Administrative Notes

- There will be no cameras, audio recordings, or videotaping or other recordings allowed, except that done by the Government. Cellular phones with cameras are allowed, but no pictures are permitted to be taken.
- Q&A is allowed. When asking a question, please include your Company Name and your name. We will do our best to address your questions during the event. We recommend all questions be followed up in writing to the Contracting Office to ensure they are answered completely and with accuracy.
- Remarks and explanations provided by Government representatives during the site visit shall not change the terms of the RFP. Any change to the RFP terms will be conveyed through an amendment to the RFP.
- We will not be able to address procurement sensitive questions.
- Following this site visit, communications should be directed exclusively at the Contracting Office. DO NOT communicate directly with ASC personnel.
- We kindly request that you hold your questions until the conclusion of this brief.

Contracting Information

- **Installation Readiness Center (IRC):**
 - Location: Fort Sam Houston, TX
 - IRC was stood up so the MICC can more effectively promote strategic Army category management objectives that will optimize support for our Soldiers and align MICC contract execution with our major mission partners' readiness priorities and lines of effort.
 - MICC IRC is the strategic contract execution location for new and follow-on contract awards for Food Service and Installation Operations and Support requirements (to include: Base Operations, Minor Construction, Job Order Contracts (JOCs), Architect and Engineering (A&E)).
 - IRC will accomplish all pre-award functions through successful contract award
 - Post award executed by the local Installation Contracting Office

Contracting Information

- RFP was released on 15 Feb, 2023
- Site Visit Scheduled for 1 March
- All Technical Questions are **due No Later Than (NLT) 8 March 2023, 12:00 PM CST.**
- Proposals are **due 30 March at 12:00 (CST)**
- Critical Path Milestones:
 - Discussions (if required): on or about 18 July 2023
 - Contract Award: on around 30 November 2023
- This procurement is a 100% SB set-aside subject to the Randolph-Sheppard Act (R-SA), which establishes a priority for blind persons recognized and represented by the State Licensing Agency (SLA)
- Please carefully read the the ADDENDUM TO 52.212-1 (Instructions, Conditions, and Notices to Offerors) and ADDENDUM to 52.212-2 (Evaluation – Commercial Items)

Contracting Information

- **BASIS FOR AWARD:**

- Award will be made to a single offeror whose timely offer is deemed responsible IAW FAR, whose proposal conforms to the solicitation requirements and whose proposal, judged by an overall assessment of the evaluation criteria and other considerations specified in this solicitation, represents the **Lowest Priced Technically Acceptable (LPTA)** offer, or to the State Licensing Agency (SLA) under the R-SA priority pursuant to the procedures outlined below in the provision. **The Government reserves the right to award this effort based on the initial proposal, as received, without discussions.**
- Should discussions become necessary, the Government reserves the right to conduct them. In this event, the KO will establish a competitive range and will seek Source Selection Authority (SSA) approval.

Contracting Information

- **EVALUATION FACTORS:**

- Factor 1: Technical Capability Factor
 - Subfactor 1: Staffing Plan
- Factor 2: Past Performance Factor
- Factor 3: Price Factor
- **Subfactor 1 – Staffing Plan.** To be considered acceptable, the Offeror shall clearly demonstrate that their staffing is appropriate to successfully perform the PWS requirements. Appropriate staffing includes the number of personnel and the labor mix to successfully perform the PWS requirements. The offeror's staffing and rationale shall clearly demonstrate (1) that the number of staff and the associated labor type outside of serving times is appropriate to clearly demonstrate successful completion of the PWS requirements; and (2) the staffing will ensure successful continuous operations of all PWS tasks during the feeding times (to include as patrons/units rotate through the facility). *Additionally, the Offeror's staffing shall clearly demonstrate they can accommodate fluctuating workloads within a band of meals, minimize personnel turnover, and allow for cross-training and cross-utilizing of personnel to perform the requirements of the PWS.*

Contracting Information

- **PRICING:**

- Important Note on Pricing: Please ensure your pricing proposal is complete and accurate. *Offers received for less than the stated number of items listed in the pricing schedule, Schedule - Supplies or Services and Attachment G - FBGA Pricing Matrix – 20220412 of the solicitation will be considered ineligible for award.*
- Please note the following language, included in error. This will be removed in the next Amendment.
 - *Any CLIN or SubCLINs provided in Attachment G - FBGA Pricing Matrix – 20220412 of the Solicitation without an estimated quantity will not be included in the TEP for award purposes. However, the Unit Prices provided for these CLINs/SubCLINS will be evaluated for reasonableness and balance.*

Contracting Information

- **SOLICITATION DOCUMENTS:**

- The following are required for award as a matter of solicitation compliance, but they are not included in the source selection evaluation or be considered in the basis for award.
 - Solicitation, Offer and Award
 - Supplies or Services and Prices/Costs
 - Representation, Certification, and Other Statements of Offerors
 - Exceptions / Assumptions
 - Mission-Essential Contractor Services Plan
 - Property Management Plan (PMP)
 - Subcontracting Plan (Applies to SLA)
