

**Single Source Justification (Simplified Acquisition)****Section A: General Contract Information**Is this a Bridge Action as defined in the [AF Bridge Action Reduction Plan](#)?☐ Yes☒ No

Contracting Activity: AFSC/PZABA

Project/Program Name: Repair of B-2 Wing Tip Power Supply

Purchase Request/Identification Number: FD2030-22-01454

Estimated Contract Cost (including Options): [REDACTED]**Section B: Description of the Supplies/Services Required**

This purchase request is for the repair of the B-2 Wing Tip Power Supply. The Power Supply was previously repaired on contract FA8117-17-D-0005.

Section C: Justification for Soliciting from a Single Source or Brand Name

There is incomplete data on these parts that is limited to form fit and function data. The product baseline and the individual component parts that comprise these items are unknown to the USAF. The functional testing of these items are unknown to the USAF. There is no technical order or test equipment available. The available data is not sufficient to perform repair nor is it sufficient to establish repair requirements.

Section D: Efforts to Obtain Competition

On 10May22 Honeywell Grimes verbally refused to bid on a Rough Order of Magnitude (ROM) for the procurement of technical data. Market research has not identified any other companies that can provide the service that Honeywell Grimes provides. As of 11Mar22 Honeywell Grimes has licensed product support of the Wing Tip Power Supply to Aero International (Cage: 0SML3)

Section E: Steps to Preclude Future Single Source or Brand Name Awards

Efforts to obtain technical data will be completed when a new repair contract is generated. At that time a ROM will be sent to Honeywell Grimes in an effort to obtain technical data.

Section F: Contracting Officer's Determination

I have determined, in accordance with [FAR 13.106-1\(b\)\(1\)](#), that the circumstances of this contract action deem only a single source is reasonably available.
