temporary protection, for areas where roofing, siding, windows, doors or other enclosing elements have been removed or have not been installed. Inspect protective coverings frequently to ensure that they are functioning properly.
- (j) **CONSTRUCTION ZONES:** Construction zones shall be fenced with COR approved construction barrier fencing, plastic or portable fencing, before any construction activity. The fencing shall define the construction zone and confine activity to the minimum area required for construction. All protection measures shall be clearly stated in the construction specifications, and workers will be instructed to avoid conducting activities beyond the construction zone as defined by the construction zone fencing.
- (k) **HOUSEKEEPING:** Contractor shall accomplish housekeeping on a daily basis.
- (l) **PROTECTION OF PUBLIC:** Barricade, or otherwise block off the immediate work area to prevent unauthorized entry. Erect and maintain barricades and warning signs.
- (m) **CONTRACTOR PARKING:** Contractor parking shall be limited to existing roads, in legally designated areas, and within approved staging area(s), location to be approved by the COR.

H.39. TRUCKING

- (a) All trucks, bringing to or removing from the site, earth, loose materials, or debris shall be loaded in a manner to prevent dropping of materials on streets.
- (b) At all points, where trucks leave the project site and enter adjacent paved streets, the contractor shall maintain an installation and crew to prevent any mud from being carried onto such adjacent paved streets.
- (c) Earth, loose materials, or debris deposited on the streets due to contract trucking activities shall be removed daily.

H.40. NEW WORK

Unless otherwise noted on drawings or specified, new work in extension of existing conditions shall correspond in all respects to similar existing conditions, in material, workmanship and finish.

H.41. EXISTING WORK

- (a) Work replaced shall match similar existing work. Structural members shall not be cut or altered, except as shown, without authorization of the Contracting Officer. Work remaining in place damaged or defaced during this contract shall be restored to the condition at time of award of contract.
- (b) Discolored or unfinished surfaces exposed by removal of existing work and indicated to be the final exposed surfaces shall be refinished or the material shall be replaced to be uniform and harmonious with contiguous work. Work out of alignment, where exposed by removal of existing work, shall be called to the Contracting Officer's attention.

H.42. AS BUILT DRAWINGS

The Contractor shall maintain during the progress of the work one (1) full-size set (24" x 36") of completed and up to date red-line drawings, which shall be available for inspection by the Government at any time. These drawings shall be marked up to record all changes in the work as they occur, and the exact location of all exposed and concealed pipe runs, valves, plugged outlets, cleanouts and other control points including, but not limited to, electrical conduits, and ducts, mechanical valves, shut-off

switches, etc., in such a manner as will provide a complete, accurate as built record. The location of pipes or control points concealed underground, under concrete, in chases or above hung ceilings shall be dimensioned. In-progress as-built documentation will be reviewed with each progress payment request as a required element. The completed set of as built paper reproducible drawings shall be delivered to the Contracting Officer, in a condition satisfactory to him/her. **As built shall be submitted for review/approval as a condition precedent to the request for final inspection of the work.**

H.43. EQUITABLE ADJUSTMENTS DUE TO CHANGES

(a) The Contractor shall submit a proposal for all changes in the work within fifteen (15) days from the effective date of the change order or request for proposal. With each proposal for a change involving an increase or decrease in the amount of the contract, the Contractor shall submit separately an itemized breakdown that will include, but not be limited to, the following:

- (1) Material quantities and unit price (Separated into trades)
- (2) Labor costs (separate into labor classifications and hourly rates)
- (3) Construction equipment
- (4) Workmen's compensation
- (5) Overhead
- (6) Profit
- (7) Employment taxes under FICA, FUTA and SUTA
- (8) Bond (Prime Contractor only)
- (9) Sales Tax
- (10) Direct Performance Time of Change
- (11) Impact on Schedule, if any
- (12) Impact Costs, if any

(b) In considering proposals for changes involving added work, omitted work, or any combination thereof, estimates will be checked in detail by the Contracting Officer, utilizing unit prices where specified or agreed upon, with the view of arriving at equitable adjustments.

(c) When the necessity to proceed with a change does not allow sufficient time to properly check a proposal, or because of failure to reach an agreement, the Contracting Officer may direct the Contractor to proceed immediately with the work.

(d) Proposals and breakdown should be submitted as promptly as possible but in no event later than thirty (30) days.

(e) Should a proposal cost exceed \$2,000,000 or is required for a lesser amount at the direction of the Contracting Officer for a change, certified cost or pricing data shall be submitted in a format which satisfies the requirements of FAR 15.4. When certified cost or pricing data are required, the Contractor shall submit an executed Certificate of Current Cost or Pricing Data (FAR 15.406-2) as soon as practicable after price agreement is reached.

(f) Allowable overhead, profit, and percentages are given below. These percentage shall be limited to three tiers only and shall be considered to include, but not limited to, all insurance other than FICA, FUTA, SUTA and Workmen's Compensation, field and office supervisors, assistants, and clerical personnel, use of small tools, incidental job burdens, and general office expense. Incidental job burdens include, but are not limited to, review and coordination, and estimating and expediting relative to contract changes that are associated with field and office supervision.

No percentages for overhead and profit shall be allowed on FICA, FUTA, or SUTA.

The percentages of overhead to be allowed by the Contracting Officer will be 10% for all contract changes performed by the Prime Contractor personnel and 5% for all contract change work performed by subcontract personnel.

The percentage for profit to be allowed by IHS will vary according to the nature, risk, extent, and complexity of work involved, but in no case shall exceed 10%. Percentages for overhead and profit will be as follows:

	Overhead	Profit
To subcontractors and/or to the Contractor for work performed with his own forces:	10%	1% - 10%
To subcontractors and/or to the Contractor on work performed by other than his own forces:	5%	1% - 5%

The percentage of profit is to be negotiated. The burden is on the Contractor to propose and justify to the Government the percentage of profit to be paid on each modification to the contract.

ON PROPOSALS INVOLVING BOTH INCREASES AND DECREASES IN THE AMOUNT OF THE CONTRACT, OVERHEAD AND PROFIT WILL BE ALLOWED ON THE NET INCREASES ONLY. ON NET DECREASES, CORRESPONDING OVERHEAD AND PROFIT WILL BE DEDUCTED.

Time Extension:

(g) When the Contractor submits a change proposal without including a corresponding Time Impact Analysis meeting the requirements of the pertinent Specification Section, the Contractor acknowledges that the particular change order, modifications, delay or contract request does not require an extension of the contract time (or milestone) and the Contractor shall not thereafter be entitled to request or receive any such extension(s).

Delay and Impact Costs:

Any proposal for delay and impact costs that is not submitted within fourteen (14) days after completion of the work identified in the change will not be considered. This requirement is in addition to the scheduling updates required for construction of the project. If there are circumstances which prevent the Contractor from ascertaining delay for impact during this time, a status update, including but not limited to a critical path analysis, shall be submitted within this time and at thirty (30) day intervals thereafter, explaining why the Contractor cannot yet know the extent of the impact. If this is not done, a claim for delay will not be considered unless special circumstances are shown. This requirement is necessary to enable the Government to respond to any claims for delay in light of conditions then current.

H.44. ORDER OF PRECEDENCE - REQUIREMENTS, SPECIFICATIONS, DRAWINGS

Resolve any inconsistencies in the Specifications of this solicitation and any resultant contract by giving precedence in the following order:

- (a) Section B – Schedule
- (b) Section I – Terms & Conditions
- (c) Section H – Special Contract Requirements
- (d) Section C – Statement of Work/Scope of Work
- (e) Drawings
 - (1) Drawings, figured dimensions over scaled dimensions

- (2) Drawings, large scale contract drawings over small scale contract drawings
- (3) Schedules on contract drawings over any conflicting notations on contract drawings.
- (4) Shop Drawings – (The term "Shop Drawings", includes drawings, diagrams, layouts, schematics, descriptive literature, illustrations, schedules, performance and test data, and similar materials furnished by the Contractor to explain in detail specific portions of the work required by the contract.)

H.45. CONTRACTOR LIABILITY FOR PERSONAL INJURY AND/OR PROPERTY DAMAGE

- (a) The Contractor assumes responsibility for all damage or injury to persons or property occasioned through the use, maintenance, and operation of the Contractor's vehicles or other equipment by, or the action of, the Contractor or the Contractor's employees and agents. The Contractor assumes responsibility for any and all damage and/or injury to persons or property resulting from any action of prime contractor and subcontractor employees (at any tier).
- (b) The Contractor, at the Contractor's expense, shall maintain adequate public liability and property damage insurance during the continuance of this contract, insuring the Contractor against all claims for injury or damage.
- (c) The Contractor shall maintain Workers' Compensation and other legally required insurance with respect to the Contractor's own employees and agents.
- (d) The Government shall in no event be liable or responsible for damage or injury to any person or property occasioned through the use, maintenance, or operation of any vehicle or other equipment by, or the action of, the Contractor or the Contractor's employees and agents in performing under this contract, and the Government shall be indemnified and held harmless against claims for damage or injury in such cases.

H.46. PHYSICAL BARRIER AND ACCESS CONTROL

- (a) Subject to prior submittal and approval of the IHS, the Contractor shall install or construct a physical barrier between the construction activity/work zone and ongoing hospital/clinic operations. The barrier shall be installed prior to the commencement of all other work and shall control the access of all Contractor personnel to the approved construction activity/work zone. The Contractor must further prohibit all Contractor personnel authorized to perform work under this contract from entering any area of the facility other than those areas where work is being performed and is cordoned off from facility operations. The barrier shall be removed upon completion of all work and as approved by the IHS.
- (b) Failure to adhere to this requirement may result in permanent removal of the Contractor employee found to be outside of the approved construction activity/work zone. Repeated failure to adhere to this requirement may result in termination of this contract for default in accordance with FAR 52.249-10.

H.47. CONTRACTOR EMPLOYEE SECURITY CLEARANCE RESPONSIBILITIES

- (a) The Contractor, at his discretion, is responsible for completing investigations and background checks for all employees, including sub-contractors and their employees that perform work under this contract on the job site. The contractor is responsible for any and all actions of prime contractor and sub-contractor employees (at any tier) permitted physical access to the job site during the performance of work under this contract. The contractor is responsible to ensure all employees' access is limited to authorized work zones.

(b) The Contractor's competent superintendent (See Section I.1, FAR 52.236-6) shall be required to pass an IHS background investigation and security clearance review. At least 10 days prior to work initiating the superintendent will be required to submit the following to the designated IHS Personnel Security Representative:

- Fingerprints (need to be favorably adjudicated)
- Background investigation submitted through e-QIP (requires completion of electronic questionnaire in e-QIP, resume, OF-306 form and the child care addendum form)
- 3 references

H.48. WARRANTY OF CONSTRUCTION

Reference FAR 52.246-21 Warranty of Construction. All warranties the Contractor receives from sub-contractors, manufacturers and suppliers shall be executed in writing for the benefit of the Government. The Contractor shall provide the Contracting Officer copies of all warranties obtained.

H.49. CLOSEOUT AND WARRANTY

Reference to Attachment J01b – Specification Manual WRAOB, Section 017700 - Closeout Procedures and Section 017836 - Warranties for closeout and warranty requirements.

(a) Operation and Maintenance (O&M) Manuals - 2 hard copies and 1 digital (PDF)

(5) Contractor shall submit all O&M Manuals (2 hard copies and 1 digital (PDF) to the COR prior to the final inspection. Submit draft versions of these items electronically (PDF). Once reviewed and approved, provide deliverables in one (1) three ring binder with section dividers for each deliverable. Final deliverables shall include a CD with all approved deliverables in electronic form (PDF).

- (i) The hard-copy manuals shall be delivered in a binder which includes the following:
- (ii) Table of contents
- (iii) Section dividers to separate each submittal and maintenance instructions for each piece of installed equipment
- (iv) All approved submittals and shop drawings
- (v) Manufacturer maintenance instructions for all installed equipment.

