

Questions and Answers for RFI: 1612679/ 47HAA023N0002

Title: Security Engineering and Operations Support III

#	Section #	Offeror's Questions	Government Response
1		Is there a page limit for responses?	There is no page limit for the responses,but vendors should answer all the questions.
2		Is there an incumbent for the work or is this a new contract?	The incumbent is Valiant Government Services, LLC
3		Is it anticipated that the incumbent TO will get a 6-month extension?	At this time the government does not anticipate an extension on the current task order.
4		If the POP is anticipated to begin 8/3/23, when do you anticipate the final solicitation to be released?	The solicitation release date has not been determined
5		Do you anticipate releasing a draft RFP with sections L&M prior to releasing the final solicitation?	The solicitation release date has not been determined
6		Do you anticipate an industry day for this requirement?	The government will not hold an Industry Day for this requirement.
7		There are multiple mentions in the draft requirement of a “FEDSIM CO” and a “FEDSIM COR”. Is this a FEDSIM opportunity?	Has not been determined
8		There is only one mention of the Security Operations Center (SOC) to be delivered “as a Service” (SOCaaS) in the draft RFQ. Is GSA CISO currently receiving SOC as a Service today, or is this a delivery model that GSA is interested in for the next iteration of this contract?	The SOC as a Service (SOCaaS) referenced in the RFQ is the service GSA OCISO is providing to other organizations within GSA. GSA is not currently receiving SOC as a Service and is not planning on moving to a SOC as a Service model.

9		Clarify on the contract details (i.e., competition type, acquisition strategy, estimated value, award timeline and confirmation of RFP release date?	The government is still in the acquisition planning phase the competition type, acquisition strategy, estimated value, award timeline and confirmation of RFP release date has not been determined.
10		Will GSA use the RFI/SS responses as a down-select, or will GSA still send the solicitation to all interested parties?	The evaluation process has not been determined.
11		Will the government extend the RFI for an additional 10 days?	The RFI will not be extended.
12		Will this be a small business set-aside?	The government is still in the acquisition planning phase the competition type, acquisition strategy, estimated value, award timeline and confirmation of RFP release date has not been determined.
13		Would you consider making it a Service Disabled Veteran Owned Business set-aside?	The government is still in the acquisition planning phase the competition type, acquisition strategy, estimated value, award timeline and confirmation of RFP release date has not been determined.
