Market Research to Locate Alternative

Market research has been conducted and justifies this Request for Quote (RFQ) as a limited source to FIU. Current data is provided below for this justification.

[REDACTED] A determination of fair and reasonableness will be made upon evaluation of FIU's quote received against other training services awarded via SAM.gov. To award to another vendor could result in potential nonperformance or failure to meet training standards or level of quality required because the supplies or services are unique or highly specialized.

[REDACTED]

Due to the unique characteristics of the requirement, it was determined to be in the best interest of the government to procure these services directly from FIU.

Best Value Determination

Certification

In accordance with FAR citation 6.302-1 and based upon the above facts, it is determined that the pricing for this item is deemed to be fair and reasonable and the award of the purchase order to a contractor who is capable of providing required training is in the best interest of the Government. GSA will post the solicitation and the LSJ via SAM.gov.

Contracting Officer Determination

I certify that the statements and information provided above are complete and correct to the best of my knowledge. I understand that the processing of the Limited Sources Justification precludes the use of full and open competition. I hereby determine the anticipated cost of the Government for this
