1	X		We've been actively monitoring SAM.gov and just wanted to be sure that it has not already been released? If not, is there an anticipated time frame for its release?	The Government has only posted a presolicitation for this project and has not yet posted the solicitation documents for this project. The Government anticipates posting the solicitation documents after the solicitation documents are completed and funding is available.	2/27/2023
2	X		We are very interested in the above referenced project. Do you have any more information about this project currently?	See response to first question in the file name QA_02-27-2023.pdf that is posted on sam.gov at the following link: https://sam.gov/opp/da0ee587a2a14ce093d291fc061f6421/view	3/15/2023
