

CAD and BIM File Download Instructions

Due to file size limitations associated with SAM.gov, request CAD and BIM files by emailing the Contract Specialist, Michele Renkema at email: Michele.A.Renkema@usace.army.mil. Request must contain an email address, to which pick-up instructions for downloading the files will be sent via DoD SAFE.

CAD/BIM File Disclaimer

The files contained herein were used to compile bid documents for the subject project. The subject native CAD/BIM files are being provided for information only to prospective bidders and are provided on an AS-IS basis. Files are provided in either .dgn, .dwg, or .RVT format, depending upon the nature of the work communicated. Note that the Government does not warrant consistency or accuracy of the files in relation to the electronic .PDF files that serve as the basis for bidding the work. Use of the design model(s) shall not limit compliance with As-Built or Advanced Modeling requirements in this contract. See specifications 01 33 39.00 10 and 01 78 39.00 24 for additional requirements. Utilization of these files shall not limit compliance with any portions or requirements of the .PDF design drawings or specifications.