(b) Warranty Certificates - 2 hard copies and 1 digital (PDF)

Contractor shall provide the Warranty Certificates (2 hard copies and 1 digital (PDF) within 7 days following final inspection).

(c) Contractor shall provide the O&M Manuals and Warranty prior to submitting the FINAL Payment request.

(d) As-Built Drawings – 1 hard copy

H.50. REPORT OF ERROR AND DISCREPANCIES

(a) Contractors shall promptly notify the CO in writing of any discrepancies.

(b) Contractors shall be responsible for any and all discrepancies in work due to failure to obtain dimensions and investigate conditions at the building before fabrication and installation.

(c) Contractors shall bear all costs in replacing all materials and labor due to not observing the above and such replaced materials shall meet the approval of the CO.

- (d) Any proposed changes to the specifications by the Contractor must be submitted in writing to the CO for approval prior to implementation.

H.51. STANDARDS OF MANUFACTURE

- (a) All recognized regulatory/code standards shall be the latest published edition prior to the contract proposal issue date.
- (b) For purpose of establishing the standard of construction and the requirements to be met in the contract, the drawings and these specifications are based on the use of products hereinafter specified, adapted to the installation as required to meet the condition.
- (c) Where brand names are shown, these names are intended to describe a quality of product, and in no way are intended to limit products of equal quality. Therefore, products of other manufacturers may be employed for this work provided they are equivalent materials and construction and equally adaptable to the conditions as approved by the CO.

CLAUSES INCORPORATED IN FULL TEXT

I.3. FAR 52.222-35 EQUAL OPPORTUNITY VETERANS (JUN 2020)

(a) *Definitions.* As used in this clause-

"Active duty wartime or campaign badge veteran," "Armed Forces service medal veteran," "disabled veteran," "protected veteran," "qualified disabled veteran," and "recently separated veteran" have the meanings given at Federal Acquisition Regulation (FAR) [22.1301](#).

(b) Equal opportunity clause. The Contractor shall abide by the requirements of the equal opportunity clause at 41 CFR 60-300.5(a), as of March 24, 2014. This clause prohibits discrimination against qualified protected veterans, and requires affirmative action by the Contractor to employ and advance in employment qualified protected veterans.

(c) Subcontracts. The Contractor shall insert the terms of this clause in subcontracts valued at or above the threshold specified in FAR [22.1303](#)(a) on the date of subcontract award, unless exempted by rules, regulations, or orders of the Secretary of Labor. The Contractor shall act as specified by the Director, Office of Federal Contract Compliance Programs, to enforce the terms, including action for noncompliance. Such necessary changes in language may be made as shall be appropriate to identify properly the parties and their undertakings.

(End of Clause)

I.4. FAR 52.225-9 BUY AMERICAN-CONSTRUCTION MATERIALS (OCT 2022)

(a) *Definitions.* As used in this clause—

Commercially available off-the-shelf (COTS) item—

(1) Means any item of supply (including construction material) that is—

(i) A commercial product (as defined in paragraph (1) of the definition of “commercial product” at Federal Acquisition Regulation (FAR) [2.101](#));

(ii) Sold in substantial quantities in the commercial marketplace; and

(iii) Offered to the Government, under a contract or subcontract at any tier, without modification, in the same form in which it is sold in the commercial marketplace; and

(2) Does not include bulk cargo, as defined in 46 U.S.C. 40102(4), such as agricultural products and petroleum products.

"Construction material" means an article, material, or supply brought to the construction site by the Contractor or a subcontractor for incorporation into the building or work. The term also includes an item brought to the site preassembled from articles, materials, or supplies. However, emergency life safety systems, such as emergency lighting, fire alarm, and audio evacuation systems, that are discrete systems incorporated into a public building or work and that are produced as complete systems, are evaluated as a single and distinct construction material regardless of when or how the individual parts or components of those systems are delivered to the construction site. Materials purchased directly by the Government are supplies, not construction material.

Cost of components means—

(1) For components purchased by the Contractor, the acquisition cost, including transportation costs to the place of incorporation into the construction material (whether or not such costs are paid to a domestic firm), and any applicable duty (whether or not a duty-free entry certificate is issued); or

(2) For components manufactured by the Contractor, all costs associated with the manufacture of the component, including transportation costs as described in paragraph (1) of this definition, plus allocable overhead costs, but excluding profit. Cost of components does not include any costs associated with the manufacture of the construction material.

Critical component means a component that is mined, produced, or manufactured in the United States and deemed critical to the U.S. supply chain. The list of critical components is at FAR [25.105](#).

Critical item means a domestic construction material or domestic end product that is deemed critical to U.S. supply chain resiliency. The list of critical items is at FAR [25.105](#).

Domestic construction material means—

(1) For construction material that does not consist wholly or predominantly of iron or steel or a combination of both-

(i) An unmanufactured construction material mined or produced in the United States; or

(ii) A construction material manufactured in the United States, if-

(A) The cost of its components mined, produced, or manufactured in the United States exceeds 60 percent of the cost of all its components, except that the percentage will be 65 percent for items delivered in calendar years 2024 through 2028 and 75 percent for items delivered starting in calendar year 2029. Components of foreign origin of the same class or kind for which nonavailability determinations have been made are treated as domestic. Components of unknown origin are treated as foreign; or

(B) The construction material is a COTS item; or

(2) For construction material that consists wholly or predominantly of iron or steel or a combination of both, a construction material manufactured in the United States if the cost of foreign iron and steel constitutes less than 5 percent of the cost of all components used in such construction material. The cost of foreign iron and steel includes but is not limited to the cost of foreign iron or steel mill products (such as bar, billet, slab, wire, plate, or sheet), castings, or forgings utilized in the manufacture of the construction material and a good faith estimate of the cost of all foreign iron or steel components

excluding COTS fasteners. Iron or steel components of unknown origin are treated as foreign. If the construction material contains multiple components, the cost of all the materials used in such construction material is calculated in accordance with the definition of "cost of components".

Fastener means a hardware device that mechanically joins or affixes two or more objects together. Examples of fasteners are nuts, bolts, pins, rivets, nails, clips, and screws.

Foreign construction material means a construction material other than a domestic construction material.

Foreign iron and steel means iron or steel products not produced in the United States. Produced in the United States means that all manufacturing processes of the iron or steel must take place in the United States, from the initial melting stage through the application of coatings, except metallurgical processes involving refinement of steel additives. The origin of the elements of the iron or steel is not relevant to the determination of whether it is domestic or foreign.

Predominantly of iron or steel or a combination of both means that the cost of the iron and steel content exceeds 50 percent of the total cost of all its components. The cost of iron and steel is the cost of the iron or steel mill products (such as bar, billet, slab, wire, plate, or sheet), castings, or forgings utilized in the manufacture of the product and a good faith estimate of the cost of iron or steel components excluding COTS fasteners.

Steel means an alloy that includes at least 50 percent iron, between 0.02 and 2 percent carbon, and may include other elements.

"United States" means the 50 States, the District of Columbia, and outlying areas.

(b) Domestic preference.

(1) This clause implements [41 U.S.C. chapter 83](#), Buy American, by providing a preference for domestic construction material. In accordance with [41 U.S.C. 1907](#), the domestic content test of the Buy American statute is waived for construction material that is a COTS item, except that for construction material that consists wholly or predominantly of iron or steel or a combination of both, the domestic content test is applied only to the iron and steel content of the construction materials, excluding COTS fasteners. (See FAR [12.505\(a\)\(2\)](#)). The Contractor shall use only domestic construction material in performing this contract, except as provided in paragraphs (b)(2) and (b)(3) of this clause.

(2) This requirement does not apply to information technology that is a commercial product or to the construction materials or components listed by the Government as follows:

NONE

(3) The Contracting Officer may add other foreign construction material to the list in paragraph (b)(2) of this clause if the Government determines that-

(i) The cost of domestic construction material would be unreasonable.

(A) *For domestic construction material that is not a critical item or does not contain critical components.*

(1) The cost of a particular domestic construction material subject to the requirements of the Buy American statute is unreasonable when the cost of such material exceeds the cost of foreign material by more than 20 percent;

(2) For construction material that is not a COTS item and does not consist wholly or predominantly of iron or steel or a combination of both, if the cost of a particular domestic construction material is

determined to be unreasonable or there is no domestic offer received, and the low offer is for foreign construction material that is manufactured in the United States and does not exceed 55 percent domestic content, the Contracting Officer will treat the lowest offer of foreign construction material that exceeds 55 percent domestic content as a domestic offer and determine whether the cost of that offer is unreasonable by applying the evaluation factor listed in paragraph (b)(3)(i)(A)(1) of this clause.

(3)The procedures in paragraph (b)(3)(i)(A)(2) of this clause will no longer apply as of January 1, 2030.

(B) For domestic construction material that is a critical item or contains critical components.

(1)The cost of a particular domestic construction material that is a critical item or contains critical components, subject to the requirements of the Buy American statute, is unreasonable when the cost of such material exceeds the cost of foreign material by more than 20 percent plus the additional preference factor identified for the critical item or construction material containing critical components listed at FAR [25.105](#).

(2)For construction material that does not consist wholly or predominantly of iron or steel or a combination of both, if the cost of a particular domestic construction material is determined to be unreasonable or there is no domestic offer received, and the low offer is for foreign construction material that does not exceed 55 percent domestic content, the Contracting Officer will treat the lowest foreign offer of construction material that is manufactured in the United States and exceeds 55 percent domestic content as a domestic offer, and determine whether the cost of that offer is unreasonable by applying the evaluation factor listed in paragraph (b)(3)(i)(B)(1) of this clause.

(3)The procedures in paragraph (b)(3)(i)(B)(2) of this clause will no longer apply as of January 1, 2030.

(ii) The application of the restriction of the Buy American statute to a particular construction material would be impracticable or inconsistent with the public interest; or

(iii) The construction material is not mined, produced, or manufactured in the United States in sufficient and reasonably available commercial quantities of a satisfactory quality.

(c) Request for determination of inapplicability of the Buy American statute.

(1)

(i) Any Contractor request to use foreign construction material in accordance with paragraph (b)(3) of this clause shall include adequate information for Government evaluation of the request, including-

(A) A description of the foreign and domestic construction materials;

(B) Unit of measure;

(C) Quantity;

(D) Price;

(E) Time of delivery or availability;

(F) Location of the construction project;

(G) Name and address of the proposed supplier; and

(H) A detailed justification of the reason for use of foreign construction materials cited in accordance with paragraph (b)(3) of this clause.

(ii) A request based on unreasonable cost shall include a reasonable survey of the market and a completed price comparison table in the format in paragraph (d) of this clause.

(iii) The price of construction material shall include all delivery costs to the construction site and any applicable duty (whether or not a duty-free certificate may be issued).

(iv) Any Contractor request for a determination submitted after contract award shall explain why the Contractor could not reasonably foresee the need for such determination and could not have requested the determination before contract award. If the Contractor does not submit a satisfactory explanation, the Contracting Officer need not make a determination.

(2) If the Government determines after contract award that an exception to the Buy American statute applies and the Contracting Officer and the Contractor negotiate adequate consideration, the Contracting Officer will modify the contract to allow use of the foreign construction material. However, when the basis for the exception is the unreasonable price of a domestic construction material, adequate consideration is not less than the differential established in paragraph (b)(3)(i) of this clause.

(3) Unless the Government determines that an exception to the Buy American statute applies, use of foreign construction material is noncompliant with the Buy American statute.

(d) *Data*. To permit evaluation of requests under paragraph (c) of this clause based on unreasonable cost, the Contractor shall include the following information and any applicable supporting data based on the survey of suppliers:

Foreign and Domestic Construction Material Price Comparison

Construction Material Description	Unit of Measure	Quantity	Price (Dollars)*
Item 1:			
Foreign construction material	_____	_____	_____
Domestic construction material	_____	_____	_____
Item 2:			
Foreign construction material	_____	_____	_____
Domestic construction material	_____	_____	_____

[* Include all delivery costs to the construction site and any applicable duty (whether or not a duty-free entry certificate is issued)].

