

## In CFDA.gov

## In beta.SAM.gov

### Terminology:

Program  
Program Number

Assistance Listings  
CFDA Number

### Features:

#### Keyword or Program Number Search

Simple search is available on the home page and from any other page by clicking on the search icon in the header. Select "Assistance Listings" to search in federal assistance listings. Enter a keyword or program number into the simple search.

#### Advanced Search

Perform a simple search by selecting "Assistance Listings" as your domain in the search drop-down menu. Then, use the Status filter, Federal Organizations filter, Eligibility filter, and Assistance Types filter on the left side navigation to narrow your search further.

#### Find Programs by Number Find Programs by Agency

Perform a simple search selecting "Assistance Listings" to search in federal organizations. Enter a keyword, CFDA number, or agency name into the simple search.

#### Added Programs

There will be a way to sort items and filter by date in the future.

#### Archived Programs Search Historical Index

Perform a simple search by selecting "Assistance Listings" as your domain in the search drop-down menu. Then, uncheck the "Active Status" filter on the left side navigation to view both active and archived "Assistance Listings".

**Future Features:** For the latest updates, subscribe to our IAE Interact Blog and look at the "What's Next" section located in the Online Help Center on beta.SAM.gov. The following features will be available in the future at beta.SAM.gov:

Create, Update, and Publication Workflow

PDF Catalog

Find Regional Agency Locations

Electronic Download
