

**THIS IS A SOLE SOURCE REQUIREMENT**

FA462523Q1086

Whiteman AFB, Mo 65305

21 July 2023

Whiteman AFB intends to award as a sole source solicitation, in accordance with FAR 13.5, a contract for A-10 USB Chargers.

The North American Industry Classification System(NAICS) code is 336413 and the small business size is 1,250 employees. The assigned Service Code is 1680.

This is a new requirement for the procurement of 14 in cockpit power supply kits, part number 55410-4563-001, NSN Number 5935-01-696-6820, for the A-10. Time Compliance Technical Order (TCTO) 1A-10C-668 and TCTO 1A-10C-668C Supplement dictate this part has been approved for the A-10 from only one supplier, Staco Systems. The TCTO supplement also states that the part can be purchased directly from Staco Systems. This is the only part number and the only company that can provide the required part for the aircraft.

Award will be made on or after 21 July 2023

Intended awardee is STACO SYSTEMS, INC.
