

## **1. Purpose**

**THERE IS NO SOLICITATION AVAILABLE AT THIS TIME. REQUESTS FOR A SOLICITATION WILL NOT RECEIVE A RESPONSE.** The 673d Contracting Squadron, Joint Base Elmendorf-Richardson (JBER), Alaska intends to award a firm-fixed price, sole-source procurement action to MCS of Tampa, Inc. for maintenance and service of an existing command and control communications system under the authority of FAR Part 13.106-1(b)(1)(i).

This Sources Sought Synopsis (SSS) is pursuant to FAR PART 10 in support of Market Research being conducted by the United States Air Force to identify potential sources to perform maintenance support services and determine if this effort can be competitive. This is not a Request for Proposal (or solicitation) or an indication that a contractual commitment will exist for this requirement. The government does not intend to award a contract on the basis of this market research. No funds are available to fund the information solicited. The Government will use this information to determine the best future acquisition strategy for this procurement.

## **2. Program Information**

The Contractor shall provide all personnel, equipment, tools, materials, supervision and any other necessary items and services necessary to accomplish the level of maintenance required. This maintenance contract will include the regular maintenance and repair of all CP/ALT CP, 3 MOC, and 3 MUNS equipment. The communications System must be operational 24 hours per day, 7 days per week.