[List name, address, telephone number, and contact for suppliers surveyed. Attach copy of response; if oral, attach summary.]

[Include other applicable supporting information.]

(End of clause)

I.5. 52.225-11 BUY AMERICAN-CONSTRUCTION MATERIALS UNDER TRADE AGREEMENTS (DEC 2022)

(a) *Definitions.* As used in this clause—

Caribbean Basin country construction material means a construction material that—

- (1) Is wholly the growth, product, or manufacture of a Caribbean Basin country; or
- (2) In the case of a construction material that consists in whole or in part of materials from another country, has been substantially transformed in a Caribbean Basin country into a new and different construction material distinct from the materials from which it was transformed.

Commercially available off-the-shelf (COTS) item—

- (1) Means any item of supply (including construction material) that is—
 - (i) A commercial product (as defined in paragraph (1) of the definition of “commercial product” at Federal Acquisition Regulation (FAR) [2.101](#));
 - (ii) Sold in substantial quantities in the commercial marketplace; and
 - (iii) Offered to the Government, under a contract or subcontract at any tier, without modification, in the same form in which it is sold in the commercial marketplace; and
- (2) Does not include bulk cargo, as defined in [46 U.S.C.40102\(4\)](#), such as agricultural products and petroleum products.

Component means an article, material, or supply incorporated directly into a construction material.

Construction material means an article, material, or supply brought to the construction site by the Contractor or subcontractor for incorporation into the building or work. The term also includes an item brought to the site preassembled from articles, materials, or supplies. However, emergency life safety systems, such as emergency lighting, fire alarm, and audio evacuation systems, that are discrete systems incorporated into a public building or work and that are produced as complete systems, are evaluated as a single and distinct construction material regardless of when or how the individual parts or components of those systems are delivered to the construction site. Materials purchased directly by the Government are supplies, not construction material.

Cost of components means—

- (1) For components purchased by the Contractor, the acquisition cost, including transportation costs to the place of incorporation into the construction material (whether or not such costs are paid to a domestic firm), and any applicable duty (whether or not a duty-free entry certificate is issued); or
- (2) For components manufactured by the Contractor, all costs associated with the manufacture of the component, including transportation costs as described in paragraph (1) of this definition, plus allocable overhead costs, but excluding profit. Cost of components does not include any costs associated with the manufacture of the construction material.

Critical component means a component that is mined, produced, or manufactured in the United States and deemed critical to the U.S. supply chain. The list of critical components is at FAR [25.105](#).

Critical item means a domestic construction material or domestic end product that is deemed critical to U.S. supply chain resiliency. The list of critical items is at FAR [25.105](#).

Designated country means any of the following countries:

(1) A World Trade Organization Government Procurement Agreement (WTO GPA) country (Armenia, Aruba, Australia, Austria, Belgium, Bulgaria, Canada, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hong Kong, Hungary, Iceland, Ireland, Israel, Italy, Japan, Korea (Republic of), Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Moldova, Montenegro, Netherlands, New Zealand, Norway, Poland, Portugal, Romania, Singapore, Slovak Republic, Slovenia, Spain, Sweden, Switzerland, Taiwan, Ukraine, or United Kingdom);

(2) A Free Trade Agreement (FTA) country (Australia, Bahrain, Chile, Colombia, Costa Rica, Dominican Republic, El Salvador, Guatemala, Honduras, Korea (Republic of), Mexico, Morocco, Nicaragua, Oman, Panama, Peru, or Singapore);

(3) A least developed country (Afghanistan, Angola, Bangladesh, Benin, Bhutan, Burkina Faso, Burundi, Cambodia, Central African Republic, Chad, Comoros, Democratic Republic of Congo, Djibouti, Equatorial Guinea, Eritrea, Ethiopia, Gambia, Guinea, Guinea-Bissau, Haiti, Kiribati, Laos, Lesotho, Liberia, Madagascar, Malawi, Mali, Mauritania, Mozambique, Nepal, Niger, Rwanda, Samoa, Sao Tome and Principe, Senegal, Sierra Leone, Solomon Islands, Somalia, South Sudan, Tanzania, Timor-Leste, Togo, Tuvalu, Uganda, Vanuatu, Yemen, or Zambia); or

(4) A Caribbean Basin country (Antigua and Barbuda, Aruba, Bahamas, Barbados, Belize, Bonaire, British Virgin Islands, Curacao, Dominica, Grenada, Guyana, Haiti, Jamaica, Montserrat, Saba, St. Kitts and Nevis, St. Lucia, St. Vincent and the Grenadines, Sint Eustatius, Sint Maarten, or Trinidad and Tobago).

Designated country construction material means a construction material that is a WTO GPA country construction material, an FTA country construction material, a least developed country construction material, or a Caribbean Basin country construction material.

Domestic construction material means—

(1) For construction material that does not consist wholly or predominantly of iron or steel or a combination of both-

(i) An unmanufactured construction material mined or produced in the United States; or

(ii) A construction material manufactured in the United States, if—

(A) The cost of its components mined, produced, or manufactured in the United States exceeds 60 percent of the cost of all its components, except that the percentage will be 65 percent for items delivered in calendar years 2024 through 2028 and 75 percent for items delivered starting in calendar year 2029.

(B) The construction material is a COTS item; or

(2) For construction material that consists wholly or predominantly of iron or steel or a combination of both, a construction material manufactured in the United States if the cost of foreign iron and steel constitutes less than 5 percent of the cost of all components used in such construction material. The cost of foreign iron and steel includes but is not limited to the cost of foreign iron or steel mill products (such as bar, billet, slab, wire, plate, or sheet), castings, or forgings utilized in the manufacture of the construction material and a good faith estimate of the cost of all foreign iron or steel components excluding COTS fasteners. Iron or steel components of unknown origin are treated as foreign. If the construction material contains multiple components, the cost of all the materials used in such construction material is calculated in accordance with the definition of "cost of components".

Fastener means a hardware device that mechanically joins or affixes two or more objects together. Examples of fasteners are nuts, bolts, pins, rivets, nails, clips, and screws.

Foreign construction material means a construction material other than a domestic construction material.

Foreign iron and steel means iron or steel products not produced in the United States. Produced in the United States means that all manufacturing processes of the iron or steel must take place in the United States, from the initial melting stage through the application of coatings, except metallurgical processes involving refinement of steel additives. The origin of the elements of the iron or steel is not relevant to the determination of whether it is domestic or foreign.

Free Trade Agreement country construction material means a construction material that-

- (1) Is wholly the growth, product, or manufacture of a Free Trade Agreement (FTA) country; or
- (2) In the case of a construction material that consists in whole or in part of materials from another country, has been substantially transformed in a FTA country into a new and different construction material distinct from the materials from which it was transformed.

Least developed country construction material means a construction material that-

- (1) Is wholly the growth, product, or manufacture of a least developed country; or
- (2) In the case of a construction material that consists in whole or in part of materials from another country, has been substantially transformed in a least developed country into a new and different construction material distinct from the materials from which it was transformed.

Predominantly of iron or steel or a combination of both means that the cost of the iron and steel content exceeds 50 percent of the total cost of all its components. The cost of iron and steel is the cost of the iron or steel mill products (such as bar, billet, slab, wire, plate, or sheet), castings, or forgings utilized in the manufacture of the product and a good faith estimate of the cost of iron or steel components excluding COTS fasteners.

Steel means an alloy that includes at least 50 percent iron, between 0.02 and 2 percent carbon, and may include other elements.

United States means the 50 States, the District of Columbia, and outlying areas.

WTO GPA country construction material means a construction material that-

- (1) Is wholly the growth, product, or manufacture of a WTO GPA country; or
- (2) In the case of a construction material that consists in whole or in part of materials from another country, has been substantially transformed in a WTO GPA country into a new and different construction material distinct from the materials from which it was transformed.

(b) Construction materials.

(1) This clause implements [41 U.S.C. chapter 83](#), Buy American, by providing a preference for domestic construction material. In accordance with [41 U.S.C.1907](#), the domestic content test of the Buy American statute is waived for construction material that is a COTS item, except that for construction material that consists wholly or predominantly of iron or steel or a combination of both, the domestic content test is applied only to the iron and steel content of the construction material, excluding COTS fasteners. (See FAR [12.505\(a\)\(2\)](#)). In addition, the Contracting Officer has determined that the WTO GPA and Free Trade Agreements (FTAs) apply to this acquisition. Therefore, the Buy American restrictions are waived for designated country construction materials.

(2) The Contractor shall use only domestic or designated country construction material in performing this contract, except as provided in paragraphs (b)(3) and (b)(4) of this clause.

(3) The requirement in paragraph (b)(2) of this clause does not apply to information technology that is a commercial product or to the construction materials or components listed by the Government as follows:

NONE

(4) The Contracting Officer may add other foreign construction material to the list in paragraph (b)(3) of this clause if the Government determines that-

(i) The cost of domestic construction material would be unreasonable.

(A) *For domestic construction material that is not a critical item or does not contain critical components.*

(1) The cost of a particular domestic construction material subject to the restrictions of the Buy American statute is unreasonable when the cost of such material exceeds the cost of foreign material by more than 20 percent;

(2) For construction material that is not a COTS item and does not consist wholly or predominantly of iron or steel or a combination of both, if the cost of a particular domestic construction material is determined to be unreasonable or there is no domestic offer received, and the low offer is for foreign construction material that does not exceed 55 percent domestic content, the Contracting Officer will treat the lowest offer of foreign construction material that is manufactured in the United States and exceeds 55 percent domestic content as a domestic offer and determine whether the cost of that offer is unreasonable by applying the evaluation factor listed in paragraph (b)(4)(i)(A)(1) of this clause.

(3) The procedures in paragraph (b)(4)(i)(A)(2) of this clause will no longer apply as of January 1, 2030.

(B) *For domestic construction material that is a critical item or contains critical components.*

(1) The cost of a particular domestic construction material that is a critical item or contains critical components, subject to the requirements of the Buy American statute, is unreasonable when the cost of such material exceeds the cost of foreign material by more than 20 percent plus the additional preference factor identified for the critical item or construction material containing critical components listed at FAR [25.105](#).

(2) For construction material that does not consist wholly or predominantly of iron or steel or a combination of both, if the cost of a particular domestic construction material is determined to be unreasonable or there is no domestic offer received, and the low offer is for foreign construction material that does not exceed 55 percent domestic content, the Contracting Officer will treat the lowest offer of foreign construction material that is manufactured in the United States and exceeds 55 percent domestic content as a domestic offer, and determine whether the cost of that offer is unreasonable by applying the evaluation factor listed in paragraph (b)(4)(i)(B)(1) of this clause.

(3) The procedures in paragraph (b)(4)(i)(B)(2) of this clause will no longer apply as of January 1, 2030.

(ii) The application of the restriction of the Buy American Act to a particular construction material would be impracticable or inconsistent with the public interest; or

(iii) The construction material is not mined, produced, or manufactured in the United States in sufficient and reasonably available commercial quantities of a satisfactory quality.

(c) Request for determination of inapplicability of the Buy American statute.

(1)

(i) Any Contractor request to use foreign construction material in accordance with paragraph (b)(4) of this clause shall include adequate information for Government evaluation of the request, including-

(A) A description of the foreign and domestic construction materials;

(B) Unit of measure;

(C) Quantity;

(D) Price;

(E) Time of delivery or availability;

(F) Location of the construction project;

(G) Name and address of the proposed supplier; and

(H) A detailed justification of the reason for use of foreign construction materials cited in accordance with paragraph (b)(3) of this clause.

(ii) A request based on unreasonable cost shall include a reasonable survey of the market and a completed price comparison table in the format in paragraph (d) of this clause.

(iii) The price of construction material shall include all delivery costs to the construction site and any applicable duty (whether or not a duty-free certificate may be issued).

(iv) Any Contractor request for a determination submitted after contract award shall explain why the Contractor could not reasonably foresee the need for such determination and could not have requested the determination before contract award. If the Contractor does not submit a satisfactory explanation, the Contracting Officer need not make a determination.

