## **FY2026 Mid-Year Subcontract Plan Reporting Extension**

Date: June 10, 2026

To: Federal Agencies and Federal Contractors with Subcontracting Plans

Subject: Fiscal Year 2026 (FY26) Mid-Year Subcontracting Plan Reporting Extension

On February 24, 2026, subcontracting plan reporting transition from eSRS.gov to SAM.gov. GSA is working to issue some system modifications that are preventing contractors with individual subcontracting plans from being able to submit reports in a timely manner. SBA issued a thirty-day extension on May 11, 2026, but since the problems still exist, SBA is providing an additional thirty-day extension to the submission due date for the FY26 mid-year Individual Subcontracting Reports (ISRs). ISRs are due by July 14, 2026.

If you should have any questions, please contact SBA's Subcontracting Program staff at [subcontracting@sba.gov](mailto:subcontracting@sba.gov).

Sincerely,

Larry Stubblefield  
Deputy Associate Administrator
