

ITEM 888E

**Item #888E - MOTOR VEHICLE, COMMERCIAL, EMERGING  
TECHNOLOGIES**

**Item 888E is an open line item which will allow a vendor to offer any commercially made Motor Vehicle incorporating EMERGING TECHNOLOGY, for which there is an existing Federal Standard 122BN or Federal Standard 307BA vehicle category, and which conforms to all GSA standards and regulations that pertain to the Government's motor vehicle requirements.**

**Offers for vehicles entered under Item 888E may be submitted at any time during the contract period of performance as prescribed in the solicitation, and will be evaluated in order of receipt.**

**The Program Manager, in conjunction with the GSA Technical Evaluation Team, will determine the line item designation of the offer and if the proposed vehicle meets Federal Standards. After-market conversions of factory vehicles are not considered within scope of this definition.**
