RFQ: 6923G523Q0884

Amendment #0001 – Questions and Answers

#	Questions	Answers
1	Is mill finish on the steel ok? Or painted?	The Government is requesting mill finished.
2	Please specify which material is needed. Like SS or regular iron. Any Coating needed?	ASTM A36 Steel is required per the specifications.
3	QTY says 80 and 2 per fender means this is for 40 fenders. I see 2 drawing one L angle and one plate which I believe fender leg covered with L angle and plate is for securing fenders with nut bolts right?	As specified within the RFQ, the Government is requesting 80 EA of 4" Steel Angle Mounts and 80 EA of 2 ½" Steel Clamp Bars. Hardware such as nuts, bolts, and washers not required for this RFQ.
