

**DEPARTMENT OF THE AIR FORCE
AIR EDUCATION AND TRAINING COMMAND**

June 9, 2021

82 CONS/PKAB
206 J Ave, Bldg. 1662
Sheppard AFB TX 76311-2746

SUBJECT: Amendment 1, Request for Quote: FY21 Aircraft Composite Panels

1. The Government response for received vendor questions are as follows. Please incorporate the following clarifications into the above referenced Request for Quote:

Q1) Place of Delivery/Performance/Acceptance/FOB Point was listed in error as Sheppard AFB.

A1) Correct F.O.B. Destination is Pensacola, Florida 32508-5160

Q2) Will tooling be supplied for these panels?

A2) No tooling will be supplied.

Q3) If so, is it a single, or multiple part tool?

A3) N/A

Q4) Once funding is received, is there a preferred time schedule for delivery of all 62 parts?

A4) NLT 120 days from signed contract.

Q5) Will partial quantity deliveries be required/accepted?

A5) Yes, partial quantity deliveries will be accepted.

Q6) Is splicing permissible on any of the prepreg layers of the composite panels?

A6) Splicing is not permissible on any layers.

2. If you have any questions please contact Sydney Hocker at (940) 676-4308 or sydney.hocker@us.af.mil.