(2) If the Government determines after contract award that an exception to the Buy American statute applies and the Contracting Officer and the Contractor negotiate adequate consideration, the Contracting Officer will modify the contract to allow use of the foreign construction material. However, when the basis for the exception is the unreasonable price of a domestic construction material, adequate consideration is not less than the differential established in paragraph (b)(4)(i) of this clause.

(3) Unless the Government determines that an exception to the Buy American statute applies, use of foreign construction material is noncompliant with the Buy American statute.

(d) *Data*. To permit evaluation of requests under paragraph (c) of this clause based on unreasonable cost, the Contractor shall include the following information and any applicable supporting data based on the survey of suppliers:

Foreign and Domestic Construction Material Price Comparison

Construction Material Description	Unit of Measure	Quantity	Price (Dollars)*
-----------------------------------	-----------------	----------	------------------

Item 1:

Foreign construction material	_____	_____	_____
Domestic construction material	_____	_____	_____

Item 2:

Foreign construction material	_____	_____	_____
Domestic construction material	_____	_____	_____

[* Include all delivery costs to the construction site and any applicable duty (whether or not a duty-free entry certificate is issued)].

[List name, address, telephone number, and contact for suppliers surveyed. Attach copy of response; if oral, attach summary.]

[Include other applicable supporting information.]

(End of clause)

I.6. HHSAR 352.226-1 INDIAN PREFERENCE (DEC 2015)

(a) The Contractor agrees to give preference in employment opportunities under this contract to Indians who can perform required work, regardless of age (subject to existing laws and regulations), sex, religion, or tribal affiliation. To the extent feasible and consistent with the efficient performance of this contract, the Contractor further agrees to give preference in employment and training opportunities under this contract to Indians who are not fully qualified to perform regardless of age (subject to existing laws and regulations), sex, religion, or tribal affiliation. The Contractor also agrees to give preference to Indian organizations and Indian-owned economic enterprises in the awarding of any subcontracts to the extent feasible and consistent with the efficient performance of this contract. The Contractor shall maintain the necessary statistical records to demonstrate compliance with this paragraph.

(b) In connection with the Indian employment preference requirements of this clause, the Contractor shall provide reasonable opportunities for training, incident to such employment. Such training shall include on-the-job, classroom, or apprenticeship training designed to increase the vocational effectiveness of an Indian employee.

(c) If the Contractor is unable to fill its employment and training opportunities after giving full consideration to Indians as required by this clause, the Contractor may satisfy those needs by selecting non-Indian persons in accordance with the clause of this contract entitled "Equal Opportunity."

(d) If no Indian organizations or Indian-owned economic enterprises are available under reasonable terms and conditions, including price, for awarding of subcontracts in connection with the work performed under this contract, the Contractor agrees to comply with the provisions of this contract involving utilization of small businesses; HUBZone small businesses; service-disabled, veteran-owned small businesses; 8(a) small businesses; veteran-owned small businesses; women-owned small businesses; or small disadvantaged businesses.

(e) As used in this clause,

(1) *Indian* means a person who is a member of an Indian tribe. If the Contractor has reason to doubt that a person seeking employment preference is an Indian, the Contractor shall grant the preference but shall require the individual provide evidence within 30 days from the tribe concerned that the person is a member of the tribe.

(2) *Indian tribe* means an Indian tribe, pueblo, band, nation, or other organized group or community, including Alaska Native village or regional or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act (85 Stat. 688; 43 U.S.C. 1601) which the United States recognizes as eligible for the special programs and services provided to Indians because of its status as Indians.

(3) *Indian organization* means the governing body of any Indian Tribe or entity established or recognized by such governing body in accordance with the Indian Financing Act of 1974 (88 Stat. 77; 25 U.S.C. 1451).

(4) *Indian-owned economic enterprise* means any Indian-owned commercial, industrial, or business activity established or organized for the purpose of profit, provided that such Indian ownership shall constitute not less than 51 percent of the enterprise, and that ownership shall encompass active operation and control of the enterprise.

(f) The Contractor agrees to include the provisions of this clause, including this paragraph (f) of this clause, in each subcontract awarded at any tier under this contract.

(g) In the event of noncompliance with this clause, the Contracting Officer may terminate the contract in whole or in part or may pursue any other remedies authorized by law or by other provisions of the contract.

(End of clause)

I.7. HHSAR 352.226-2 INDIAN PREFERENCE PROGRAM (DEC 2015)

(a) In addition to the requirements of the clause of this contract entitled "Indian Preference," the Contractor agrees to establish and conduct an Indian preference program which will expand opportunities for Indians to receive preference for employment and training in connection with the work performed under this contract, and which will expand the opportunities for Indian organizations and Indian-owned economic enterprises to receive a preference in the awarding of subcontracts. In this connection, the Contractor shall perform the following:

(1) Designate a liaison officer who will maintain liaison with the Government and the Tribe(s) on Indian preference matters; supervise compliance with the provisions of this clause; and administer the Contractor's Indian preference program.

(2) Advise its recruitment sources in writing and include a statement in all employment advertisements that Indian applicants receive preference in employment and training incident to such employment.

(3) Not more than 20 calendar days after award of the contract, post a written notice setting forth the Contractor's employment needs and related training opportunities in the tribal office of any reservations on or near the contract work location. The notice shall include the approximate numbers and types of employees needed; the approximate dates of employment; any experience or special skills required for employment; training opportunities available; and other pertinent information necessary to advise prospective employees of any other employment requirements. The Contractor shall also request the tribe(s) on or near whose reservation(s) the Contractor will perform contract work to provide assistance filling its employment needs and training opportunities. The Contracting Officer will advise the Contractor of the name, location, and phone number of the Tribal officials to contact regarding the posting of notices and requests for Tribal assistance.

(4) Establish and conduct a subcontracting program which gives preference to Indian organizations and Indian-owned economic enterprises as subcontractors (including suppliers) under this

contract. The Contractor shall give public notice of existing subcontracting opportunities and, to the extent feasible and consistent with the efficient performance of this contract, shall solicit bids or proposals from Indian organizations or Indian-owned economic enterprises only. The Contractor shall request assistance and information on Indian firms qualified as subcontractors (including suppliers) from the Tribe(s) on or near whose reservation(s) the Contractor will perform contract work. The Contracting Officer will advise the Contractor of the name, location, and phone number of the Tribal officials to contact regarding the request for assistance and information. Public notices and solicitations for existing subcontracting opportunities shall provide an equitable opportunity for Indian firms to submit bids or proposals by including -

- (i) A clear description of the supplies or services required, including quantities, specifications, and delivery schedules that facilitate the participation of Indian firms;
- (ii) A statement indicating that Indian organizations and Indian-owned economic enterprises will receive preference in accordance with section 7(b) of Public Law 93-638; 88 Stat. 2205; 25 U.S.C. 450e(b);
- (iii) Definitions for the terms "Indian organization" and "Indian-owned economic enterprise" prescribed under the "Indian Preference" clause of this contract;
- (iv) A statement that the bidder or offeror shall complete certifying that it is an Indian organization or Indian-owned economic enterprise; and
- (v) A closing date for receipt of bids or proposals which provides sufficient time for preparation and submission of a bid or proposal. If, after soliciting bids or proposals from Indian organizations and Indian-owned economic enterprises, the Contractor receives no responsive bid or acceptable proposal, the Contractor shall comply with the requirements of paragraph (d) of the "Indian Preference" clause of this contract. If the Contractor receives one or more responsive bids or conforming proposals, the Contractor shall award the contract to the low, responsive, responsible bidder or conforming offer from a responsible offeror if the price is reasonable. If the Contractor determines the low responsive bid or conforming proposal's price is unreasonable, the Contractor shall attempt to negotiate a reasonable price and award a subcontract. If parties cannot agree on a reasonable price, the Contractor shall comply with the requirements of paragraph (d) of the "Indian Preference" clause of this contract.

(5) Maintain written records under this contract which demonstrate -

- (i) The numbers of Indians seeking employment for each employment position available under this contract;
- (ii) The number and types of positions filled by Indians and non-Indians;
- (iii) The total number of Indians employed under this contract;
- (iv) For those positions having both Indian and non-Indian applicants, and a non-Indian is selected for employment, the reason(s) why the Contractor did not select the Indian applicant;
- (v) Actions taken to give preference to Indian organizations and Indian-owned economic enterprises for subcontracting opportunities which exist under this contract;
- (vi) Reasons why Indian subcontractors and or suppliers did not receive preference for each requirement where the Contractor determined that such preference was inconsistent with efficient contract performance; and

(vii) The number of Indian organizations and Indian-owned economic enterprises contacted, and the number receiving subcontract awards under this contract.

(6) Submit to the Contracting Officer for approval a quarterly report summarizing the Contractor's Indian preference program and indicating the number and types of available positions filled by Indians and non-Indians, and the dollar amounts of all subcontracts awarded to Indian organizations and Indian-owned economic enterprises, and to all other firms.

(7) Maintain records pursuant to this clause and keep them available for review by the Government for one year after final payment under this contract, or for such longer period in accordance with requirements of any other clause of this contract or by applicable law or regulation.

(b) For purposes of this clause, the following definitions of terms shall apply:

(1) The terms *Indian*, *Indian tribe*, *Indian organization*, and *Indian-owned economic enterprise* are defined in the clause of this contract entitled *Indian Preference*.

(2) *Indian reservation* includes Indian reservations, public domain Indian allotments, former Indian reservations in Oklahoma, and land held by incorporated Native groups, regional corporations, and village corporations under the provisions of the Alaska Native Claims Settlement Act (85 Stat. 688; 43 U.S.C. 1601 *et seq.*)

(3) *On or near an Indian reservation* means on a reservation or reservations or within that area surrounding an Indian reservation(s) where a person seeking employment could reasonably expect to commute to and from in the course of a work day.

(c) Nothing in the requirements of this clause shall preclude Indian tribes from independently developing and enforcing their own Indian preference requirements. Such requirements must not conflict with any Federal statutory or regulatory requirement dealing with the award and administration of contracts.

(d) The Contractor agrees to include the provisions of this clause, including this paragraph (d), in each subcontract awarded at any tier under this contract and to notify the Contracting Officer of such subcontracts.

(e) In the event of noncompliance with this clause, the Contracting Officer may terminate the contract in whole or in part or may pursue any other remedies authorized by law or by other provisions of the contract.

(End of clause)

I.8. HHSAR 352.232-71 ELECTRONIC SUBMISSION OF INVOICE PAYMENT REQUESTS (MAR 2022)

(a) *Definitions.* As used in this clause -

Payment request means a bill, voucher, invoice, or request for contract financing payment with associated supporting documentation. The payment request must comply with the requirements identified in FAR 32.905(b), "Content of Invoices" and the applicable Payment clause included in this contract.

(b) Except as provided in paragraph (c) of this clause, the Contractor shall submit payment requests electronically using the Department of Treasury Invoice Processing Platform (IPP) or successor system. Information regarding IPP, including IPP Customer Support contact information, is available at www.ipp.gov or any successor site.

(c) The Contractor may submit payment requests using other than IPP only when the Contracting Officer authorizes alternate procedures in writing in accordance with HHS procedures.

(d) If alternate payment procedures are authorized, the Contractor shall include a copy of the Contracting Officer's written authorization with each payment request.

K.2. FAR 52.204-8 ANNUAL REPRESENTATIONS AND CERTIFICATIONS (MAR 2023)

(a) (1) The North American Industry Classification System (NAICS) code for this acquisition is **236220, Commercial and Institutional Building Construction.**

(2) The small business size standard is **\$45 Million.**

(3) The small business size standard for a concern that submits an offer, other than on a construction or service acquisition, but proposes to furnish an end item that it did not itself manufacture, process, or produce is 500 employees, or 150 employees for information technology value-added resellers under NAICS code 541519 if the acquisition—

(i) Is set aside for small business and has a value above the simplified acquisition threshold;

(ii) Uses the HUBZone price evaluation preference regardless of dollar value, unless the offeror waives the price evaluation preference; or

(iii) Is an 8(a), HUBZone, service-disabled veteran-owned, economically disadvantaged women-owned, or women-owned small business set-aside or sole-source award regardless of dollar value.

