3. Contractor Manpower Reporting

"ACCOUNTING FOR CONTRACT SERVICES-The Office of the Assistant Secretary of the Army (Manpower & Reserve Affairs) operates and maintains a secure Army data collection site where the contractor will report ALL contractor manpower (including subcontractor manpower) required for performance of this contract.

4. Exclusion from Participation in Federal Health Care Programs (October 2015)

4.1. The Contractor shall not employ or contract with any individual or entity (hereinafter collectively referred to as "person") to provide items or services that will be included in invoices submitted to the Government under this contract if such person is listed on the Department of Health and Human Services (HHS) Office of the Inspector General (OIG) List of Excluded Individuals and Entities (LEIE) or the TRICARE Sanctioned Provider List. The Government is legally prohibited from paying for provision of items or services by such persons. The

prohibition extends to services beyond direct patient care, such as services of persons in executive or leadership roles and administrative and management services, whether or not such services are billed separately. The LEIE may be found at <http://oig.hhs.gov/fraud/exclusions.asp>, and the TRICARE Sanctioned Provider list at <http://www.health.mil/Military-Health-Topics/Access-Cost-Quality-and-Safety/Quality-And-Safety-of-Healthcare/Program-Integrity/Sanctioned-Providers>. The LEIE and TRICARE Sanctioned Provider List are hereinafter collectively referred to as “the Lists.”

4.2. Prior to start of contract performance, the Contractor shall (a) query the Lists to determine whether the name of any person the Contractor employs or contracts with to provide services or items for which payment may be made under this contract appears on the Lists, and (b) certify to the Contracting Officer that the Contractor has queried the Lists and no such names appear on either of the Lists.

4.3. During performance of the contract, and prior to persons other than those whose names were queried in accordance with paragraph 2, above, (hereinafter “new persons”) providing services or items under the contract, the Contractor shall (a) query the Lists as in paragraph 4.2., and (b) certify to the Contracting Officer that the names of such new persons do not appear on either of the Lists.

4.4. Should any person providing items or services under the contract appear on either of the Lists at any time during contract performance, the Contractor shall (a) in cases where the Contractor identified the person, notify the Contracting Officer, and (b) promptly remove that person from the contract.

4.5. Violation of any aspect of the above paragraphs shall be considered a material breach of the contract and may result in termination of the contract.

4.6. The Contractor is further advised that, in accordance with Civil Monetary Penalties Law [CMP] (codified at 42 USC § 1320a-7a):

a. There are steep civil monetary penalties associated with billing the Government for providing items or services by a person on either of the Lists, and with failing to return to the Government any overpayments received for provision of such items or services.

b. Billing under the contract for provision of items or services by a person on either List may also result in exclusion of the person that employs or contracts with such person.

8. HHS OIG has issued a Special Advisory Bulletin on the Effect of Exclusion from Participation in Federal Health Care Programs with additional information on the CMP. The Special Advisory Bulletin may be found at <http://oig.hhs.gov/exclusions/files/sab-05092013.pdf>.

APPENDIX A
PERFORMANCE REQUIREMENTS SUMMARY (PRS)

The contractor service requirements are summarized into performance objectives that relate directly to mission essential items. The performance threshold briefly describes the minimum acceptable levels of service required for each requirement. These thresholds are critical to mission success.

Performance Requirement	Performance Standard	Acceptable Quality Level (AQL)	Surveillance Method
Invoices submitted with correct CPT codes.	IAW PWS Para 2.2.	100% compliance	100% Inspection
Accreditation current for both radiology and laboratory departments.	IAW PWS Para 2.3.	100% compliance	Periodic Inspection
Turnaround time for specified labs meets requirements.	IAW PWS Para 2.4.	100% compliance	100% Inspection
Results appropriately communicated.	IAW PWS Para 2.7.	100% compliance	100% Inspection
