(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals -

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property,

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.* (A) The taxpayer has received a statutory notice of deficiency, under I.R.C. § 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. § 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. § 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

[The contracting officer is to check a box to indicate if paragraph (k)(1) or (k)(2) applies.]

(1) ☐ Maintenance, calibration, or repair of certain equipment as described in FAR 22.1003-4(c)(1). The offeror ☐ does ☐ does not certify that -

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies -

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Labor Standards wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.

(a) Definitions. As used in this provision-

"Authorized representative(s) of the offeror" means the person(s) identified to the Internal Revenue Service (IRS) within the consent to disclose by the offeror as authorized to represent the offeror in disclosure matters pertaining to the offer.

"Delinquent Federal tax liability" means any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

"Tax check" means an IRS process that accesses and uses taxpayer return information to support the Government's determination of an offeror's eligibility to receive an award, including but not limited to implementation of the statutory prohibition of making an award to corporations that have an unpaid Federal tax liability (see FAR 9.104-5(b)).

(b) Notice. Pursuant to 26 U.S.C. 6103(a) taxpayer return information, with few exceptions, is confidential. Under the authority of 26 U.S.C. 6103(h)(1), officers and employees of the Department of the Treasury, including the IRS, may have access to taxpayer return information as necessary for purposes of tax administration. The Department of the Treasury has determined that an IRS contractor's compliance with the tax laws is a tax administration matter and that the access to and use of taxpayer return information is needed for determining an offeror's eligibility to receive an award, including but not limited to implementation of the statutory prohibition of making an award to corporations that have an unpaid Federal tax liability (see FAR 9.104-5).

If the offeror recently settled a delinquent Federal tax liability, the offeror may want to take steps to obtain information in order to demonstrate the offeror's responsibility to the contracting officer (see FAR 9.104-5).

(c) The offeror shall execute the consent to disclosure provided in paragraph (d) of this provision and include it with the submission of its offer. The consent to disclosure shall be signed by an authorized person as required and defined in 26 U.S.C. 6103(c) and 26 CFR 301.6103(c)-1(e)(4).

(d) Consent to disclosure. I hereby consent to the disclosure of taxpayer return information (as defined in 26 U.S.C. 6103(b)(2)) as follows:

The completion of the assigned mandatory briefings constitutes the completion of the Security Orientation.

3. The SAT must be completed by contractor/subcontractor personnel within 5 business days of successful resolution of the suitability and eligibility for staff-like access as outlined in IR1052.204-9000 Submission of Security Forms and Related Materials and before being granted access to SBU data. The date listed on the memo provided by IRS Personnel Security shall be used as the commencement date.

4. Training completion process:

The contractor must submit confirmation of completed SAT mandatory briefings for each contractor/subcontractor personnel by either:

- i. Using Form 14616 signed and dated by the individual and authorized contractor management entity and returned to the COR. This option is used for new contractor/subcontractor personnel and any that do not have an IRS network account.
- ii. Using the IRS training system which is available to all contractors with IRS network accounts

5. Annual Training. For contracts/orders/agreement exceeding one year in length, either on a multiyear or multiple year basis, the contractor must ensure that personnel complete assigned SAT mandatory briefings annually no later than October 31st of the current calendar year. The contractor must submit confirmation of completed annual SAT on all personnel unable to complete the briefings in the IRS training systems by submitting completed Form 14616 assigned to this contract/order/agreement, via email, to the COR, upon completion.

6. Contractor's failure to comply with IRS privacy and security policy (to include completion and certification of SAT requirements within the timeframe specified) may be subject to suspension, revocation, or termination (temporarily or permanently) of staff-like access to IRS IT systems and facilities.

7. Flow down of clauses. The contractor shall include and flow down, in its subcontracts (or arrangements or outsourced service agreements) that entails staff-like access to SBU information by a subcontractor, at any tier, the same Federal Acquisition Regulation (FAR) and local privacy and security or safeguard clauses or provisions for protecting SBU information or information systems that apply to and are incorporated in its prime contract with IRS.

#### **1052.224-70 Contract Publication (Oct 2018)**

(a) The Department of the Treasury (Treasury) may, at its sole discretion, publish this contract or portions thereof, including orders issued under the contract when deemed in the best interest of the Government.

(b) To afford the Contractor an opportunity to review and propose redactions for any information contained in the Treasury contract that may be subject to a FOIA exemption, the Contractor may submit, within ten business (10) days from the date of award of this contract or any order issued under the contract—

(1) A pdf file of the fully executed contract or order that is suitable for publication and which includes all Contractor proposed redactions (e.g, trade secrets or any commercial or financial information that the Contractor believes to be privileged or confidential business information) and.

(2) A written statement identifying the portions of each proposed redactions, including the applicable exemption under the Freedom of Information Act (FOIA), 5 U.S.C. 552, and, in the case of FOIA Exemption 4, 5 U.S.C. 552(b)(4), shall demonstrate why the information is considered to be a trade secret or commercial or financial information that is privileged or confidential.

(c) Treasury will consider the Contractor's proposed redactions and associated grounds for nondisclosure prior to making a determination as to what information may be properly withheld for purposes of publishing this contract or portions thereof.

