SUBJECT: SDA Tranche 2 Transport Gamma Industry Days

EVENT DATE: February 7-8, 2024

REGISTRATION START DATE: January 9, 2024

REGISTRATION CLOSE DATE: January 30, 2024

The Space Development Agency (SDA) will deliver a Top Secret Sensitive Compartmented Information (TS/SCI) - level industry presentation ahead of the anticipated Tranche 2 Transport Layer (T2TL) Gamma solicitation. Engagement will occur on Wednesday February 7, 2024 and Thursday, February 8 from 0900-1700 EST at Meadows 1 (4755 Meadow Wood Ln, Chantilly, VA). The latter portion of February 7 and the entire day of February 8 will be reserved for a series of 1-on-1 sessions for selected offerors who submitted inputs to the request for information or draft solicitation. SDA may investigate a TS VOIP VTC capability for both the industry day as well as 1-on-1's based on the number of responses.

The presentations will focus on the anticipated T2TL Gamma Other Transaction (OT) solicitation for payload development for space systems to provide fire control solutions. T2TL Gamma will procure approximately twenty (20) space vehicles carrying the Warlock payload to demonstrate an operational capability for proliferation in future tranches. The draft solicitation released on December 4, 2023, is for the development, manufacture, testing, and launch integration of Warlock payloads and deployment of space vehicles and mission-enabling ground systems.

REGISTRATION INFORMATION: All organizations that wish to participate will register via the Eventbrite Registration site https://www.eventbrite.com/e/sda-tranche-2-gamma-industry-days-tickets-789440516837 The deadline for in person attendance and request for 1-on-1 is January 30, 2024.

- Only US Citizens from US Companies can register for the T2TL Gamma Industry Day.
- Each registrant must provide a CAGE code and location address to validate their ability to access CUI and classified information.
- VAR instructions can be found in the accompanying attachment.
- Due to space limitations, companies may register up to two (2) individuals for both industry day and 1-on-1s.

Pre-Industry Day questions can be submitted in advance (before the registration cut-off) of the event. Questions and responses may be responded to in an open forum. Please send questions to the solicitation mailbox ussf.pentagon.sda.mbx.sda-sn-24-0008@mail.mil with the subject line "SDA T2TL Gamma Industry Day".