(b) (1) If the provision at [52.204-7](#), System for Award Management, is included in this solicitation, paragraph (d) of this provision applies.

(2) If the provision at [52.204-7](#), System for Award Management, is not included in this solicitation, and the Offeror has an active registration in the System for Award Management (SAM), the Offeror may choose to use paragraph (d) of this provision instead of completing the corresponding individual representations and certifications in the solicitation. The Offeror shall indicate which option applies by checking one of the following boxes:

(i) ☐ Paragraph (d) applies.

(ii) ☐ Paragraph (d) does not apply and the offeror has completed the individual representations and certifications in the solicitation.

(c) (1) The following representations or certifications in SAM are applicable to this solicitation as indicated:

(i) [52.203-2](#), Certificate of Independent Price Determination. This provision applies to solicitations when a firm-fixed-price contract or fixed-price contract with economic price adjustment is contemplated, unless—

(A) The acquisition is to be made under the simplified acquisition procedures in [part 13](#);

(B) The solicitation is a request for technical proposals under two-step sealed bidding procedures; or

(C) The solicitation is for utility services for which rates are set by law or regulation.

(ii) [52.203-11](#), Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions. This provision applies to solicitations expected to exceed \$150,000.

(iii) [52.203-18](#), Prohibition on Contracting with Entities that Require Certain Internal Confidentiality Agreements or Statements-Representation. This provision applies to all solicitations.

(iv) [52.204-3](#), Taxpayer Identification. This provision applies to solicitations that do not include the provision at [52.204-7](#), System for Award Management.

(v) [52.204-5](#), Women-Owned Business (Other Than Small Business). This provision applies to solicitations that—

(A) Are not set aside for small business concerns;

(B) Exceed the simplified acquisition threshold; and

(C) Are for contracts that will be performed in the United States or its outlying areas.

(vi) [52.204-26](#), Covered Telecommunications Equipment or Services-Representation. This provision applies to all solicitations.

(vii) [52.209-2](#), Prohibition on Contracting with Inverted Domestic Corporations-Representation.

(viii) [52.209-5](#), Certification Regarding Responsibility Matters. This provision applies to solicitations where the contract value is expected to exceed the simplified acquisition threshold.

(ix) [52.209-11](#), Representation by Corporations Regarding Delinquent Tax Liability or a Felony Conviction under any Federal Law. This provision applies to all solicitations.

(x) [52.214-14](#), Place of Performance-Sealed Bidding. This provision applies to invitations for bids except those in which the place of performance is specified by the Government.

(xi) [52.215-6](#), Place of Performance. This provision applies to solicitations unless the place of performance is specified by the Government.

(xii) [52.219-1](#), Small Business Program Representations (Basic, Alternates I, and II). This provision applies to solicitations when the contract is for supplies to be delivered or services to be performed in the United States or its outlying areas, or when the contracting officer has applied [part 19](#) in accordance with [19.000\(b\)\(1\)\(ii\)](#).

(A) The basic provision applies when the solicitations are issued by other than DoD, NASA, and the Coast Guard.

(B) The provision with its Alternate I applies to solicitations issued by DoD, NASA, or the Coast Guard.

(C) The provision with its Alternate II applies to solicitations that will result in a multiple-award contract with more than one NAICS code assigned.

(xiii) [52.219-2](#), Equal Low Bids. This provision applies to solicitations when contracting by sealed bidding and the contract is for supplies to be delivered or services to be performed in the United States or its outlying areas, or when the contracting officer has applied [part 19](#) in accordance with [19.000\(b\)\(1\)\(ii\)](#).

(xiv) [52.222-22](#), Previous Contracts and Compliance Reports. This provision applies to solicitations that include the clause at [52.222-26](#), Equal Opportunity.

(xv) [52.222-25](#), Affirmative Action Compliance. This provision applies to solicitations, other than those for construction, when the solicitation includes the clause at [52.222-26](#), Equal Opportunity.

(xvi) [52.222-38](#), Compliance with Veterans' Employment Reporting Requirements. This provision applies to solicitations when it is anticipated the contract award will exceed the simplified acquisition threshold and the contract is not for acquisition of commercial products or commercial services.

(xvii) [52.223-1](#), Biobased Product Certification. This provision applies to solicitations that require the delivery or specify the use of USDA-designated items; or include the clause at [52.223-2](#), Affirmative Procurement of Biobased Products Under Service and Construction Contracts.

(xviii) [52.223-4](#), Recovered Material Certification. This provision applies to solicitations that are for, or specify the use of, EPA-designated items.

(xix) [52.223-22](#), Public Disclosure of Greenhouse Gas Emissions and Reduction Goals-Representation. This provision applies to solicitations that include the clause at [52.204-7](#).)

(xx) [52.225-2](#), Buy American Certificate. This provision applies to solicitations containing the clause at [52.225-1](#).

(xxi) [52.225-4](#), Buy American-Free Trade Agreements-Israeli Trade Act Certificate. (Basic, Alternates II and III.) This provision applies to solicitations containing the clause at [52.225-3](#).

(A) If the acquisition value is less than \$50,000, the basic provision applies.

(B) If the acquisition value is \$50,000 or more but is less than \$92,319, the provision with its Alternate II applies.

(C) If the acquisition value is \$92,319 or more but is less than \$100,000, the provision with its Alternate III applies.

(xxii) [52.225-6](#), Trade Agreements Certificate. This provision applies to solicitations containing the clause at [52.225-5](#).

(xxiii) [52.225-20](#), Prohibition on Conducting Restricted Business Operations in Sudan-Certification. This provision applies to all solicitations.

(xxiv) [52.225-25](#), Prohibition on Contracting with Entities Engaging in Certain Activities or Transactions Relating to Iran-Representation and Certifications. This provision applies to all solicitations.

(xxv) [52.226-2](#), Historically Black College or University and Minority Institution Representation. This provision applies to solicitations for research, studies, supplies, or services of the type normally acquired from higher educational institutions.

(2) The following representations or certifications are applicable as indicated by the Contracting Officer:

☒ (i) [52.204-17](#), Ownership or Control of Offeror.

☒ (ii) [52.204-20](#), Predecessor of Offeror.

☒ (iii) [52.222-18](#), Certification Regarding Knowledge of Child Labor for Listed End Products.

☐ (iv) [52.222-48](#), Exemption from Application of the Service Contract Labor Standards to Contracts for Maintenance, Calibration, or Repair of Certain Equipment- Certification.

K.3. FAR 52.204-24 REPRESENTATION REGARDING CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT (NOV 2021)

The Offeror shall not complete the representation at paragraph (d)(1) of this provision if the Offeror has represented that it "does not provide covered telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument" in paragraph (c)(1) in the provision at [52.204-26](#), Covered Telecommunications Equipment or Services—Representation, or in paragraph (v)(2)(i) of the provision at [52.212-3](#), Offeror Representations and Certifications-Commercial Products or Commercial Services. The Offeror shall not complete the representation in paragraph (d)(2) of this provision if the Offeror has

represented that it "does not use covered telecommunications equipment or services, or any equipment, system, or service that uses covered telecommunications equipment or services" in paragraph (c)(2) of the provision at [52.204-26](#), or in paragraph (v)(2)(ii) of the provision at [52.212-3](#).

(a) *Definitions.* As used in this provision—

Backhaul, covered telecommunications equipment or services, critical technology, interconnection arrangements, reasonable inquiry, roaming, and substantial or essential component have the meanings provided in the clause [52.204-25](#), Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment.

(b) *Prohibition.*

(1) Section 889(a)(1)(A) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2019, from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. Nothing in the prohibition shall be construed to—

(i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(2) Section 889(a)(1)(B) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2020, from entering into a contract or extending or renewing a contract with an entity that uses any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. This prohibition applies to the use of covered telecommunications equipment or services, regardless of whether that use is in performance of work under a Federal contract. Nothing in the prohibition shall be construed to—

(i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(c) *Procedures.* The Offeror shall review the list of excluded parties in the System for Award Management (SAM) (<https://www.sam.gov>) for entities excluded from receiving federal awards for "covered telecommunications equipment or services".

(d) *Representation.* The Offeror represents that—

(1) It ☐ will, ☐ will not provide covered telecommunications equipment or services to the Government in the performance of any contract, subcontract or other contractual instrument resulting from this solicitation. The Offeror shall provide the additional disclosure information required at paragraph (e)(1) of this section if the Offeror responds "will" in paragraph (d)(1) of this section; and

(2) After conducting a reasonable inquiry, for purposes of this representation, the Offeror represents that—

It ☐ does, ☐ does not use covered telecommunications equipment or services, or use any equipment, system, or service that uses covered telecommunications equipment or services. The Offeror shall provide the additional disclosure information required at paragraph (e)(2) of this section if the Offeror responds "does" in paragraph (d)(2) of this section.

(e) Disclosures.

(1) Disclosure for the representation in paragraph (d)(1) of this provision. If the Offeror has responded "will" in the representation in paragraph (d)(1) of this provision, the Offeror shall provide the following information as part of the offer:

(i) For covered equipment—

(A) The entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the original equipment manufacturer (OEM) or a distributor, if known);

(B) A description of all covered telecommunications equipment offered (include brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); and

(C) Explanation of the proposed use of covered telecommunications equipment and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(1) of this provision.

(ii) For covered services—

(A) If the service is related to item maintenance: A description of all covered telecommunications services offered (include on the item being maintained: Brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); or

(B) If not associated with maintenance, the Product Service Code (PSC) of the service being provided; and explanation of the proposed use of covered telecommunications services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(1) of this provision.

(2) Disclosure for the representation in paragraph (d)(2) of this provision. If the Offeror has responded "does" in the representation in paragraph (d)(2) of this provision, the Offeror shall provide the following information as part of the offer:

(i) For covered equipment—

(A) The entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known);

(B) A description of all covered telecommunications equipment offered (include brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); and

(C) Explanation of the proposed use of covered telecommunications equipment and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(2) of this provision.

(ii) For covered services—

(A) If the service is related to item maintenance: A description of all covered telecommunications services offered (include on the item being maintained: Brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); or

(B) If not associated with maintenance, the PSC of the service being provided; and explanation of the proposed use of covered telecommunications services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(2) of this provision.

(End of provision)

K.4. FAR 52.209-7 INFORMATION REGARDING RESPONSIBILITY MATTERS (OCT 2018)

(a) *Definitions.* As used in this provision—

“Administrative proceeding” means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (*e.g.*, Securities and Exchange Commission Administrative Proceedings, Civilian Board of Contract Appeals Proceedings, and Armed Services Board of Contract Appeals Proceedings). This includes administrative proceeding at the Federal and State level but only in connection with performance of a Federal contract or grant. It does not include agency actions such as contract audits, site visits, corrective plans, or inspection of deliverables.

“Federal contracts and grants with total value greater than \$10,000,000” means—

- (1) The total value of all current, active contracts and grants, including all priced options; and
- (2) The total value of all current, active orders including all priced options under indefinite-delivery, indefinite-quantity, 8(a), or requirements contracts (including task and delivery and multiple-award Schedules).

“Principal” means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (*e.g.*, general manager; plant manager; head of a division or business segment; and similar positions).

(b) The offeror ☐ has ☐ does not have current active Federal contracts and grants with total value greater than \$10,000,000.

(c) If the offeror checked “has” in paragraph (b) of this provision, the offeror represents, by submission of this offer, that the information it has entered in the Federal Awardee Performance and Integrity Information System (FAPIS) is current, accurate, and complete as of the date of submission of this offer with regard to the following information:

(1) Whether the offeror, and/or any of its principals, has or has not, within the last five years, in connection with the award to or performance by the offeror of a Federal contract or grant, been the subject of a proceeding, at the Federal or State level that resulted in any of the following dispositions:

- (i) In a criminal proceeding, a conviction.
- (ii) In a civil proceeding, a finding of fault and liability that results in the payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more.
- (iii) In an administrative proceeding, a finding of fault and liability that results in—
 - (A) The payment of a monetary fine or penalty of \$5,000 or more; or
 - (B) The payment of a reimbursement, restitution, or damages in excess of \$100,000.