(d) The Contractor may submit a request to the CO for additional time to complete the action prescribed by paragraph (b) of this clause. The lack of action by the Contractor will be deemed by the Government as there being no information in the Treasury contract subject to a FOIA exemption.

(e) Information provided by the Contractor in response to this clause may itself be subject to disclosure under the FOIA.

**IR1052.232-9001 Electronic Invoicing and Payment Requirements for the Invoice Processing Platform (IPP) (Jul 2019)**

(a) Definitions:

"Short payment" as used in this clause means the partial payment of an invoice for goods/services actually rendered at the time of payment when the invoice includes additional goods/services that have not yet been provided/rendered.

"Short payment" example: The contract requires the delivery of a set number of items, with the price, delivery location, and delivery due date also specified. The vendor delivers 50% of the items as specified but invoices for 100% of the items. Before implementation of the IPP, the IRS would have paid the vendor for the items delivered and instructed the vendor to re-invoice the IRS when the balances of the items were delivered. In other words, the IRS would "short pay" the invoice since the IRS did not remit payment for the full invoice amount. With implementation of the IPP, the IRS can no longer do this because the IRS cannot accept an electronic invoice that includes items not yet received. The IRS will reject the invoice. The vendor needs to submit an invoice for only the items received by the IRS (in this case, 50%), and, if these items meet all other contract terms and conditions, the IRS will pay the invoiced amount. The vendor submits subsequent invoice(s) for items as they are delivered and accepted.

(b) The Invoice Processing Platform (IPP) is a secure Web-based electronic invoicing and payment information service available to all Federal agencies and their suppliers. Effective October 1, 2012, invoicing for payment through the IPP will be mandatory for all new contract awards. Additional information regarding the IPP may be found at the IPP website address <https://www.ipp.gov>. Contractors must complete the contractor point of contact information below and submit it with their proposal submissions. Contractors may contact the IPP Helpdesk for assistance via e-mail at [ippgroup@stls.frb.org](mailto:ippgroup@stls.frb.org) or via phone at (866) 973-3131. Once a contract award has been made, the contractor will be contacted by the IPP via e-mail to set-up an account. It will be necessary for contractors to login to their IPP accounts every 90 days to keep their IPP accounts active.

(c) Contractor Point of Contact Information

Contractor Name:

Contractor IPP Point of Contact Name:

Contractor Phone Number:

Contractor E-mail Address:

(d) Electronic Invoicing and Payment Requirements

Vendor invoices submitted electronically through the IPP should be in the proper format and contain the information required for payment processing. To be approved for payment, a "proper invoice" must list the items specified in FAR 52.232-25 (a)(3)(i) through (a)(3)(x), or in the case of a Commercial Item Contract, the items included in 52.212-4(g)(1)(i) through (g)(1)(x).

If the vendor is offering a discount via the IPP, the discount must be reflected on the invoice. The vendor will select 'Create Invoice'. The IPP system will default to 'Net 30 Prompt Pay' under the Payment Terms dropdown box. The vendor will select from 54 different discount options for the invoice that is being created. If the vendor chooses to offer a discount on the invoice screen, the information will interface to the payment system for processing. Discounts that are offered on attachments rather than the invoice itself cannot be accepted.

Under this contract, the following documents are required to be submitted as an attachment to the invoice (Contracting Officer fills in additional documentation that must be furnished by the contractor (e.g. timesheet)). Please do not submit into IPP any documentation/attachments that conflict with what is stated on the invoice:

### Payment and Invoice Questions

For payment and invoice questions, contact the Ancillary Systems at (304) 254-3372 or via e-mail at [cfo.fm.ipp.customer.support@irs.gov](mailto:cfo.fm.ipp.customer.support@irs.gov).

#### (e) Waiver

If the Contractor is unable to use the IPP for submitting payment requests starting on October 1, 2012, then a waiver form must be completed and submitted with the contractor's proposal submission for review and approval by the Contracting Officer based on one of the conditions listed in the waiver. The vendor will be notified prior to award as to whether their request for waiver has been approved or denied. If the waiver is granted, then a copy of the waiver must be submitted with each paper invoice that the vendor submits to the payment office or the invoice will be returned.

#### (f) Short Payment

Short payment on vendor submitted invoices will no longer be processed or paid. If any portion of the invoice does not meet the requirements for a proper invoice, the entire invoice shall be rejected and returned to the vendor unpaid.

### IRS Invoice Processing Platform (IPP) Waiver Form

The IRS invoicing and payment requirements clause (IR1052.232-9000) requires that all invoices under awards made (or effective) on or after October 1, 2012, be submitted electronically via the IPP unless a waiver is requested and granted. If the Contractor is unable to submit its invoice through the IPP, the Contractor shall complete this waiver form indicating the reason for the waiver request by selecting the appropriate box below and providing a narrative summarizing in detail the circumstances requiring a waiver. For a solicitation, submit the waiver form with the proposal submission. For a modification that incorporates the IPP clause into an existing contract, submit the waiver form with the modification. The CO will notify the vendor via e-mail or another appropriate means of communication prior to award as to whether their waiver has been approved or denied. If the waiver is granted, then a copy of the approved

waiver must be submitted with each invoice that the vendor submits to the payment office or the invoice will be returned.

