

THIS IS A SOURCES SOUGHT NOTICE. NO SOLICITATION IS AVAILABLE AT THIS TIME. The purpose of this Sources Sought Notice is to identify potential sources capable of performing the effort described herein pursuant to FAR Part 10, Market Research and FAR Part 19, Small Business Programs. This is for planning purposes only.

Any information submitted by respondents to this Source Sought Notice is voluntary. The Air Force does not intend to award a contract on the basis of this notice or to otherwise pay for the information solicited. Respondents should not construe this notice as a commitment by the Air Force for any purpose, and should refrain from providing proprietary information in the response.

1. INTRODUCTION: This is the initial step in the planning process for a non-personal services requirement to provide anti-microbial surface protection in support of the Special Warfare Training Squadron's (SWTS) training locations defined in the attached Performance Work Statement (PWS). The contact shall conduct anti-microbial treatments every 90 days for all areas listed. The treatments will be at buildings: 939 (Combat Conditioning Center, CCC), 926 (Combative Training Center, CTC), equipment storage containers, and include rucksacks, vests, and sleeping bags up to 100 sets per treatment within Kirtland AFB, NM.

The 377 MSG/PKA at Kirtland AFB seeks sources with the capability and interest to perform this requirement IAW Attachment 1 Performance Work Statement. The attached draft PWS provides details regarding the services required for this acquisition, but is subject to change upon final release of the solicitation for this acquisition

NAICS code is anticipated to be 561720 – Janitorial Services, size standard \$22 million.

2. INSTRUCTIONS: All businesses capable of demonstrating the ability to meet the requirements of the PWS are invited to respond electronically.

Responses shall include company name, address, CAGE code, point of contact with email address and telephone number, and indicate business size (small business, small disadvantaged business, service-disabled veteran-owned small business, economically disadvantaged woman-owned small business, woman-owned small business, HUBZone, or large business) using NAICS 561720, size standard \$22 million. The Air Force reserves the right to consider a small business set-aside for any subsequent acquisition based upon responses to this notice. Small business respondents should provide a statement of capabilities to assist the Air Force in making a set-aside decision.

Statement of capabilities are limited to 5 pages, using Times New Roman 12 Font. At a minimum, the statement of capabilities should:

- Describe the company's ability to address the tasks described in the PWS
- Describe how the company complies with any limitations on subcontracting that apply to its business type
- Include any questions or feedback the company has about the PWS

Responses must be received no later than 12:00pm Mountain Daylight Time (MDT) on 29 August 2023 and addressed to SSgt Nathaniel Bovell at nathaniel.bovell@us.af.mil and Katherine Parker at katherine.parker.2@us.af.mil.