(iv) In a criminal, civil, or administrative proceeding, a disposition of the matter by consent or compromise with an acknowledgment of fault by the Contractor if the proceeding could have led to any of the outcomes specified in paragraphs (c)(1)(i), (c)(1)(ii), or (c)(1)(iii) of this provision.

(2) If the offeror has been involved in the last five years in any of the occurrences listed in (c)(1) of this provision, whether the offeror has provided the requested information with regard to each occurrence.

(d) The offeror shall post the information in paragraphs (c)(1)(i) through (c)(1)(iv) of this provision in FAPIIS as required through maintaining an active registration in the System for Award Management which can be accessed via <https://www.sam.gov> (see 52.204-7).

(a) The offeror's attention is called to the Equal Opportunity clause and the Affirmative Action Compliance Requirements for Construction clause of this solicitation.

(b) The goals for minority and female participation, expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows:

Goals for Minority Participation for Each Trade	Goals for Female Participation for Each Trade
19.6%	6.9%

These goals are applicable to all the Contractor's construction work performed in the covered area. If the Contractor performs construction work in a geographical area located outside of the covered area, the Contractor shall apply the goals established for the geographical area where the work is actually performed. Goals are published periodically in the *Federal Register* in notice form, and these notices may be obtained from any Office of Federal Contract Compliance Programs office.

(c) The Contractor's compliance with Executive Order 11246, as amended, and the regulations in 41 CFR 60-4 shall be based on

- (1) its implementation of the Equal Opportunity clause,
- (2) specific affirmative action obligations required by the clause entitled "Affirmative Action Compliance Requirements for Construction," and
- (3) its efforts to meet the goals.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade. The Contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from Contractor to Contractor, or from project to project, for the sole purpose of meeting the Contractor's goals shall be a violation of the contract, Executive Order 11246, as amended, and the

regulations in 41 CFR 60-4. Compliance with the goals will be measured against the total work hours performed.

(d) The Contractor shall provide written notification to the Deputy Assistant Secretary for Federal Contract Compliance, U.S. Department of Labor, within 10 working days following award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the --

- (1) Name, address, and telephone number of the subcontractor;
- (2) Employer's identification number of the subcontractor;
- (3) Estimated dollar amount of the subcontract;
- (4) Estimated starting and completion dates of the subcontract; and
- (5) Geographical area in which the subcontract is to be performed.

(e) As used in this Notice, and in any contract resulting from this solicitation, the "covered area" is **Whiteriver, Arizona, Navajo County Arizona.**

L.5. FAR 52.225-10 NOTICE OF BUY AMERICAN REQUIREMENT--CONSTRUCTION MATERIALS (MAY 2014)

(a) *Definitions.* "Commercially available off-the-shelf (COTS) item," "construction material," "domestic construction material," and "foreign construction material," as used in this provision, are defined in the clause of this solicitation entitled "Buy American--Construction Materials" (Federal Acquisition Regulation (FAR) clause 52.225-9).

(b) *Requests for determinations of inapplicability.* An offeror requesting a determination regarding the inapplicability of the Buy American statute should submit the request to the Contracting Officer in time to allow a determination before submission of offers. The offeror shall include the information and applicable supporting data required by paragraphs (c) and (d) of the clause at FAR 52.225-9 in the request. If an offeror has not requested a determination regarding the inapplicability of the Buy American statute before submitting its offer, or has not received a response to a previous request, the offeror shall include the information and supporting data in the offer.

(c) *Evaluation of offers.*

(1) The Government will evaluate an offer requesting exception to the requirements of the Buy American statute, based on claimed unreasonable cost of domestic construction material, by adding to the offered price the appropriate percentage of the cost of such foreign construction material, as specified in paragraph (b)(3)(i) of the clause at FAR 52.225-9.

(2) If evaluation results in a tie between an offeror that requested the substitution of foreign construction material based on unreasonable cost and an offeror that did not request an exception, the Contracting Officer will award to the offeror that did not request an exception based on unreasonable cost.

(d) *Alternate offers.*

- (1) When an offer includes foreign construction material not listed by the Government in this solicitation in paragraph (b)(2) of the clause at FAR 52.225-9, the offeror also may submit an alternate offer based on use of equivalent domestic construction material.
- (2) If an alternate offer is submitted, the offeror shall submit a separate Standard Form 1442 for the alternate offer, and a separate price comparison table prepared in accordance with paragraphs (c) and (d) of the clause at FAR 52.225-9 for the offer that is based on the use of any foreign construction material for which the Government has not yet determined an exception applies.
- (3) If the Government determines that a particular exception requested in accordance with paragraph (c) of the clause at FAR 52.225-9 does not apply, the Government will evaluate only those offers based on use of the equivalent domestic construction material, and the offeror shall be required to furnish such domestic construction material. An offer based on use of the foreign construction material for which an exception was requested—
 - (i) Will be rejected as nonresponsive if this acquisition is conducted by sealed bidding; or
 - (ii) May be accepted if revised during negotiations.

(End of Provision)

L.6. FAR 52.228-1 BID GUARANTEE (SEP 1996)

- (a) Failure to furnish a bid guarantee in the proper form and amount, by the time set for proposal submission, may be cause for rejection of the offer.
- (b) The offeror shall furnish a bid guarantee in the form of a firm commitment, e.g., bid bond supported by good and sufficient surety or sureties acceptable to the Government, postal money order, certified check, cashier's check, irrevocable letter of credit, or, under Treasury Department regulations, certain bonds or notes of the United States. The Contracting Officer will return bid guarantees, other than bid bonds --
 - (1) To unsuccessful offerors as soon as practicable after an award decision has been made; and
 - (2) To the successful offeror upon execution of contractual documents and bonds (including any necessary coinsurance or reinsurance agreements), as required by the bid as accepted.
- (c) The amount of the bid guarantee shall be **20** percent of the bid price or **\$3.0M**, whichever is less.
- (d) If the successful offeror, upon acceptance of its offer by the Government within the period specified for acceptance, fails to execute all contractual documents or furnish executed bond(s) within 10 days after receipt of the forms by the offeror, the Contracting Officer may terminate the contract for default.
- (e) In the event the contract is terminated for default, the offeror is liable for any cost of acquiring the work that exceeds the amount of its offer, and the bid guarantee is available to offset the difference.

(End of Provision)

L.7. FAR 52.233-2 SERVICE OF PROTEST (SEP 2006)

- (a) Protests, as defined in section 33.101 of the Federal Acquisition Regulation, that are filed directly with an agency, and copies of any protests that are filed with the Government Accountability Office (GAO), shall be served on the Contracting Officer (addressed as follows) by obtaining written and dated acknowledgment of receipt from

Melissa Warmath

OEHE Chief of Acquisitions
Indian Health Service, Division of Engineering Services
1301 Young Street, Suite 840
Dallas, Texas, 75202-5433

(b) The copy of any protest shall be received in the office designated above within one day of filing a protest with the GAO.

(End of Provision)

L.8. FAR 52.236-27 SITE VISIT (CONSTRUCTION) (FEB 1995) ALTERNATE I (FEB 1995)

(a) The clauses at [52.236-2](#), Differing Site Conditions, and [52.236-3](#), Site Investigations and Conditions Affecting the Work, will be included in any contract awarded as a result of this solicitation. Accordingly, offerors or quoters are urged and expected to inspect the site where the work will be performed.

(b) An organized site visit has been scheduled for-

Tuesday, May 16, 2023 @ 11:00 AM MST (local time)

(c) Participants will meet at-

Whiteriver Indian Hospital
Garrett Building, Engineering Office (see Attachment J01a)
200 West Hospital Drive
Whiteriver, AZ 85941-0860
POC: Kelly Britton (602) 245-2206

(End of Provision)

(e) The Government is not responsible for any costs incurred by attendees who go to the project site.

(f) While attendance to the site visit is not mandatory, offerors are urged to inspect the site where work is to be performed and to satisfy themselves as to all general and local conditions which may affect the cost of performance of the contract, to the extent, such information is reasonably obtainable. Offerors should visit the site and take such other steps as may be reasonably necessary to ascertain the nature and location of the work, and the general and local conditions which can affect the work or the cost thereof. Failure to do so shall not relieve Offerors from responsibility for estimating properly the difficulty or cost of successfully performing the work. The Government shall assume no responsibility for any understanding or representations concerning conditions made by any of its officers or agents prior to the execution of the contract, unless included in the solicitation, the specifications, or related documents.

** Individual requests for site visits will not be granted.

L.9. TRIBAL BUSINESS AND LABOR REQUIREMENTS

It is the offeror's responsibility to contact the Tribe to determine if a business license, fees and taxes are required for this project and the Tribal Employment Rights Office (TERO) to determine if the tribe has established employment requirements the contractor must comply with in order to employ tribal members where additional staff is required to perform the services and whether Tribal wage rates exceed the requirements of the Davis Bacon Act. If Tribal wage rates are higher than those required in the applicable DBA Wage Determination(s) for this project, the Offeror shall immediately contact the Contracting Officer for guidance. The Contractor will be responsible to pay all Tribal licenses, fees and taxes.

L.10. INTERPRETATION OF SOLICITATION - DISCREPANCIES

- (a) The Offeror has a duty to inquire and seek clarification concerning possible ambiguities and/or discrepancies. The Order of precedence for resolving any discrepancies among documents is solicitation document, specifications and drawings, descending in that order.
- (b) It shall be the obligation of the Offeror to exercise due diligence to discover and to bring to the attention of the Contracting Officer at the earliest possible time any ambiguities, discrepancies, inconsistencies, or conflicts in or between the specifications and the applicable drawings or other documents incorporated by reference herein. Failure to comply with all obligations shall be deemed a waiver and release of any and all claims for extra costs or delays arising out of such ambiguities, discrepancies, inconsistencies, and conflicts.
- (c) Under no circumstances will any oral statements made be binding upon the Government unless such statements or agreements are issued in writing by the Contracting Officer.
- (d) Any prospective offeror desiring an explanation or interpretation of the solicitation, drawings, specifications, etc., must submit a request in writing to the Contracting Officer at Kelly.Britton@ihs.gov. Terms of the solicitation and specification remain unchanged unless the solicitation is amended in writing.

L.11. INQUIRIES (COMMUNICATION WITH THE CONTRACTING OFFICE)

- (a) Offerors shall submit all questions concerning this solicitation in writing to the Contracting Officer at Kelly.Britton@ihs.gov. Questions should be received **no later than 10 calendar days prior to the proposal receipt date** to allow time for a response. Inquiries or questions received after this date will be at the discretion of the Government. Any responses to questions will be writing included in an amendment to the solicitation, without identifying the questioner. Even if provided in other form, only the question responses included in the amendment to the solicitation will govern evaluation of offers and performance of the contract. **Information provided with each question should include a specific page, paragraph, clause or definitive citation requiring clarification or concern.**
- (b) All inquiry emails shall have the name of firm, address, and contact number included in the text body of the email and be associated with a specific, named individual – first and last name and their position in the firm.
- (c) DO NOT directly contact the COR or other Government personnel listed in the Specifications/Drawings. These personnel have been informed to direct all questions by interested offerors to be submitted to the Contracting Officer, Kelly Britton at Kelly.Britton@ihs.gov.

****L.12. PROPOSAL PREPARATION INSTRUCTIONS****

- (a) The offeror's proposal package shall be submitted electronically in PDF format only. No facsimile or other alternate method of submission will be accepted. Each electronic file submitted as an attachment to an email transmission shall not exceed 8 megabytes in size. If the aforementioned electronic file exceeds 8 megabytes, divide data into separate files so as not to exceed 8 megabytes per file. Due to file size limitations, each electronic file should be attached to a separate email. Files shall be named as **75H701-23-R-00022, Whiteriver Administration Office Building** with the addition of "email X of X" (e.g. email 1 of 2) in the subject line.

