INTRODUCTION/BACKGROUND

This five day course is designed to provide Advanced Tactical Operators (ATO) with in-depth weapons handling, improve shooting accuracy, and tactical positioning. The course covers both basic and advanced weapons handling techniques. The facility offers 25 individual ranges designed to emphasize specific components of weapons proficiency. Range targets range from custom paper targets to Coast Guard approved AR500 steel reactive targets. Onsite lodging and DOD compliant arms/ammunition storage is available. MSRTW personnel utilize weapons proficiency as a foundation of Close Quarters Combat. This course will provide ATOs advanced training, knowledge, and skills necessary to highly increase mission readiness in support of Operation Pelagic Strike and enhancing Short Notice Maritime Response (SNMR).

SCOPE OF WORK

The scope of work for the Shaw's Shooting 5 Day Pistol/Rifle Course includes access to onsite range facilities, armory, and lodging. The selected vendor will be responsible for ensuring range facilities are in working order. The selected vendor will be responsible for providing instructors to facilitate range training and instruct shooting curriculum throughout the duration of the course. Specific deliverables and milestones will be listed in the Work Requirements and Schedules and Milestones sections of this SOW.

PERIOD OF PERFORMANCE

The period of performance for the 5 Day Pistol/Rifle Course is one business week (five days) beginning on 16 October 2023 through 20 October 2023. All work must be scheduled to complete within this timeframe.

PLACE OF PERFORMANCE

The selected vendor for the 5 Day Pistol/Rifle Course project will perform all work at its own facility. The vendor will provide and arrange for onsite lodging within its facility for all attendees. Once the project reaches the training phase, all training will be conducted at the Shaw's Shooting facility.

WORK REQUIREMENTS

As part of the Shaw's Shooting 5 Day Pistol/Rifle Course the vendor will be responsible for performing tasks throughout various stages of this project. The following is a list of these tasks which will result in the successful completion of this project:

Arrival:

- Vendor will prepare course curriculum, range facilities, and lodging for student arrival.
- Vendor will direct team on appropriate gear storage areas as applicable.
- Vendor will provide the team a schedule for training throughout the duration of the course.

Training Phase:

- Vendor will provide training in accordance with the schedule and training plan provided upon arrival.

Project Closure/Departure:

- Vendor will ensure all training objectives required of the course have been met.
- Vendor will ensure the team has left the lodging and range facilities in an appropriate material condition (in accordance with normal use).
- Vendor will ensure team has access to all necessary storage facilities to pack gear and depart in a timely fashion.

SCHEDULE/MILESTONES

The below list consists of the initial milestones identified for the Shaw's Shooting Course Project:

Students Arrive Shaw's Shooting	October 15, 2023
5 Day Pistol/Rifle Course	October 16-20, 2023
Students Depart Shaw's Shooting	October 21, 2023

ACCEPTANCE CRITERIA

For the Shaw's Shooting 5 Day Pistol/Rifle Course the acceptance criteria will be met at the successful conclusion of the curriculum taught throughout the course. The Direct Action Section Six leadership (team of attendees) will ensure the completeness of the course and ensure the scope of work has been met. Once the course is completed an after-action report will be generated and routed through the appropriate channels for review by the Direct Action Section Six leadership. Any discrepancies involving completion of project tasks or disagreement between the Coast Guard and the chosen vendor will be referred to both organizations' contracting offices for review and discussion.

OTHER REQUIREMENTS

None.
