MEMORANDUM FOR RECORD -

FROM: 375 CONS/PKB1

201 E WINTERS ST BLDG 50

SCOTT AFB IL 62225-5015

SUBJECT: 3rd Extension of Due Date for Giant Voice System Upgrade Requirement / Change of Contracting Officer

1. The purpose of this memorandum is to explain the reason for the due date on the Giant Voice System Upgrade being extended to Wednesday - 19 July 2023 on sam.gov.
2. As mentioned on the last MFR, after the site visit was conducted a large number of RFI's were submitted. Once submitted, the team @ 375th Contracting Squadron sent them over to our technical experts and customers to answer and while most have been answered (see attachment titled "RFQ Att.4 RFQ Att.4 - RFIs Answered as of 7.6.2023 - GVS Upgrade") we still have yet to get them all answered. Because of this the quote due date has been moved from 10 July (Monday) 2023 to 19 July 2023 @ 10:00 AM.
3. This change in due date has moved the RFI due date to 13 July 2023 (Thursday) @ 10:00 AM.
4. Questions regarding this memo should be directed to Nicholas "Dillon" Weiss at nicholas.weiss.5@us.af.mil or 618-531-6066.
