1.0 INTRODUCTION

The C-130J Maintenance and Aircrew Training Systems (C-130J MATS) and C-130H Hercules Aircrew Training System (ATS) programs provide training support for the Air Mobility Command (AMC) at Little Rock AFB, AR. The programs are in the process of moving to a new consolidated C-130 Fuselage Trainer (FuT) building (Building #618) at Little Rock AFB. Building 618 is scheduled to complete late 4QFY23 with devices scheduled to begin delivering as early as July 2023 and training to begin in January 2024.

This document is intended to provide the contractor with the building floorplan and the desired design of the individual classrooms/offices. The specific requirements regarding procurement and installation are covered in the associated Performance Work Statement (PWS). Should any discrepancies exist between these documents, the contractor shall adhere to the requirements in the PWS.