Reason for requesting a waiver of the requirement to submit an electronic invoice via the IPP:

☐ 1. Submission of invoices through IPP would impose a hardship on an individual (includes employees and sole proprietors) due to: either a physical or mental disability; a geographic, language, or literacy barrier; or an undue financial burden. The requirement to submit invoices through the IPP is automatically waived for all individuals who do not have payment capability using ACH with a U.S. financial institution.

☐ 2. The political, financial or communications infrastructure where the place of business is located does not support access to the IPP for submitting invoices electronically.

☐ 3. The contractor is located within an area designated by the President of the United States or an authorized agency administration as a disaster area. (Please identify area/location.)

☐ 4. The submission of invoices electronically may pose a threat to national security, the life or physical safety of an individual may be endangered, or a law enforcement action may be compromised.

☐ 5. The agency does not expect to receive more than one invoice from the same contractor within a one-year period. i.e., the invoice submission is non-recurring.

☐ 6. The contractor customarily submits a high volume of invoices on a regular basis via file format, not currently supported by the IPP (i.e., uses a file format other than XML or CSV) and the high volume of invoices would cause a significant burden to the contractor if submitted through the IPP individually. If utilizing this exception, please identify the file formats supported by your invoicing system so that the IPP may consider implementing the requested file format at a later date. File format(s) used: \_\_\_\_\_

☐ 7. Other - Please explain: \_\_\_\_\_

\*\*\*Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 (\$16.20 per hour) or 13658 (\$12.15 per hour). Please see the Note at the top of the wage determination for more information. Please also note that the minimum wage requirements of Executive Order 14026 and 13658 are not currently being enforced as to contracts or contract-like instruments entered into with the federal government in connection with seasonal recreational services or seasonal recreational equipment rental for the general public on federal lands.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors, applies to all contracts subject to the Service Contract Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is the victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at [www.dol.gov/whd/govcontracts](http://www.dol.gov/whd/govcontracts).

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$4.80 per hour, up to 40 hours per week, or \$192.00 per week or \$832.00 per month

HEALTH & WELFARE EO 13706: \$4.41 per hour, up to 40 hours per week, or \$176.40 per week, or \$764.40 per month\*

\*This rate is to be used only when compensating employees for performance on an SCA-covered contract also covered by EO 13706, Establishing Paid Sick Leave for Federal Contractors. A contractor may not receive credit toward its SCA obligations for any paid sick leave provided pursuant to EO 13706.

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor, 3 weeks after 5 years, and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the

performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

**HOLIDAYS:** A minimum of eleven paid holidays per year: New Year's Day, Martin Luther King Jr.'s Birthday, Washington's Birthday, Memorial Day, Juneteenth National Independence Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

**THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:**

1) **COMPUTER EMPLOYEES:** This wage determination does not apply to any individual employed in a bona fide executive, administrative, or professional capacity, as defined in 29 C.F.R. Part 541. (See 41 C.F.R. 6701(3)). Because most Computer Systems Analysts and Computer Programmers who are paid at least \$27.63 per hour (or at least \$684 per week if paid on a salary or fee basis) likely qualify as exempt computer professionals under 29 U.S.C. 213(a)(1) and 29 U.S.C. 213(a)(17), this wage determination may not include wage rates for all occupations within those job families. In such instances, a conformance will be necessary if there are nonexempt employees in these job families working on the contract.

Job titles vary widely and change quickly in the computer industry, and are not determinative of whether an employee is an exempt computer professional. To be exempt, computer employees who satisfy the compensation requirements must also have a primary duty that consists of:

(1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;

(2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;

(3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

Any computer employee who meets the applicable compensation requirements and the above duties test qualifies as an exempt computer professional under both section 13(a)(1) and section 13(a)(17) of the Fair Labor Standards Act. (Field Assistance Bulletin No. 2006-3 (Dec. 14, 2006)). Accordingly, this wage determination will not apply to any exempt computer employee regardless of which of these two exemptions is utilized.

2) **AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY:** If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your

regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

**\*\* HAZARDOUS PAY DIFFERENTIAL \*\***

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder.

All dry-house activities involving propellants or explosives. Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

**\*\* UNIFORM ALLOWANCE \*\***

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of ""wash and wear"" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

**\*\* SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS \*\***

The duties of employees under job titles listed are those described in the ""Service Contract Act Directory of Occupations"", Fifth Edition (Revision 1), dated September 2015, unless otherwise indicated.

**\*\* REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE, Standard Form 1444 (SF-1444) \*\***

**Conformance Process:**

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification, wage rate, and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract, a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).
- 2) After contract award, the contractor prepares a written report listing in order the proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the U.S. Department of Labor, Wage and Hour Division, for review (See 29 CFR 4.6(b)(2)(ii)).
- 4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.

6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request, the ""Service Contract Act Directory of Occupations"" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination (See 29 CFR 4.152(c)(1))."
