Evaluation Factors for Award

The following clauses were modified:

52.212-2 - Evaluation-Commercial Products and Commercial Services. Nov 2021 hereby reads as follows:

As prescribed in 12.301(c), the Contracting Officer may insert a provision substantially as follows:

Evaluation-Commercial Products and Commercial Services (Nov 2021)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

Factor 1: Price

Factor 2: Technical (evaluated on the below basis)

Acceptable: Quote clearly meets the salient characteristics and is IAW the SOW attached in the solicitation.

Unacceptable: Quote does not clearly meet the salient characteristics and is not IAW the SOW attached in the solicitation.

(b) *Options*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of provision)
