

Aircraft Exterior Restoration Q&A

Q1: What the small business size dollar amount cut-off is for this project?

A1: The size standard for NAICS 488190 is: 488190 Other Support Activities for Air Transportation \$35 million.

Q2: Is this a new requirement or an existing contract?

A2: This is a new contract.

Q3: If this is an existing contract, who is the incumbent, what is the period of performance of the current contract, and what is the current contract number?

A3: This is a new contract. There is no current contract nor incumbent.

Q4: Are you able to confirm bid results or share a bid tabulation (bidding companies and amounts) for this project?

A4: The government is conducting market research for potential contractors to provide an estimate. We don't have an estimate to share at this time.
