

17 May 2023

SUBJECT: FA460823QC055 – Rolling Tool Kits, Amendment 01

1. The purpose of this amendment is to update the equipment list in the list of attachments, and extend the due date/time for the subject solicitation.
2. It was identified that some of the items listed on the equipment list were too specific to allow for maximum competition. This amendment is to add Attachment 1 – Equipment List (Amended) to the list of attachments to correct this issue.
3. As a result of the listed changes, the solicitation due date will be extended seven (7) days, from 31 May 2023 to 07 June 2023.