***The offeror's proposal must be submitted in two (2) volumes** (see below). Each of the volumes shall be separate and complete so that evaluation of each may be accomplished independently. Each volume shall be a separate PDF file and can be included in the same email.

- I. **Volume I - Technical Proposal** (Factor 1: Specialized Experience; Factor 2: Key Personnel; Factor 3: Technical Approach, Schedule & Organization; and Factor 4: Past Performance)
- II. **Volume II - Price Proposal** (Factor 5)

Page Limits: Factors 1, 2 and 3 of Volume I are limited to 30 pages (front and back) total. There is no page limit for the submission of Factor 4 if submitting PPQs. Any pages that exceed a page limitation shall not be reviewed or evaluated, which may result in being rated as 'UNACCEPTABLE'. Table of contents and cover letters are not included in this page limitation. Failure of the offeror to comply with the page limitations, resulting in the excess pages not being evaluated, shall not constitute grounds for a protest. Letters of appreciation, awards, social media links, and other information not requested in this solicitation will be neither reviewed nor evaluated.

Late submissions shall be handled in accordance with FAR 52.215-1, INSTRUCTIONS TO OFFERS – COMPETITIVE ACQUISITION (Nov 2021) reference subparagraphs (c)(3)(ii)(A) and (1), and FAR 15.208.

Offerors shall allow sufficient time for electronic submission of proposals. Special attention is called to FAR 15.208 which states, "Any proposal, modification, or revision, that is received at the designated Government office (i.e., email address) in the solicitation after the exact time specified for receipt of proposals is "late" and will not be considered unless it is received before award is made; and (1) If it was transmitted through an electronic commerce method authorized by the solicitation (i.e., email), it was received at the initial point of entry to the Government infrastructure **not later than 5:00 p.m. one working day prior to the date specified for receipt of proposals**; or (2) It is the only proposal received.

It is the Offeror's responsibility to ensure sufficient time is provided for electronic submission to be processed through the Government's electronic point of entry.

- (b) **Due date and Proposal Format.** Your proposal shall be submitted via email to kelly.britton@ihs.gov at your earliest convenience but no later than the date and time indicated in Section A, block 13a of the SF1442 unless changed by amendment. Proposals submitted in response to this solicitation shall be formatted as follows below (Volume I (Technical Proposal) and Volume II (Price Proposal)). The Contractor's proposal must be supported by necessary documentation to indicate that adequate planning to accomplish the requirement has been done. Failure to address any of the requirements herein may result in rejection of the offeror's proposal.
- (c) All offerors must be registered in System for Award Management (SAM) database. Offeror must have an active SAM registration at the time of the submission of their offer. Failure of an offeror to meet this requirement at the time of proposal submission shall result in the offer being non-responsive to the solicitation. Offerors may obtain information on registration and annual confirmation requirements via the internet at: <https://www.sam.gov>.

L.13. GENERAL INSTRUCTIONS

(1) VOLUME I - TECHNICAL PROPOSAL

- (i) General.

(A) Volume I, Technical Proposal, consists of the offeror's proposal delineating its capabilities and how it intends to perform contract requirements. The Technical proposal will be evaluated in accordance with the criteria contained in Section M.

(B) In order that the technical proposal may be evaluated strictly on the merit of the material submitted, **no contractual price information is to be included in Volume I.**

However, the type and quantity of labor and materials is to be included in the Technical Proposal, without any associated cost information.

Any experience provided for a firm other than the offeror(s) (prime contractor(s)) that is not listed under their name/SAM Unique Entity Identifier (UEI) number submitted under this solicitation will not be considered.

(ii) Format and Content. Volume I, Technical Proposal, shall include the following contents:

- a) Table of Contents
- b) List of Tables and Figures
- c) Summary of Technical Proposal
- d) Technical Proposal (Evaluation Factors 1 – 4)

(iii) Evaluation Factors to be addressed:

FACTOR 1: Specialized Experience:

Submittal Requirements: The offerors shall exhibit a comprehensive and complete technical proposal that demonstrates their ability to perform the work described in this solicitation and demonstrate a minimum amount of experience doing work of similar scope and complexity by submitting at least three (3) but no more than five (5) relevant projects that are of similar size, scope and complexity as described in this solicitation that must be at least 75% construction progress complete or completed within seven (7) years preceding the date proposals are due.

- At least one (1) of the projects shall demonstrate experience in constructing a wood and steel commercial building with mechanical, electrical and plumbing systems or similar large related projects.
- (i) Experience will be evaluated based on the Offeror's demonstration of similar, relevant, and recent projects within the broad scope of this solicitation for services as described in this solicitation. For the purposes of this factor, "Relevant" is defined as construction of large commercial buildings that includes mechanical, electrical and plumbing systems was required for successful completion and execution. Projects that are similar in size, scope and complexity to the requirements described in this solicitation will be highly scrutinized. "Recent" is defined as being at least 75 % construction progress complete or completed within the past seven (7) years preceding the date proposals are due.
- (ii) **Attachment J05, Company Specialized Experience Construction Form** shall be used to submit project information. Except as specifically requested, the Government will not consider information submitted in addition to this form. Individual blocks on this form may be expanded; however, total length for each project shall not exceed two (2) single-sided pages. If any of the information required is not included in the form then the contractor may be considered non-responsive and evaluated as "UNACCEPTABLE."
- (iii) If any experience will be used for evaluation of other than the prime firm, a teaming arrangement shall be provided. If this is the case, clearly describe any teaming arrangements, describe which firms, firms' resources, the relative firms' roles and responsibilities and any contractual arrangements that have been established to constitute the offeror's team. If the Offeror is a Joint Venture (JV), relevant experience should be submitted by that JV entity. If the JV does not have shared experience, projects shall be submitted for each JV partner relevant to their overall JV partnership. Offerors who fail to submit experience for all JV partners may be evaluated as "UNACCEPTABLE."

- (iv) If any of the information required is not included in the proposal, then the contractor may be considered non-responsive and evaluated as "UNACCEPTABLE."

FACTOR 2: Key Personnel:

Submittal Requirements: Offerors are required to submit resumes that demonstrate their ability to perform the work described in this solicitation and demonstrate a minimum of three (3) years' experience doing work of similar size, scope and complexity to that described in the solicitation to be considered relevant on projects that are at least 75% construction complete, for the following positions:

- (i) Project Manager
- (ii) Superintendent
- (iii) Safety Officer

- * Offerors must submit proof of relevant certification OR include the relevant certification information on the key personnel resume form (e.g., OSHA, Board of Certified Site Safety and Health Officers (BCSSHO), etc.) for the Safety Officer, OSHA 30-hour Construction Training Course is acceptable.
- * Superintendent and Safety Officer may be dual-hatted, but experience shall be demonstrated separately for each position (i.e., if submitting the same person for both roles, that individual must have and demonstrate relevant experience on projects as both the Superintendent and Safety Officer separately).
- * **Attachment J06, Key Personnel Resume Form** is provided as a reference for information that shall be included with each individual key personnel submitted. This form is not required, but each key personnel submitted shall include at least all information on this form (e.g., name, title, assignment, firms name, length with firm, education, registration, experience, etc.).

Each resume submitted shall not exceed two (2) pages in length.

FACTOR 3: Technical Approach, Schedule & Organization

Submittal Requirements: The Offeror shall submit a narrative, not-to exceed twenty (20) single-sided, ten (10) double-sided pages addressing the Offeror's approach to successful completion of this contract. This factor includes the following three (3) items:

- (i) A narrative describing the project and how the scope of work will be accomplished, taking into consideration the site limitations, the physical limitations, staging and access limitations, and other limitations that the offeror identifies. The offeror shall include the following in the narrative description:
 - a) describe the facilities and equipment, geographic location, and workforce which will be used in the performance of the contract, and
 - b) how the management and coordination of consultant and subcontractor efforts will be accomplished to support the offeror's technical approach.
 - c) the greatest risk(s) to completing this project on schedule, if any, and discuss any construction challenges the offeror may foresee and how they plan to overcome such challenges to ensure all contract work is successfully completed within contract requirements. If the offeror does not foresee any challenges or risks in this project, then the narrative shall explain as such.

Narratives that merely repeat the contract requirements and stating that they will be accomplished, without discussing how the offeror will accomplish the contract requirements may be rated as "UNACCEPTABLE" for this factor.

- (ii) A draft schedule indicating the number of calendar days, after notice to proceed, by which milestones are to be achieved, including total contract duration in calendar days, winter exclusion period, sequencing of work for construction activities, mandatory tasks, specified time for construction submittals, long lead procurement items, any construction phasing of work, and contract closeout submittal items. Offeror shall address any potential issues that might impact the project schedule and how the offeror would deal with those issues.

The draft construction schedule may be submitted using the same scheduling program the offeror will utilize for this project and shall demonstrate that the offeror has a clear understanding of the numerous requirements of a healthcare mechanical construction project.

This draft schedule will not be included as part of the award. It is merely to evaluate the offeror's understanding of the technical requirements.

- (iii) A simple organizational chart, illustrating the team being proposed for this project. Offerors shall provide information on how the project is to be organized, staffed, and managed that demonstrates the offeror's understanding and effective management of events and tasks. Clearly describe any teaming or joint venture arrangements, including a clear description of each firm's roles and responsibilities on the project. A copy of the teaming or joint venture agreement(s) shall be appended to the proposal, and will not be included in this factor's page limitation.

FACTOR 4: Past Performance

Submittal Requirements: In accordance with FAR 42.1503(e), past performance will be evaluated using the Contractor Performance Assessment Reporting System (CPARS). If no relevant past performance history is available for your SAM UEI number, you may choose to utilize the attached **Past Performance Questionnaire (PPQ) Form PPQ-0 (Attachment J07)** which will be used for evaluation.

Projects submitted under Factor 1 Specialized Experience should also include consideration under this Factor by either a PPQ submission or information obtained in CPARS. The Government will only evaluate up to five (5) Customer Satisfaction Surveys/ Past Performance Questionnaires (PPQs) combined for the prime contractor. Government databases will be checked and previous customers and/or evaluators may be contacted as references or verification of performance. All performance ratings shall be considered for contracts ongoing at least 75% construction progress complete or completed within the past seven (7) years from the date proposals are due. The Government reserves the right to evaluate past performance information on proposals submitted in response to this solicitation from any available source.

The PPQ included in the solicitation is provided for the offeror to submit to the client for each project the offeror includes in its proposal for Factor 1, Specialized Experience if that project is not in the CPARS database. Ensure correct phone numbers and email addresses are provided for the client point of contact. Completed PPQs should be submitted with your proposal, but are not required and can be submitted by the owner. Offerors should follow-up with clients/references to ensure timely submittal of questionnaires. If the client requests, questionnaires may be submitted directly to the Government's point of contact, Kelly.Britton@ih.gov, via email prior to proposal

closing date. Offerors shall not incorporate by reference into their proposal PPQs previously submitted for other RFPs. This does not preclude the Government from utilizing previously submitted PPQ information in the past performance evaluation. While the Government may elect to consider data from any and all other sources, the burden of providing detailed, current, accurate and complete past performance information rests with the offeror.

Offerors may provide any information on problems encountered and the corrective actions taken on projects submitted under Factor 1 Specialized Experience. Offerors may also address any adverse past performance issues. Explanations shall not exceed two (2) double-sided pages (or four (4) single-sided pages) in total.

The Government reserves the right to contact references for verification or additional information. The Government's inability to contact any of the Offeror's references or the references unwillingness to provide the information requested may affect the Government's evaluation of this factor.

Performance awards or additional information submitted will not be considered.

Any experience provided for a firm other than the offeror(s) (prime contractor(s)) that is not listed under their name/SAM Unique Entity Identifier (UEI) number submitted under this solicitation will not be considered.

