

Amendment 01

REQUEST FOR INFORMATION (RFI) No. 1 FA9101-22-R-B001, Test Operations and Sustainment (TOS) II 28 February 2022

This amendment to RFI No. 1, FA9101-22-R-B001, is to provide additional information for Industry Day #1. This Industry Day will be a virtual event due to current Department of Defense COVID-19 policies. The Industry Day will be broken down into two parts: pre-recorded briefings and one-on-one teleconferences with the Government.

The pre-recorded general overview briefings of AEDC will be available for viewing on 15 March 2022 and a link to the briefings will be provided once they are posted. The briefings will include four presentations:

- Presentation #1 – Introduction
- Presentation #2 – Current Contract Structure
- Presentation #3 – AEDC Topics of Interest Overview
- Presentation #4 – Sources for Additional Information

Details on how to schedule one-on-one teleconferences will be provided in Presentation #4 – Sources for Additional Information. Requests to schedule a teleconference and submittal of written questions will be due no later than 1000 CDT on 21 March 2022. Teleconferences will be scheduled for 20-minute sessions during the week of 28-31 March 2022. Government participants will include multi-functional team members.
