

Single Source Justification (Simplified Acquisition)

Section A: General Contract Information

Is this a Bridge Action as defined in the [AF Bridge Action Reduction Plan](#)? ☐ Yes ☒ No

Contracting Activity: 436 Contracting Squadron

Project/Program Name: 436 SFS Symphony Client Upgrade

Purchase Request / Local ID Number:

Estimated Contract Cost (including Options): [REDACTED]

Section B: Description of the Supplies/Services Required

On site technical service to upgrade the symphony client camera system software, replace the servers and re-up camera licenses. Diagnostics and repair of camera system is included.

Section C: Justification for Soliciting from a Single Source or Brand Name

Symphony Client is owned by Senstar and Colossal Contracting LLC is the only authorized company with the capabilities to upgrade the symphony client and replace the existing servers. This is a follow on to FA449723P0004 for troubleshooting and diagnostics conducted by Senstar.

Section D: Efforts to Obtain Competition

After conducting market research SENSTAR is the sole proprietor of Symphony Client, and has delegated this project to a partner company that has the capabilities necessary to satisfy the requirement.

Section E: Steps to Preclude Future Single Source or Brand Name Awards

A combined Solicitation/Synopsis was posted to SAM.gov and enables other vendors the opportunity to provide valid evidence of authorization to work on Senstar equipment. If evidence is validated, the quote will be considered.

Section F: Contracting Officer's Determination

I have determined, in accordance with [FAR 13.106-1\(b\)\(1\)](#), that the circumstances of this contract action deem only a single source is reasonably available.