VOLUME II (Price Proposal). Submittal Requirements:

(2) VOLUME II – PRICE (FACTOR 5)

Submittal Requirements: Offerors shall submit a cover letter that shall include:

- (i) The Solicitation number;
- (ii) The name, addresses, telephone numbers, and e-mail addresses of the offeror.
- (iii) SAM Unique Identifier and Cage code
- (iv) Names, titles, phone numbers, and e-mail addresses of persons authorized to negotiate on the Offeror's behalf with the Government in connection with this solicitation, and;
- (v) Name, title, and signature of person authorized to sign the proposal.

FACTOR 5: Price:

The proposal shall be a Lump Sum, Firm Fixed Price (FFP) proposal for the items listed in Section B.1 and the following shall be submitted as part of the Price Submittal:

- (i) The Proposal Form (Standard Form 1442), Page 2, Blocks 14-20c, is to be filled out and executed fully. Any and all solicitation amendments require acknowledgement in Block 19 of the SF1442.
- (ii) Offerors shall complete Section B, Schedule of Prices for CLIN 0001. All proposal pricing information submitted by Offerors is for the exclusive use of the Government.
- (iii) Fully complete and submit **Attachment J03, Self-Performed Calculation Sheet** in accordance with FAR 52.219-14 Limitations On Subcontracting (Oct 2022)
 - a. By submission of an offer and execution of a contract, the Offeror/Contractor agrees that in performance of the contract in the case of a contract for General construction. The concern will perform at least 15 percent of the cost of the contract, not including the cost of materials, with its own employees.

- (iv) A copy of Bid Bond Guarantee (FAR 52.228-1 Bid Guarantee). A scanned copy is acceptable. Form can be found on the GSA website at: <https://www.gsa.gov/forms-library/bid-bond>.

Price proposals must adhere to the pricing structure established in Section B, Pricing Sheet. Each Offeror's price proposal must be based on the Offeror's own technical proposal, the Government's specifications, and be inclusive of all other contractual requirements.

The Government expects that this contract will be awarded based upon adequate price competition. If necessary to support the determination of price reasonableness, the contracting officer reserves the right to request pricing information in addition to that included in the price schedule. The Offeror shall be prepared to provide cost breakdowns for each line item of the schedule to support proposed prices upon request by the Contracting Officer. Requested information to support pricing may include, but not be limited to, the following:

- (i) Direct labor salary/wage information with associated payroll expenses, for personnel to be used in performance of the work;
- (ii) Staging costs;
- (iii) Subcontractor costs;
- (iv) Cost for equipment, supplies, and consumable materials;
- (v) A breakout of related support costs, such as equipment maintenance, rental, transportation, bond cost and fees, insurance, etc.;
- (vi) Overhead costs;
- (vii) General Administrative expenses;
- (viii) Profit

The Government reserves the right to request additional pricing information during subsequent discussions or negotiations as necessary in order to determine prices are fair and reasonable.

Certifications and Representations: Offeror's Certifications and Representations will be obtained from the United States federal government's System for Award Management (SAM) database, prior to award. The Offeror shall ensure information is current in SAM prior to the response due date. The Offeror shall ensure self-certification as small business status under NAICs Code 236220, size standard \$45 million prior to response due date. Anomalies and inconsistencies found in the Offeror's Certifications and Representations may result in deeming the Offeror's proposal non-responsive.

Joint ventures, SBA Mentor – Protégé, or other teaming proposals shall clearly identify the roles and level of participation of each firm in the proposed work and shall include the Small Business Administration approval of Small Business status of the offering business entity. Small Business Administration approval of Small Business status shall be included with the proposal submission. Failure to include SBA certification of small business status for purposes of this solicitation with submission of the proposal may result in rejection of the offer.

Joint Venture Agreement: (1) All offers submitted by joint ventures must include a copy of the joint venture agreement which fully discloses the legal identity of each member of the joint venture, the relationship between the members, the form of ownership of each member, and any limitations on liability or authority for each member. (2) An authorized representative of each member of the joint venture must sign the submission accompanying an offer regardless of any agency relationship established between the members.

SBA Mentor – Protégé Agreement: If a business concern is contemplating an 8(a) Mentor-Protégé Joint Venture on this construction contract, evidence shall be provided from the Offeror that the

Mentor-Protégé Agreement has been submitted and approved by the Small Business Administration (SBA) by the closing date of RFP submission. All Mentor-Protégé Joint Ventures must be in accordance with SBA requirements. Mentor-Protégé Joint Ventures applications must be approved by the Mentor-Protégé's cognizant SBA office on or before the date that proposals are due. Failure to demonstrate SBA approval of the Mentor-Protégé Joint Venture with the proposal may result in rejection of the offer.

The offeror shall submit Volume II by email, marked as such.

END OF SECTION

SECTION M – EVALUATION FACTORS FOR AWARD

M.1. EVALUATION FACTORS FOR AWARD

- (a) This acquisition will utilize **Lowest Price Technically Acceptable (LPTA)** source selection procedures in accordance with FAR 15.101-2, as supplemented. This is a competitive LPTA best value source selection. The LPTA process is selected as appropriate for this acquisition because the best value is expected to result from selection of the technically acceptable proposal with the lowest evaluated price.
- (b) By submission of its offer, the Offeror accepts all solicitation requirements, including terms and conditions, representations and certifications, and technical requirements. All technically acceptable offerors, with satisfactory past performance, shall be evaluated equally with respect to technical capability and past performance. The best value determination and subsequent contract award will be made to that offeror who has met all solicitation requirements, has been determined to be technically acceptable, has no less than satisfactory past performance, and who has offered the lowest price.
- (c) An overall non-price factor rating must be at least "Acceptable" in order to be eligible for award. An "Unacceptable" rating in any factor results in the overall non-price factors being rated "Unacceptable" unless corrected through discussions. An overall non-price rating of "Unacceptable" makes a proposal ineligible for award.
- (d) The Government intends to select ONE contractor for award of this effort. The proposals will be initially evaluated by lowest price and if the lowest priced proposal submitted is found to be technically acceptable, no other proposals will be evaluated, and award will be made to the lowest priced, technically acceptable offeror. However, if the small business lowest priced proposal is not found technically acceptable, the next small business lowest priced proposal will be evaluated until the lowest priced, technically acceptable proposal is found.
- (e) For purpose of award, the Government will evaluate offers based on the evaluation factors described below. Factor 3 (Price) will be evaluated for reasonableness in accordance with FAR 15.404-1. The price evaluation will be based on the "Total Price" listed in Block 17 of the SF1442.

FACTOR 1 Specialized Experience (Acceptable/Unacceptable)

FACTOR 2 Key Personnel (Acceptable/Unacceptable)

FACTOR 3 Technical Approach, Schedule & Organization (Acceptable/Unacceptable)

FACTOR 4 Past Performance (Acceptable/Unacceptable)

FACTOR 5 Price (Reasonableness)

- (f) Price is the discriminating factor for award among eligible offers. The lowest reasonable price among eligible offerors will be selected for award. The Total Firm Fixed Price listed in block 17 of the

SF1442 shall be utilized for the overall price evaluation and to determine the lowest priced offer. Selection does not commit the Government to awarding this project.

- (g) Any experience provided for a firm other than the offeror(s) (prime contractor(s)) that is not listed under their name/SAM Unique Entity Identifier (UEI) number submitted under this solicitation will not be considered.

M.1.1. VOLUME I: TECHNICAL PROPOSAL

FACTOR 1: Specialized Experience

Basis of Evaluation: Evaluation of this factor will be an assessment of the offeror's project experience on an Acceptable/Unacceptable basis. To achieve an Acceptable rating, at least three (3) relevant projects submitted must be at least 75% complete within the preceding seven (7) years from the date of proposals and must be determined to be relevant in similar size, scope, and complexity to the requirement described in this solicitation AND At least one (1) of the projects shall demonstrate experience in constructing a wood and steel commercial building with mechanical, electrical and plumbing systems or similar large related projects. The Government will only review a maximum of five (5) submitted projects under this Factor. Any projects submitted in excess of five (5) will not be considered.

FACTOR 2: Key Personnel

Basis of Evaluation: Evaluation of this factor will be an assessment of the following three (3) positions on an Acceptable/Unacceptable basis. To achieve an Acceptable rating, a resume or key personnel form shall be submitted for each position (listed below) and each person shall demonstrate a minimum of three (3) years' experience doing work of similar size, scope and complexity on relevant and recent projects.

- (i) Project Manager
- (ii) Superintendent
- (iii) Safety Officer

*Proof of certification shall be submitted either in the form of a copy of any relevant certifications OR include the relevant certification information on the key personnel form/resume. (e.g., OSHA, Board of Certified Site Safety and Health Officers (BCSSHO), etc.) for the Safety Officer, OSHA 30-hour Construction Training Course is acceptable.

* Superintendent and Safety Officer may be dual-hatted, but experience shall be demonstrated separately for each position (i.e., if submitting the same person for both roles, that individual must have and demonstrate relevant experience on projects as both the Superintendent and Safety Officer separately).

FACTOR 3: Technical Approach, Schedule & Organization

Basis of Evaluation: Evaluation of this factor will be an assessment of the offeror's technical approach, schedule & organization on an Acceptable/Unacceptable basis. The standard for this factor is met when the offeror's submission adequately addresses each of the submission requirements:

- (i) A narrative that includes the following:
 - (1) Describing the project and how the scope of work will be accomplished, taking into consideration the site limitations, the physical limitations, staging and access limitations, and other limitations that the offeror identifies;

- (2) A description of the facilities and equipment, geographic location, and workforce which will be used during the performance of this contract;
 - (3) How the management and coordination of consultant and subcontractor efforts will be accomplished to support the offeror's technical approach.
 - (4) Identifying the greatest risk(s) to completing this project on schedule, if any, and how offerors plan to overcome such challenges to ensure all contract work is successfully completed within contract requirements. If no risks are identified, the narrative shall explain this reasoning.
- (ii) A draft schedule that includes the number of calendar days, after notice to proceed, sequencing of work for construction activities, mandatory tasks, specified time for construction submittals, long lead procurement items, any construction phasing of work, and contract closeout submittal items.
 - (iii) A simple organization chart illustrating the team being proposed for this project that describes how the project is to be organized, staffed, and managed that demonstrates the offeror's understanding and effective management of events and tasks. If applicable, clearly describe any teaming or joint venture arrangements, including a clear description of each firm's roles and responsibilities on the project.

*If a teaming arrangement or joint venture is being proposed, a copy of the teaming or joint venture agreement(s) shall be included in the technical proposal. These agreements shall not count towards this factor's page limitation.

FACTOR 4: Past Performance

Basis of Evaluation: The basis of evaluation will be the degree to which past performance evaluations (to include PPQs if applicable) and all other past performance information reviewed by the government (i.e., CPARS, PPIRS, FAPIIS, eSRS, performance recognition documents, etc.) reflect a trend of satisfactory performance. Evaluation of this factor will be an assessment of the overall past performance record.

Offerors need not submit for this factor; but if they choose to, offerors should submit past performance information on relevant projects that are at least 75% construction progress complete or completed within seven (7) years preceding the date proposals are due on projects submitted under Factor 1, Specialized Experience. The Government may seek all relevant performance information on all responsive and otherwise Technically Acceptable Offerors through sources such as CPARS or other government databases and other sources that are available. The Government shall not be limited in its search for performance data.

In the case of an offeror without a record of relevant past performance or for whom information on past performance is not available or so sparse that no meaningful past performance rating can be reasonably assigned, the offeror may not be evaluated favorably or unfavorably on past performance (see FAR 15.305(a)(2)(iv)). Therefore, the offeror shall be determined to have unknown past performance. In the context of acceptability/unacceptability "unknown" shall be considered "ACCEPTABLE."

M.1.2. VOLUME I: PRICE

FACTOR 5: Price:

Basis of Evaluation: The Government shall conduct a price evaluation of technically acceptable offer(s). The Government will evaluate price based on the “Total Price” included in Section B.1 of this solicitation using the efficient method of evaluation detailed in paragraph (d) of this provision.

Failure to address any of the VOLUME II (Price Proposal) Submittal Requirements may result in an “UNACCEPTABLE” rating and the proposal may not be considered for further evaluation.
